

CIVICS RESOURCES

Quality Resources for Effective Civic Education

Resources for K-12 Audiences

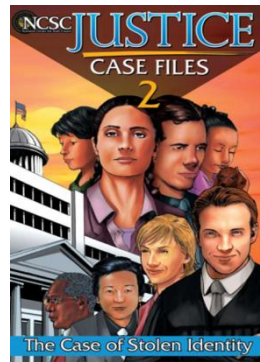

Developed by The Florida Law Related Education Association, Inc., this curriculum wheel provides exciting civic education lessons addressing a range of topics from citizenship to foundations to federalism.

The National Center for State Courts has developed a series of graphic novels, called Justice Case Files, which engage the reader while giving insight into how judges make decisions, how the courts protect the public, and why courts are so important to a democratic society.

Available for download and purchase at

www.ncsc.org/justicecasefiles/.

Justice Teaching, an initiative of Florida Supreme Court Justice R. Fred Lewis, works to pair a legal professional with every elementary, middle, and high school in the state of Florida and provides lessons for each grade level.

www.justiceteaching.org

Founded and led by Justice Sandra Day O'Connor, iCivics provides students with the tools they need for active participation and democratic action, and teachers with the materials and support to achieve this. Our free resources include print-and-go lesson plans, award-winning games, and digital interactives.

Resources for Adult Audiences

Benchmarks is a program of the Constitutional Judiciary Committee of The Florida Bar. This unique program offers attorneys engaging activities they can use to talk about government and the courts when they are invited to speak to adult civic and community groups.
