

CORA

A Universal
Application For
Court Opportunities
Nationwide

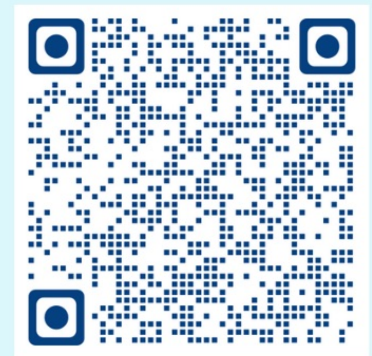

Court Opportunity Recruitment for All is a centralized portal for state court internships, externships, and clerkships across the country.

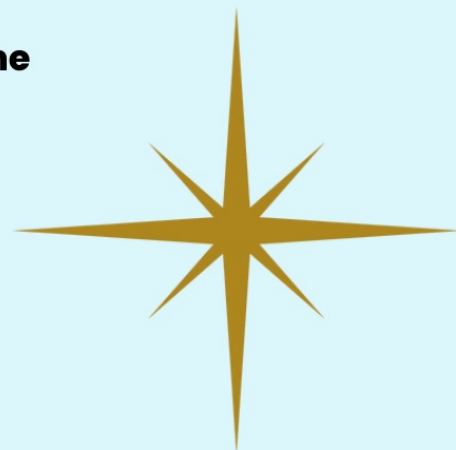

CORA is a web-based platform that connects courts with students in search of opportunities.

This free tool allows students and recent graduates to have a one-stop-site to apply for state court internships, externships, and clerkships nationwide.

CORA makes it simple: One application. One profile. Numerous job possibilities.
