

Federal Resources for Rural Communities to Help Address Substance Use Disorder and Opioid Misuse

Office of National Drug Control Policy
U.S. Department of Agriculture

February 2021

Table of Contents

ONDCP has identified 48 overarching categories to organize this resource guide and help users identify potential sources of assistance for issues they find most challenging. This list is not exhaustive: many of the programs and resources listed in these pages cover a much broader range of potential uses. For the most up-to-date program information, visit the Rural Community Toolbox: Funding & Tools to Build Healthy Drug-Free Rural Communities website at www.ruralcommunitytoolbox.org.

Justice System	196	Women.....	465
Medicated-Assisted Treatment (MAT).....	208	Youth.....	470

In May 2018, the Office of National Drug Control Policy (ONDCP) stood up a Rural Opioid Federal Interagency Working Group to help address the opioid crisis by improving coordination of and reducing potential overlap among the federal responses in the nation's rural communities. The IWG is co-chaired by ONDCP and USDA. This document is a guide to the resources that can help make a difference in your communities.

Adverse Childhood Experiences

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Funding

Project Prevent Grant Program

<https://www.ruralcommunitytoolbox.org/funding/57>

Grants for local educational agencies to create school-based programs to help students affected by exposure to violence

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Information

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Information

Violence and Abuse in Rural America Topic Guide

<https://www.ruralcommunitytoolbox.org/information/273>

Information, events, successful model program examples, and funding opportunities related to violence and abuse in rural areas.

Maternal and Child Health Bureau (MCHB)

Funding

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Information

National Survey of Children's Health (NSCH)

<https://www.ruralcommunitytoolbox.org/information/316>

Information on an annual national and state-level survey on the health of children in the U.S. and factors related to the well-being of children, their families, and communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Gang Suppression: A Law Enforcement and Prosecutorial Approach to Address Gang Recruitment of Unaccompanied Alien Children

<https://www.ruralcommunitytoolbox.org/funding/153>

Cooperative agreement to increase the capacity of law enforcement agencies to reduce violence, gang-related crime, and delinquency and victimization by youth.

What This Program Funds: Capacity Building • Operating Costs and Staffing

American Indians, Alaska Natives, and Native Hawaiians

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Agriculture

[USDA Farm Service Agency \(FSA\)](#)

Funding

Minority and Women Farmers and Ranchers Loan Program

<https://www.ruralcommunitytoolbox.org/funding/436>

Loans for historically underserved minority and women farmers and ranchers to help them start and sustain successful farming and ranching operations.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Starting a Business

USDA Rural Development (USDA RD)

Funding

Grants for Rural and Native Alaskan Villages

<https://www.ruralcommunitytoolbox.org/funding/180>

Grants to provide households and businesses in rural communities or native villages in Alaska with clean, reliable drinking water and waste disposal systems.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Tribal College Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/196>

Grants for tribal colleges and universities to purchase equipment and improve infrastructure for educational facilities, and develop essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA Planning Program and Local Technical Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/25>

Cooperative agreements to help economically distressed areas, including rural and Native American communities, with resources to address their individual economic needs.

What This Program Funds: Capacity Building

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Funding

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Information

Rural Tribal Health Topic Guide

<https://www.ruralcommunitytoolbox.org/information/250>

Information, events, successful model program examples, and funding opportunities to support Native American health in rural areas.

Indian Health Service (IHS)

Expert Help & Training

Indian Health Service (IHS) IT Network Operations and Support Center (NOSC)

<https://www.ruralcommunitytoolbox.org/expert-help/101>

Technical assistance for the Indian Health Service wide area network, which enables the effective use and exchange of electronic health records and information.

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Preventing Alcohol-Related Deaths Through Social Detoxification (PARD)

<https://www.ruralcommunitytoolbox.org/funding/159>

Cooperative agreement expanding access to treatment for American Indian individuals with alcohol use disorder or substance use disorder in the Navajo and Great Plains Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Behavioral Health Fact Sheet

<https://www.ruralcommunitytoolbox.org/information/265>

Fact sheet on Indian Health Service behavioral health services for American Indian and Alaska Native communities.

Indian Health Service (IHS) Office of Clinical and Preventive Services (OCPS)

<https://www.ruralcommunitytoolbox.org/information/268>

Information on clinical, preventive, and public health services and programs for American Indian and Alaska Native communities provided by IHS.

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Treatment & Services

Indian Health Service (IHS) Division of Behavioral Health (DBH) Mental Health Program

<https://www.ruralcommunitytoolbox.org/treatment-services/10>

Treatment for comprehensive mental health services for American Indian and Alaska Native individuals and families.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

SAMHSA Behavioral Health Equity Program (BHEP)

<https://www.ruralcommunitytoolbox.org/information/343>

Details SAMHSA-supported services and resources to promote behavioral health equity and remove barriers to mental illness and substance use prevention and treatment services.

SAMHSA Tribal Affairs Programs

<https://www.ruralcommunitytoolbox.org/information/304>

Information on programs and resources to improve the overall health and well-being of American Indian and Alaska Native populations.

U.S. Department of Housing and Urban Development (HUD)

Office of Community Planning and Development

Office of Rural Housing and Economic Development

Information

HUD Exchange Rural Gateway

<https://www.ruralcommunitytoolbox.org/information/11>

Information on programs, services, resources, and training to support housing and economic development in rural and underserved areas, including tribal populations and veterans.

Office of Public and Indian Housing (PIH)

Funding

Indian Housing Block Grant Program (IHBG)

<https://www.ruralcommunitytoolbox.org/funding/297>

Funding for Native American and Alaska Native communities to provide housing and housing assistance to low-income tribal residents.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Community Development Block Grant Program (ICDBG)

<https://www.ruralcommunitytoolbox.org/funding/294>

Grants for housing, public facilities, infrastructure, and economic development projects in Native American and Alaska Native communities.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Justice System Infrastructure Program (TJSIP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #4

<https://www.ruralcommunitytoolbox.org/funding/269>

Cooperative agreement to support the renovation and expansion of existing facilities or the development of prefabricated or permanent modular facilities for tribal justice systems.

What This Program Funds: Buildings and Facilities

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Juvenile Tribal Healing to Wellness Courts - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #8

<https://www.ruralcommunitytoolbox.org/funding/19>

Cooperative agreement to develop new or expand existing juvenile healing to wellness courts to respond to substance use related issues of youth under the age of 21.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Transportation

Federal Transit Administration (FTA)

Expert Help & Training

National Rural Transit Assistance Program (National RTAP)

<https://www.ruralcommunitytoolbox.org/expert-help/230>

Technical assistance center to support state rural transit assistance programs and training for rural and tribal transit operators to ensure safe public transportation services.

Funding

Formula Grants for Rural Areas

<https://www.ruralcommunitytoolbox.org/funding/80>

Formula grants to states and tribes to assist with supporting, maintaining, and expanding upon current public transit services in rural communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Public Transportation on Indian Reservations Program (Tribal Transit Program)

<https://www.ruralcommunitytoolbox.org/funding/416>

Grants to Native American tribes for public transit services in rural tribal areas, including planning, operating, and capital expenses to meet public transportation needs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

VHA Office of Rural Health (ORH)

Treatment & Services

VA Telehealth Clinical Resource Hubs (CRH)

<https://www.ruralcommunitytoolbox.org/treatment-services/102>

Service to increase access to mental healthcare and treatment for rural, Native American, and other veteran populations in underserved communities or who face barriers to care.

Colleges and Universities

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Tribal College Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/196>

Grants for tribal colleges and universities to purchase equipment and improve infrastructure for educational facilities, and develop essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Information

An Overview of the Guide for Developing High-Quality Emergency Operations Plans for Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/221>

Webinar recording profiling an emergency operations planning guide for institutions of higher education. Covers the principles and process of emergency planning.

Guide for Developing High-Quality Emergency Operations Plans for Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/217>

Guide to assist colleges and universities with developing and updating school emergency operations plans.

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

Readiness and Emergency Management for Schools (REMS) Specialized Training Packages

<https://www.ruralcommunitytoolbox.org/information/293>

Training materials on emergency management for faculty, staff, and students.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Historically Black Colleges and Universities (HBCU) C.A.R.E.S. Center for Excellence in Behavioral Health

<https://www.ruralcommunitytoolbox.org/expert-help/396>

Provides assistance to historically black colleges and universities and students to increase the number of racial and ethnic minorities entering behavioral fields.

Information

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

Community Planning and Coalition Building

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps VISTA for Individuals

<https://www.ruralcommunitytoolbox.org/funding/202>

Service opportunity for individuals focused on building capacity and sustainability and decreasing poverty through community programs, activities, and services.

What This Program Funds: Capacity Building

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Investments Supporting Partnerships in Recovery Ecosystems Initiative (INSPIRE)

<https://www.ruralcommunitytoolbox.org/funding/456>

Grant to establish recovery ecosystems in Appalachian communities to help individuals in recovery from substance use disorder to obtain and maintain employment.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Executive Office of the President

Office of National Drug Control Policy (ONDCP)

Information

Substance Use Disorder and the Pandemic in Rural Communities Rural Faith Leaders Workshop

<https://www.ruralcommunitytoolbox.org/information/504>

Workshop or rural faith leaders to discuss, learn, and share information and resources to help individuals with substance use disorder.

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Children, Youth, and Families at Risk (CYFAR) Sustainable Community Projects

<https://www.ruralcommunitytoolbox.org/funding/390>

Grants for land-grant colleges and universities to enhance the quality and quantity of comprehensive community-based programs for at-risk children, youth, and families.

What This Program Funds: New Program • Operating Costs and Staffing

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Food and Agriculture Service Learning Program (FASLP)

<https://www.ruralcommunitytoolbox.org/funding/388>

Grant to enhance or expand farm to school initiatives and food and agriculture experiential learning initiatives in underserved areas and seeks to improve children's nutrition.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Agricultural Marketing Service (AMS)

Funding

Farmers Market Promotion Program

<https://www.ruralcommunitytoolbox.org/funding/433>

Grants to develop, coordinate, and expand farmers markets, roadside stands, CSA programs, agritourism activities, online sales, and other direct producer-to-consumer markets.

What This Program Funds: Capacity Building • Starting a Business

Local Food Promotion Program (LFPP)

<https://www.ruralcommunitytoolbox.org/funding/434>

Grants to develop, coordinate, and expand local and regional food business enterprises serving as intermediaries for indirect producer-to-consumer marketing.

What This Program Funds: Capacity Building • Equipment • Starting a Business

Regional Food System Partnerships (RFSP)

<https://www.ruralcommunitytoolbox.org/funding/435>

Grants to establish partnerships that connect public and private resources to plan and develop local and regional food systems.

What This Program Funds: Capacity Building

USDA Food and Nutrition Service (FNS)

Funding

Farm to School Grant Program

<https://www.ruralcommunitytoolbox.org/funding/486>

Grants to help schools and other eligible organizations plan, implement, expand, and sustain farm to school programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Community Facilities Technical Assistance and Training Grant

<https://www.ruralcommunitytoolbox.org/funding/423>

Technical assistance and training grants to help rural areas identify, plan, and provide for their essential community facility needs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Multi-Family Housing Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/419>

Loan guarantees to private-sector lenders providing financing to borrowers for the construction, acquisition, and improvement multi-family housing units in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Intermediary Relending Program

<https://www.ruralcommunitytoolbox.org/funding/182>

Loans for local lenders known as intermediaries, that then re-lend funds to businesses in rural communities to foster community development.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Mutual Self-Help Housing Technical Assistance Grants

<https://www.ruralcommunitytoolbox.org/funding/418>

Grants to support local self-help housing construction projects that provide technical assistance to enable rural, low-income families to construct their own homes.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Rural Business Development Grants (RBDG)

<https://www.ruralcommunitytoolbox.org/funding/183>

Grants for technical assistance, training, and other activities to develop and expand rural businesses with fewer than 50 new workers and less than \$1,000,000 in gross revenue.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Strategic Economic and Community Development

<https://www.ruralcommunitytoolbox.org/funding/431>

Funding for multi-jurisdictional projects implemented through USDA Rural Development programs to support regional economic development plans.

What This Program Funds: Capacity Building

USDA Community Connect Grant Program

<https://www.ruralcommunitytoolbox.org/funding/175>

Grant to support the deployment of broadband in rural communities where private sector investments cannot due to economic and cost challenges.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing

Socially-Disadvantaged Groups Grant

<https://www.ruralcommunitytoolbox.org/funding/430>

Grants to provide technical assistance to socially disadvantaged groups in rural areas who have experienced prejudice due to their racial, ethnic, or gender identity.

What This Program Funds: Capacity Building • Starting a Business

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Funding Support to Help Address Opioid Misuse in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/491>

Information on topics to address rural opioid misuse for which funding is available through USDA Rural Development programs.

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

Resources for Substance Use Disorder and Opioid Misuse Prevention, Treatment, and Recovery

<https://www.ruralcommunitytoolbox.org/information/490>

Information on USDA Rural Development programs to address substance use disorder and opioid misuse in rural communities.

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

USDA Rural Opioid Roundtable in Bangor, Maine

<https://www.ruralcommunitytoolbox.org/information/459>

Video recording of a July 10, 2018 roundtable discussion on the opioid crisis in rural New England focusing on prevention, treatment, and access to treatment.

USDA Rural Opioid Roundtable in El Reno, Oklahoma

<https://www.ruralcommunitytoolbox.org/information/460>

Video recording of a June 6, 2018 roundtable discussion on the opioid crisis in rural Oklahoma.

USDA Rural Opioid Roundtable in Middletown, Pennsylvania

<https://www.ruralcommunitytoolbox.org/information/462>

Video recording of a March 14, 2018 roundtable on the opioid crisis in rural Pennsylvania hosted by the U.S. Department of Agriculture (USDA) Rural Development.

USDA Rural Opioid Roundtable in Salt Lake City, Utah

<https://www.ruralcommunitytoolbox.org/information/463>

Video recording of an April 11, 2018 roundtable on the opioid crisis in rural Utah hosted by the U.S. Department of Agriculture (USDA) Rural Development.

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA Planning Program and Local Technical Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/25>

Cooperative agreements to help economically distressed areas, including rural and Native American communities, with resources to address their individual economic needs.

What This Program Funds: Capacity Building

Build to Scale Program (B2S)

<https://www.ruralcommunitytoolbox.org/funding/404>

Grant for technology-based economic initiatives to increase job growth, future industry, innovation, economic opportunity, global competitiveness in regions across the U.S.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Education

Office of Special Education and Rehabilitative Services (OSERS)

Information

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/226>

Information and resources for schools to provide services, support, and interventions to address opioid and substance misuse for students and their families

U.S. Department of Health & Human Services

Funding

Rural Health Network Development Planning Program

<https://www.ruralcommunitytoolbox.org/funding/444>

Grants to assist rural communities in planning integrated healthcare networks to expand access and improve efficiency, coordination, and quality of rural health services.

What This Program Funds: Capacity Building • Equipment • Training Providers

Centers for Disease Control and Prevention (CDC)

Funding

Combating Opioid Overdose Through Community-Level Intervention (COOCLI)

<https://www.ruralcommunitytoolbox.org/funding/257>

Grants to conduct and evaluates innovative approaches to reduce opioid and stimulant overdose and build partnerships between law enforcement and public health agencies.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - Non-Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/401>

Funding for community coalitions previously awarded a DFC grant to continue grant activities to prevent and reduce substance use among youth age 18 or younger.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/400>

Funding to reestablish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - New

<https://www.ruralcommunitytoolbox.org/funding/398>

Grant to establish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Local Response to Public Health Emergencies: Focus on the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/240>

Information on a pilot project to reduce opioid overdose by strengthening collaboration among local health departments and state and local partners.

Overdose Response Strategy (ORS)

<https://www.ruralcommunitytoolbox.org/information/259>

Information on a program to increase data-sharing activities between agencies across eleven High Intensity Drug Trafficking Areas to reduce drug overdoses.

Centers for Medicare & Medicaid Services (CMS)

Funding

Community Health Access and Rural Transformation (CHART) Model: Community Transformation Track

<https://www.ruralcommunitytoolbox.org/funding/443>

Cooperative agreement to transform rural healthcare delivery systems using the CHART model to reduce costs and improve access to and quality of rural healthcare.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Health Resources and Services Administration

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Health Center Program New Access Points (NAP)

<https://www.ruralcommunitytoolbox.org/funding/344>

Grant to establish new health centers that provide quality primary healthcare services to underserved communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

University of Rochester Medicine Recovery Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/408>

Technical assistance to rural communities to address substance use disorder and synthetic opioids with special focus on high-need Appalachian counties.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Health Care Services Outreach Program

<https://www.ruralcommunitytoolbox.org/funding/446>

Grants to implement community-based outreach programs to enhance the delivery of healthcare services to underserved rural populations and reduce health disparities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

National Institutes of Health

National Institute on Drug Abuse (NIDA)

Information

Preventing Drug Use among Children and Adolescents: A Research-Based Guide for Parents, Educators, and Community Leaders

<https://www.ruralcommunitytoolbox.org/information/393>

Principles designed to help parents, educators, and community leaders learn about, plan for, and establish research-based programs to prevent substance use in children and youth.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

National Network to Eliminate Disparities in Behavioral Health (NNED)

<https://www.ruralcommunitytoolbox.org/expert-help/328>

Training and technical assistance to eliminate behavioral health disparities and reduce mental health and substance use issues for minorities.

Funding

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

National Prevention Week (NPW)

<https://www.ruralcommunitytoolbox.org/information/338>

Information on a week-long event dedicated to promoting public awareness of mental and substance use disorders.

National Recovery Month

<https://www.ruralcommunitytoolbox.org/information/337>

Information on a month-long event held every September to promote public awareness and knowledge of mental illness and substance use disorders, and celebrate those in recovery.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Faith-Based and Community Initiatives (FBCI)

<https://www.ruralcommunitytoolbox.org/information/342>

Information to support partnerships between faith-based and community organizations and federal programs to prevent and treat substance abuse and provide mental health services.

U.S. Department of Housing and Urban Development (HUD)

Information

HUD Exchange

<https://www.ruralcommunitytoolbox.org/information/298>

Information, resources, training, and support for the U.S. Department of Housing and Urban Development housing programs and services for low-income communities and individuals.

HUD Office of Policy Development and Research (PD&R)

Information

HUD EnVision Centers

<https://www.ruralcommunitytoolbox.org/information/145>

Information on projects that serve as a centralized hubs providing resources and tools to help individuals and families in assisted housing become more self-sufficient.

Office of Public and Indian Housing (PIH)

Funding

Jobs Plus Initiative

<https://www.ruralcommunitytoolbox.org/funding/484>

Grant to implement locally based employment programs that provide a financial incentive along with employment, education, and support services for residents in public housing.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Community Development Block Grant Program (ICDBG)

<https://www.ruralcommunitytoolbox.org/funding/294>

Grants for housing, public facilities, infrastructure, and economic development projects in Native American and Alaska Native communities.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Expert Help & Training

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Innovations in Supervision Initiative: Building Capacity to Create Safer Communities

<https://www.ruralcommunitytoolbox.org/funding/501>

Grant to build capacity and enhance the quality and effectiveness of parole and probation agencies to reduce recidivism, crime, and violence.

What This Program Funds: Capacity Building

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

Office for Victims of Crimes (OVC)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Expert Help & Training

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Gang Suppression Implementation Grants Program

<https://www.ruralcommunitytoolbox.org/funding/236>

Grants to help communities and law enforcement promote public safety by preventing and reducing youth-related gang involvement, violence, crime, and victimization.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Gang Suppression: A Law Enforcement and Prosecutorial Approach to Address Gang Recruitment of Unaccompanied Alien Children

<https://www.ruralcommunitytoolbox.org/funding/153>

Cooperative agreement to increase the capacity of law enforcement agencies to reduce violence, gang-related crime, and delinquency and victimization by youth.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Labor

Employment and Training Administration (ETA)

Funding

H-1B Rural Healthcare Grant Program

<https://www.ruralcommunitytoolbox.org/funding/445>

Grants to establish employment and training programs to address healthcare workforce shortages and prepare individuals for work in high-skilled health occupations in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Workforce Opportunity for Rural Communities (WORC) Initiative

<https://www.ruralcommunitytoolbox.org/funding/415>

Grants for workforce development projects in the Appalachian and Delta regions to prepare workers for high-demand jobs and address the effects of opioid use on the workforce.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

U.S. Department of Labor Women's Bureau

Funding

Re-Employment, Support, and Training for the Opioid Related Epidemic (RESTORE) Grant Program

<https://www.ruralcommunitytoolbox.org/funding/380>

Funding to provide employment training, career services, and supportive services to women directly or indirectly affected by the opioid crisis.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Transportation

Federal Transit Administration (FTA)

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Veterans Justice Outreach Program (VJO)

<https://www.ruralcommunitytoolbox.org/treatment-services/252>

Service offering veterans with outreach, assessment, and case management to prevent homelessness and criminalization due to unmet mental health needs.

Community Supervision

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Expert Help & Training

Center for Court Innovation

<https://www.ruralcommunitytoolbox.org/expert-help/450>

Technical assistance for organizations and individuals to develop, implement, and evaluate new policies, programs, practices, and technologies to reform the justice system.

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Second Chance Act Pay for Success Initiative

<https://www.ruralcommunitytoolbox.org/funding/502>

Grant to assist governments in providing permanent supportive housing, recovery housing, reentry services through performance/outcomes-based contracts with service providers.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Innovations in Supervision Initiative: Building Capacity to Create Safer Communities

<https://www.ruralcommunitytoolbox.org/funding/501>

Grant to build capacity and enhance the quality and effectiveness of parole and probation agencies to reduce recidivism, crime, and violence.

What This Program Funds: Capacity Building

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Second Chance Act Grant Program

<https://www.ruralcommunitytoolbox.org/information/313>

Information on the Second Change Act grant programs to reduce recidivism and improve outcomes for individuals who have been incarcerated.

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Juvenile Tribal Healing to Wellness Courts - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #8

<https://www.ruralcommunitytoolbox.org/funding/19>

Cooperative agreement to develop new or expand existing juvenile healing to wellness courts to respond to substance use related issues of youth under the age of 21.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Gang Suppression Implementation Grants Program

<https://www.ruralcommunitytoolbox.org/funding/236>

Grants to help communities and law enforcement promote public safety by preventing and reducing youth-related gang involvement, violence, crime, and victimization.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Gang Suppression: A Law Enforcement and Prosecutorial Approach to Address Gang Recruitment of Unaccompanied Alien Children

<https://www.ruralcommunitytoolbox.org/funding/153>

Cooperative agreement to increase the capacity of law enforcement agencies to reduce violence, gang-related crime, and delinquency and victimization by youth.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps

Funding

AmeriCorps Seniors Foster Grandparent Program (FGP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/479>

Grant for organizations to engage and manage individuals aged 55 and older to serve as experienced tutors and mentors to children and youth with special or exceptional needs.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Seniors Senior Companion Program (SCP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/483>

Grant for organizations to engage and manage individuals aged 55 and older to provide companionship and support to adults in need of extra assistance to remain at home.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Executive Office of the President

Office of National Drug Control Policy (ONDCP)

Information

Substance Use Disorder and the Pandemic in Rural Communities Rural Faith Leaders Workshop

<https://www.ruralcommunitytoolbox.org/information/504>

Workshop for rural faith leaders to discuss, learn, and share information and resources to help individuals with substance use disorder.

Federal Communications Commission

Universal Service Administrative Company (USAC)

Funding

E-Rate Program: The Schools and Libraries Universal Service Support Mechanism

<https://www.ruralcommunitytoolbox.org/funding/209>

Financial assistance for schools and libraries towards eligible data transmission services, internet access, internal connections, and managed internal broadband services.

What This Program Funds: Equipment

Small Business Administration (SBA)

Funding

COVID-19 Economic Injury Disaster Loans (EIDL)

<https://www.ruralcommunitytoolbox.org/funding/412>

Federal low-interest loans and loan advances to assist small businesses, agricultural businesses, and private nonprofits experiencing economic injury due to the COVID-19 pandemic.

What This Program Funds: Operating Costs and Staffing

State Justice Institute (SJI)

Funding

Court Pandemic Response and Recovery Grant Program

<https://www.ruralcommunitytoolbox.org/funding/453>

Grants to assist state courts in their response to and recovery from the COVID-19 pandemic, focusing on the future of state court operations.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

U.S. Department of Health & Human Services

Funding

Rural Health Network Development Planning Program

<https://www.ruralcommunitytoolbox.org/funding/444>

Grants to assist rural communities in planning integrated healthcare networks to expand access and improve efficiency, coordination, and quality of rural health services.

What This Program Funds: Capacity Building • Equipment • Training Providers

Information

First Responders Can Safely Administer Naloxone During the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/447>

Information for law enforcement and first responders on how to take universal safety precautions to reduce the risk of exposure to COVID-19 and safely administer naloxone.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 1

<https://www.ruralcommunitytoolbox.org/information/472>

Interview discussing the Sober Squad Recovery Movement model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 2

<https://www.ruralcommunitytoolbox.org/information/473>

Interview discussing the recovery cafe model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 3

<https://www.ruralcommunitytoolbox.org/information/474>

Interview discussing how a peer-led, peer-run, peer-delivered recovery model can help build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 4

<https://www.ruralcommunitytoolbox.org/information/475>

Interview discussing a peer recovery housing model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 6

<https://www.ruralcommunitytoolbox.org/information/477>

Panel discussion exploring various approaches that can serve as models for building resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

Office-Based Opioid Treatment Management and COVID-19

<https://www.ruralcommunitytoolbox.org/information/455>

Presentation on the challenges, best practices, and alternative methods of providing opioid and substance use disorder treatment with COVID-19 restrictions.

Supporting Behavioral Health Programs and Personnel During COVID-19

<https://www.ruralcommunitytoolbox.org/information/471>

Presentation on efforts to support behavioral health programming and the well-being of personnel during the COVID-19 pandemic.

U.S. Department of Housing and Urban Development (HUD)

Office of Community Planning and Development

Office of Rural Housing and Economic Development

Information

HUD Exchange Rural Gateway

<https://www.ruralcommunitytoolbox.org/information/11>

Information on programs, services, resources, and training to support housing and economic development in rural and underserved areas, including tribal populations and veterans.

U.S. Department of Transportation

Federal Transit Administration (FTA)

Funding

Public Transportation COVID-19 Research Demonstration Grant Program

<https://www.ruralcommunitytoolbox.org/funding/458>

Grant to support demonstration projects for public transit agencies to develop and implement innovative solutions to address COVID-19 related transportation challenges.

What This Program Funds: Equipment • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

Crime Reduction

U.S. Department of Health & Human Services

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Expert Help & Training

Center for Court Innovation

<https://www.ruralcommunitytoolbox.org/expert-help/450>

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Second Chance Act Pay for Success Initiative

<https://www.ruralcommunitytoolbox.org/funding/502>

Grant to assist governments in providing permanent supportive housing, recovery housing, reentry services through performance/outcomes-based contracts with service providers.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Tribal Justice System Infrastructure Program (TJSIP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #4

<https://www.ruralcommunitytoolbox.org/funding/269>

Cooperative agreement to support the renovation and expansion of existing facilities or the development of prefabricated or permanent modular facilities for tribal justice systems.

What This Program Funds: Buildings and Facilities

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Innovations in Supervision Initiative: Building Capacity to Create Safer Communities

<https://www.ruralcommunitytoolbox.org/funding/501>

Grant to build capacity and enhance the quality and effectiveness of parole and probation agencies to reduce recidivism, crime, and violence.

What This Program Funds: Capacity Building

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Second Chance Act Grant Program

<https://www.ruralcommunitytoolbox.org/information/313>

Information on the Second Change Act grant programs to reduce recidivism and improve outcomes for individuals who have been incarcerated.

Office for Victims of Crimes (OVC)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Expert Help & Training

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Gang Suppression Implementation Grants Program

<https://www.ruralcommunitytoolbox.org/funding/236>

Grants to help communities and law enforcement promote public safety by preventing and reducing youth-related gang involvement, violence, crime, and victimization.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Gang Suppression: A Law Enforcement and Prosecutorial Approach to Address Gang Recruitment of Unaccompanied Alien Children

<https://www.ruralcommunitytoolbox.org/funding/153>

Cooperative agreement to increase the capacity of law enforcement agencies to reduce violence, gang-related crime, and delinquency and victimization by youth.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

OJJDP Mentoring Program

<https://www.ruralcommunitytoolbox.org/information/247>

Information about opportunities and resources related to youth mentoring, including relevant research, programmatic grants, training and technical assistance, and publications.

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

AmeriCorps

Funding

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Small Business Administration (SBA)

Funding

COVID-19 Economic Injury Disaster Loans (EIDL)

<https://www.ruralcommunitytoolbox.org/funding/412>

Federal low-interest loans and loan advances to assist small businesses, agricultural businesses, and private nonprofits experiencing economic injury due to the COVID-19 pandemic.

What This Program Funds: Operating Costs and Staffing

Small Business Administration (SBA) Guaranteed Loans

<https://www.ruralcommunitytoolbox.org/funding/413>

Loans for small businesses unable to secure financing from other sources to use as operating capital or pay for long-term fixed assets.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Information

Office of Veterans Business Development (OVBD) Resources

<https://www.ruralcommunitytoolbox.org/information/399>

Information on programs and services designed to help veterans and service-disabled veterans, service members, and their spouses pursue small business ownership.

U.S. Department of Agriculture

USDA Agricultural Marketing Service (AMS)

Funding

Farmers Market Promotion Program

<https://www.ruralcommunitytoolbox.org/funding/433>

Grants to develop, coordinate, and expand farmers markets, roadside stands, CSA programs, agritourism activities, online sales, and other direct producer-to-consumer markets.

What This Program Funds: Capacity Building • Starting a Business

Local Food Promotion Program (LFPP)

<https://www.ruralcommunitytoolbox.org/funding/434>

Grants to develop, coordinate, and expand local and regional food business enterprises serving as intermediaries for indirect producer-to-consumer marketing.

What This Program Funds: Capacity Building • Equipment • Starting a Business

Regional Food System Partnerships (RFSP)

<https://www.ruralcommunitytoolbox.org/funding/435>

Grants to establish partnerships that connect public and private resources to plan and develop local and regional food systems.

What This Program Funds: Capacity Building

USDA Farm Service Agency (FSA)

Funding

Beginning Farmers and Ranchers Loan Program

<https://www.ruralcommunitytoolbox.org/funding/437>

Loans to help farmers and ranchers in their first 10 years of operation finance essential activities and establish successful farms and ranches.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Starting a Business

Microloan Programs

<https://www.ruralcommunitytoolbox.org/funding/438>

Microloans for small, beginning, niche, and non-traditional farms to help finance costs essential to starting and maintaining successful farming operations.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Starting a Business

Minority and Women Farmers and Ranchers Loan Program

<https://www.ruralcommunitytoolbox.org/funding/436>

Loans for historically underserved minority and women farmers and ranchers to help them start and sustain successful farming and ranching operations.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Starting a Business

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Rural Economic Development Loan and Grant Program (REDLG)

<https://www.ruralcommunitytoolbox.org/funding/384>

Loans and grants through local utility organizations to help create jobs and support economic development in rural areas.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Business and Industry Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/173>

Loan guarantees for rural businesses to increase access to business capital and improve rural economies.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Intermediary Relending Program

<https://www.ruralcommunitytoolbox.org/funding/182>

Loans for local lenders known as intermediaries, that then re-lend funds to businesses in rural communities to foster community development.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Rural Broadband Access Loan and Loan Guarantee Program (Farm Bill Broadband Program)

<https://www.ruralcommunitytoolbox.org/funding/387>

Loans and loan guarantees to build, improve, or acquire the facilities and equipment necessary to deliver services at the broadband lending speed to eligible rural areas.

What This Program Funds: Buildings and Facilities • Equipment

Rural Business Development Grants (RBDG)

<https://www.ruralcommunitytoolbox.org/funding/183>

Grants for technical assistance, training, and other activities to develop and expand rural businesses with fewer than 50 new workers and less than \$1,000,000 in gross revenue.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Rural Business Investment Program

<https://www.ruralcommunitytoolbox.org/funding/429>

Licenses for newly formed, for-profit entities to operate Rural Business Investment Companies that provide investment capital to small enterprises in rural areas.

What This Program Funds: Starting a Business

Rural Microentrepreneur Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/385>

Loans and grants to help establish and expand microenterprises and offer training and technical assistance to microloan borrowers and microentrepreneurs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Starting a Business

Strategic Economic and Community Development

<https://www.ruralcommunitytoolbox.org/funding/431>

Funding for multi-jurisdictional projects implemented through USDA Rural Development programs to support regional economic development plans.

What This Program Funds: Capacity Building

Telecommunications Infrastructure Loans and Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/189>

Loans and loan guarantees to build, enhance, and further develop telecommunication services in rural communities to improve communications and promote economic development.

What This Program Funds: Buildings and Facilities • Capacity Building

USDA Community Connect Grant Program

<https://www.ruralcommunitytoolbox.org/funding/175>

Grant to support the deployment of broadband in rural communities where private sector investments cannot due to economic and cost challenges.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing

Socially-Disadvantaged Groups Grant

<https://www.ruralcommunitytoolbox.org/funding/430>

Grants to provide technical assistance to socially disadvantaged groups in rural areas who have experienced prejudice due to their racial, ethnic, or gender identity.

What This Program Funds: Capacity Building • Starting a Business

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

USDA Rural Business-Cooperative Service

<https://www.ruralcommunitytoolbox.org/information/262>

Information on programs and funding available to assist with growing a business, community economic development, cooperative programs, and job training in rural areas.

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA Planning Program and Local Technical Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/25>

Cooperative agreements to help economically distressed areas, including rural and Native American communities, with resources to address their individual economic needs.

What This Program Funds: Capacity Building

Build to Scale Program (B2S)

<https://www.ruralcommunitytoolbox.org/funding/404>

Grant for technology-based economic initiatives to increase job growth, future industry, innovation, economic opportunity, global competitiveness in regions across the U.S.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Housing and Urban Development (HUD)

Information

HUD Exchange

<https://www.ruralcommunitytoolbox.org/information/298>

Information, resources, training, and support for the U.S. Department of Housing and Urban Development housing programs and services for low-income communities and individuals.

Office of Community Planning and Development

Office of Rural Housing and Economic Development

Information

HUD Exchange Rural Gateway

<https://www.ruralcommunitytoolbox.org/information/11>

Information on programs, services, resources, and training to support housing and economic development in rural and underserved areas, including tribal populations and veterans.

Office of Public and Indian Housing (PIH)

Funding

Hope VI Main Street Program

<https://www.ruralcommunitytoolbox.org/funding/485>

Grant to help small communities construct new housing or reconfigure existing commercial space into affordable housing as part of a Main Street revitalization project.

What This Program Funds: Buildings and Facilities

Indian Community Development Block Grant Program (ICDBG)

<https://www.ruralcommunitytoolbox.org/funding/294>

Grants for housing, public facilities, infrastructure, and economic development projects in Native American and Alaska Native communities.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Labor

Employment and Training Administration (ETA)

Funding

Workforce Opportunity for Rural Communities (WORC) Initiative

<https://www.ruralcommunitytoolbox.org/funding/415>

Grants for workforce development projects in the Appalachian and Delta regions to prepare workers for high-demand jobs and address the effects of opioid use on the workforce.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Investments Supporting Partnerships in Recovery Ecosystems Initiative (INSPIRE)

<https://www.ruralcommunitytoolbox.org/funding/456>

Grant to establish recovery ecosystems in Appalachian communities to help individuals in recovery from substance use disorder to obtain and maintain employment.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Federal Communications Commission

Universal Service Administrative Company (USAC)

Funding

E-Rate Program: The Schools and Libraries Universal Service Support Mechanism

<https://www.ruralcommunitytoolbox.org/funding/209>

Financial assistance for schools and libraries towards eligible data transmission services, internet access, internal connections, and managed internal broadband services.

What This Program Funds: Equipment

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Children, Youth, and Families at Risk (CYFAR) Sustainable Community Projects

<https://www.ruralcommunitytoolbox.org/funding/390>

Grants for land-grant colleges and universities to enhance the quality and quantity of comprehensive community-based programs for at-risk children, youth, and families.

What This Program Funds: New Program • Operating Costs and Staffing

Food and Agriculture Service Learning Program (FASLP)

<https://www.ruralcommunitytoolbox.org/funding/388>

Grant to enhance or expand farm to school initiatives and food and agriculture experiential learning initiatives in underserved areas and seeks to improve children's nutrition.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Women and Minorities in Science, Technology, Engineering and Mathematics Fields Program (WAMS)

<https://www.ruralcommunitytoolbox.org/funding/386>

Grant to increase women and underrepresented minorities from rural areas in science, technology, engineering, and mathematics, also known as the STEM fields, in higher education.

What This Program Funds: New Program • Operating Costs and Staffing

USDA Food and Nutrition Service (FNS)

Funding

National School Lunch Program Equipment Assistance Grants for School Food Authorities

<https://www.ruralcommunitytoolbox.org/funding/432>

Grants for schools and school districts participating in the National School Lunch Program to purchase food service equipment of \$1,000 or more.

What This Program Funds: Equipment

Farm to School Grant Program

<https://www.ruralcommunitytoolbox.org/funding/486>

Grants to help schools and other eligible organizations plan, implement, expand, and sustain farm to school programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Tribal College Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/196>

Grants for tribal colleges and universities to purchase equipment and improve infrastructure for educational facilities, and develop essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

USDA Rural Business-Cooperative Service

<https://www.ruralcommunitytoolbox.org/information/262>

Information on programs and funding available to assist with growing a business, community economic development, cooperative programs, and job training in rural areas.

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA Planning Program and Local Technical Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/25>

Cooperative agreements to help economically distressed areas, including rural and Native American communities, with resources to address their individual economic needs.

What This Program Funds: Capacity Building

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Full-Service Community Schools (FSCS) Program

<https://www.ruralcommunitytoolbox.org/funding/12>

Grants for new or to support existing full-service community schools programs in high poverty urban and rural areas.

What This Program Funds: New Program • Operating Costs and Staffing

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

Center to Improve Social and Emotional Learning and School Safety (SEL Center)

<https://www.ruralcommunitytoolbox.org/expert-help/56>

Technical assistance center for state and local educational agencies to integrate social and emotional learning into their academic programs and enhance school safety.

Developing Emergency Operations Plans (EOPs) K-12 101

<https://www.ruralcommunitytoolbox.org/expert-help/211>

Online course on developing and planning emergency operations plans for schools that meet state and local requirements.

National Center on Safe Supportive Learning Environments (NCSSE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

Project Prevent Grant Program

<https://www.ruralcommunitytoolbox.org/funding/57>

Grants for local educational agencies to create school-based programs to help students affected by exposure to violence

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

An Overview of the Guide for Developing High-Quality Emergency Operations Plans for Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/221>

Webinar recording profiling an emergency operations planning guide for institutions of higher education. Covers the principles and process of emergency planning.

An Overview of the Guide for Developing High-Quality School Emergency Operations Plans

<https://www.ruralcommunitytoolbox.org/information/210>

Webinar recording discussing an emergency operations plan guide for schools. Includes information on the principles and process of school emergency planning.

Guide for Developing High-Quality Emergency Operations Plans for Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/208>

Guide to assist school districts and administrators with developing and updating school emergency operations plans.

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/226>

Information and resources for schools to provide services, support, and interventions to address opioid and substance misuse for students and their families

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Information

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Teaching Health Center Graduate Medical Education (THCGME) Program

<https://www.ruralcommunitytoolbox.org/funding/354>

Funds medical and dental residency training programs in community-based, ambulatory patient care settings to address health professional shortages in rural and underserved areas.

What This Program Funds: Training Providers

Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

<https://www.ruralcommunitytoolbox.org/funding/365>

Funding to support the development, enhancement, or expansion of nurse practitioner residency programs to increase access to primary care in rural and underserved communities.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Predoctoral Pediatric Training in General Dentistry and Dental Hygiene

<https://www.ruralcommunitytoolbox.org/funding/364>

Funding to plan, develop, and operate predoctoral general dentistry or dental hygiene training programs to offer enhanced oral care to vulnerable, underserved, and rural children.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Maternal and Child Health Bureau (MCHB)

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Historically Black Colleges and Universities (HBCU) C.A.R.E.S. Center for Excellence in Behavioral Health

<https://www.ruralcommunitytoolbox.org/expert-help/396>

Provides assistance to historically black colleges and universities and students to increase the number of racial and ethnic minorities entering behavioral fields.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Targeted Capacity Expansion – Peer-to-Peer (TCE-PTP)

<https://www.ruralcommunitytoolbox.org/funding/131>

Provides funding to recovery community organizations to expand and improve peer recovery support services for individuals with substance use disorder and their family members.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

U.S. Department of Housing and Urban Development (HUD)

Expert Help & Training

ConnectHomeUSA

<https://www.ruralcommunitytoolbox.org/expert-help/7>

Service to increase opportunities and technology services to meet the educational, professional, and health needs of residents who receive housing assistance.

Funding

Emergency Medical Services for Children State Partnership Program (EMSC SP)

<https://www.ruralcommunitytoolbox.org/funding/301>

Grant supporting demonstration projects to improve the quality of state emergency medical services systems for children.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Emergency Medical Services

Delta Regional Authority (DRA)

Expert Help & Training

Delta Region Community Health Systems Development Program

<https://www.ruralcommunitytoolbox.org/expert-help/493>

Technical assistance for healthcare providers in the Delta region to strengthen local health systems and healthcare service delivery in rural communities.

U.S. Department of Health & Human Services

Funding

Rural Health Network Development Planning Program

<https://www.ruralcommunitytoolbox.org/funding/444>

Grants to assist rural communities in planning integrated healthcare networks to expand access and improve efficiency, coordination, and quality of rural health services.

What This Program Funds: Capacity Building • Equipment • Training Providers

Information

First Responders Can Safely Administer Naloxone During the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/447>

Information for law enforcement and first responders on how to take universal safety precautions to reduce the risk of exposure to COVID-19 and safely administer naloxone.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Capital Funding for Rural Healthcare Topic Guide

<https://www.ruralcommunitytoolbox.org/information/266>

Information, events, successful model program examples, and funding opportunities to support capital funding for rural healthcare.

Community Paramedicine Topic Guide

<https://www.ruralcommunitytoolbox.org/information/272>

Information, events, successful model program examples, and funding opportunities to support community paramedicine in rural areas.

Rural Health Research Center Publications on Emergency Medical Services and Trauma

<https://www.ruralcommunitytoolbox.org/information/279>

Research publications, findings, webinars, and resources on emergency medical services and trauma in rural areas from federally-funded Rural Health Research Centers.

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

Maternal and Child Health Bureau (MCHB)

Funding

Emergency Medical Services for Children State Partnership Program (EMSC SP)

<https://www.ruralcommunitytoolbox.org/funding/301>

Grant supporting demonstration projects to improve the quality of state emergency medical services systems for children.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Information

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

Emergency Planning

State Justice Institute (SJI)

Funding

State Justice Institute (SJI) Quarterly Grant Program

<https://www.ruralcommunitytoolbox.org/funding/487>

Grants to improve the functioning of state courts, including responses to opioids, other drugs, SUD/co-occurring mental health disorders, and behavioral health disparities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Commerce

[Economic Development Administration \(EDA\)](#)

Funding

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Education

[Office of Elementary and Secondary Education \(OESE\)](#)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

Center to Improve Social and Emotional Learning and School Safety (SEL Center)

<https://www.ruralcommunitytoolbox.org/expert-help/56>

Technical assistance center for state and local educational agencies to integrate social and emotional learning into their academic programs and enhance school safety.

Developing Emergency Operations Plans (EOPs) K-12 101

<https://www.ruralcommunitytoolbox.org/expert-help/211>

Online course on developing and planning emergency operations plans for schools that meet state and local requirements.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Information

An Overview of the Guide for Developing High-Quality Emergency Operations Plans for Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/221>

Webinar recording profiling an emergency operations planning guide for institutions of higher education. Covers the principles and process of emergency planning.

An Overview of the Guide for Developing High-Quality School Emergency Operations Plans

<https://www.ruralcommunitytoolbox.org/information/210>

Webinar recording discussing an emergency operations plan guide for schools. Includes information on the principles and process of school emergency planning.

Guide for Developing High-Quality Emergency Operations Plans for Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/217>

Guide to assist colleges and universities with developing and updating school emergency operations plans.

Guide for Developing High-Quality School Emergency Operations Plans

<https://www.ruralcommunitytoolbox.org/information/216>

Guide to assist K-12 schools and school districts with developing and updating school emergency operations plans.

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

Readiness and Emergency Management for Schools (REMS) Specialized Training Packages

<https://www.ruralcommunitytoolbox.org/information/293>

Training materials on emergency management for faculty, staff, and students.

The Role of Districts in Developing High-Quality School Emergency Operations Plans: A Companion to the School Guide

<https://www.ruralcommunitytoolbox.org/information/208>

Guide to assist school districts and administrators with developing and updating school emergency operations plans.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Maternal and Child Health Bureau (MCHB)

Funding

Emergency Medical Services for Children State Partnership Program (EMSC SP)

<https://www.ruralcommunitytoolbox.org/funding/301>

Grant supporting demonstration projects to improve the quality of state emergency medical services systems for children.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

SAMHSA Disaster Preparedness, Response, and Recovery Programs

<https://www.ruralcommunitytoolbox.org/information/305>

Information on programs and resources to meet the behavioral health needs of communities and responders while they prepare, respond, and recover from disasters.

Employment

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Investments Supporting Partnerships in Recovery Ecosystems Initiative (INSPIRE)

<https://www.ruralcommunitytoolbox.org/funding/456>

Grant to establish recovery ecosystems in Appalachian communities to help individuals in recovery from substance use disorder to obtain and maintain employment.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Rural Economic Development Loan and Grant Program (REDLG)

<https://www.ruralcommunitytoolbox.org/funding/384>

Loans and grants through local utility organizations to help create jobs and support economic development in rural areas.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Business and Industry Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/173>

Loan guarantees for rural businesses to increase access to business capital and improve rural economies.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Intermediary Relending Program

<https://www.ruralcommunitytoolbox.org/funding/182>

Loans for local lenders known as intermediaries, that then re-lend funds to businesses in rural communities to foster community development.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Rural Business Development Grants (RBDG)

<https://www.ruralcommunitytoolbox.org/funding/183>

Grants for technical assistance, training, and other activities to develop and expand rural businesses with fewer than 50 new workers and less than \$1,000,000 in gross revenue.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Rural Business Investment Program

<https://www.ruralcommunitytoolbox.org/funding/429>

Licenses for newly formed, for-profit entities to operate Rural Business Investment Companies that provide investment capital to small enterprises in rural areas.

What This Program Funds: Starting a Business

USDA Community Connect Grant Program

<https://www.ruralcommunitytoolbox.org/funding/175>

Grant to support the deployment of broadband in rural communities where private sector investments cannot due to economic and cost challenges.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA Planning Program and Local Technical Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/25>

Cooperative agreements to help economically distressed areas, including rural and Native American communities, with resources to address their individual economic needs.

What This Program Funds: Capacity Building

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

Maternal and Child Health Bureau (MCHB)

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Targeted Capacity Expansion – Peer-to-Peer (TCE-PTP)

<https://www.ruralcommunitytoolbox.org/funding/131>

Provides funding to recovery community organizations to expand and improve peer recovery support services for individuals with substance use disorder and their family members.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

SAMHSA Drug-Free Workplace Programs

<https://www.ruralcommunitytoolbox.org/information/345>

Information on drug-free programs, drug testing, and other resources designed to address illegal substance use by federal employees and in federally regulated industries.

SAMHSA Homelessness Programs and Resources

<https://www.ruralcommunitytoolbox.org/information/341>

Information on programs and resources designed to prevent and end homelessness among men, women, youth, and families with mental or substance use disorders.

U.S. Department of Housing and Urban Development (HUD)

HUD Office of Policy Development and Research (PD&R)

Information

HUD EnVision Centers

<https://www.ruralcommunitytoolbox.org/information/145>

Information on projects that serve as a centralized hubs providing resources and tools to help individuals and families in assisted housing become more self-sufficient.

Office of Public and Indian Housing (PIH)

Funding

Public Housing Neighborhood Networks (NN)

<https://www.ruralcommunitytoolbox.org/funding/146>

Funds to provide computers and internet access to public housing residents by creating community technology centers within public housing buildings or developments.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Jobs Plus Initiative

<https://www.ruralcommunitytoolbox.org/funding/484>

Grant to implement locally based employment programs that provide a financial incentive along with employment, education, and support services for residents in public housing.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Community Development Block Grant Program (ICDBG)

<https://www.ruralcommunitytoolbox.org/funding/294>

Grants for housing, public facilities, infrastructure, and economic development projects in Native American and Alaska Native communities.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Labor

Employment and Training Administration (ETA)

Funding

Workforce Opportunity for Rural Communities (WORC) Initiative

<https://www.ruralcommunitytoolbox.org/funding/415>

Grants for workforce development projects in the Appalachian and Delta regions to prepare workers for high-demand jobs and address the effects of opioid use on the workforce.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Information

Employment and Training Administration's Funding Opportunities

<https://www.ruralcommunitytoolbox.org/information/377>

Information on current and upcoming Employment and Training Administration grant funding opportunities and related grant application and management resources.

Office of Disability Employment Policy (ODEP)

Expert Help & Training

Employer Assistance and Resource Network on Disability Inclusion (EARN)

<https://www.ruralcommunitytoolbox.org/expert-help/374>

Training, tools, resources, and publications for employers seeking to advance the inclusion of people with disabilities in the workplace.

Job Accommodation Network (JAN)

<https://www.ruralcommunitytoolbox.org/expert-help/376>

Provides free, confidential, one-on-one consulting services to employers and employees regarding workplace accommodations and disability employment issues.

Information

EARN's Mental Health Toolkit

<https://www.ruralcommunitytoolbox.org/information/375>

Information, tools and resources for employers seeking to create a mental health-friendly workplace.

U.S. Department of Labor Women's Bureau

Funding

Re-Employment, Support, and Training for the Opioid Related Epidemic (RESTORE) Grant Program

<https://www.ruralcommunitytoolbox.org/funding/380>

Funding to provide employment training, career services, and supportive services to women directly or indirectly affected by the opioid crisis.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Treatment & Services

VA Veteran Readiness and Employment (VR&E)

<https://www.ruralcommunitytoolbox.org/treatment-services/296>

Service for job training and developing other skills to help veterans and service members secure employment.

Veterans Health Administration (VHA)

Information

Veterans Employment Toolkit Resources

<https://www.ruralcommunitytoolbox.org/information/206>

Toolkit resources for employers, supervisors, and human resource professionals regarding the veteran workforce, their military experiences, and the benefits of hiring veterans.

VHA Compensated Work Therapy (CWT)

<https://www.ruralcommunitytoolbox.org/information/219>

Information for veterans and employers on compensated work therapy, a clinical vocational rehabilitation program available at Veterans Health Administration medical centers.

Treatment & Services

Health Care for Re-Entry Veterans (HCRV) Services and Resources

<https://www.ruralcommunitytoolbox.org/treatment-services/248>

Service to help veterans avoid homelessness and be successful following release from incarceration. Offers outreach, assessments, case management support, and referral services.

Harm Reduction

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Information

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

U.S. Department of Health & Human Services

Information

First Responders Can Safely Administer Naloxone During the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/447>

Information for law enforcement and first responders on how to take universal safety precautions to reduce the risk of exposure to COVID-19 and safely administer naloxone.

Centers for Disease Control and Prevention (CDC)

Funding

Combating Opioid Overdose Through Community-Level Intervention (COOCLI)

<https://www.ruralcommunitytoolbox.org/funding/257>

Grants to conduct and evaluates innovative approaches to reduce opioid and stimulant overdose and build partnerships between law enforcement and public health agencies.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Data to Action

<https://www.ruralcommunitytoolbox.org/funding/238>

Cooperative agreement for state and local opioid overdose surveillance programs and related opioid prevention and response activities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Integrated Human Immunodeficiency Virus (HIV) Surveillance and Prevention Programs for Health Departments

<https://www.ruralcommunitytoolbox.org/funding/82>

Cooperative agreement to support the implementation of comprehensive and integrated HIV surveillance and prevention programs.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Dashboard on Drug Poisoning Mortality in the United States, 1999-2018

<https://www.ruralcommunitytoolbox.org/information/261>

Data visualizations showing national, state, and county drug poisoning mortality rates in the U.S. from 1999 to 2018.

Ending the HIV Epidemic: A Plan for America

<https://www.ruralcommunitytoolbox.org/information/382>

Information on a new ten-year U.S. Department of Health and Human Services initiative to end the HIV epidemic through cooperative national, state, and local interventions.

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Local Response to Public Health Emergencies: Focus on the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/240>

Information on a pilot project to reduce opioid overdose by strengthening collaboration among local health departments and state and local partners.

Opioid Overdose Prevention for States Microsite

<https://www.ruralcommunitytoolbox.org/information/242>

Information on how to install a free, customizable version of the Centers for Disease Control and Prevention's opioid overdose website on other websites to share information.

Overdose Response Strategy (ORS)

<https://www.ruralcommunitytoolbox.org/information/259>

Information on a program to increase data-sharing activities between agencies across eleven High Intensity Drug Trafficking Areas to reduce drug overdoses.

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Information

Lessons Learned from the Rural Opioid Overdose Reversal Program

<https://www.ruralcommunitytoolbox.org/information/270>

Information on the challenges, successes, and lessons learned from Rural Opioid Overdose Reversal Program grant recipients and related program resources.

Rural Response to the Opioid Crisis Topic Guide

<https://www.ruralcommunitytoolbox.org/information/271>

Information, events, successful model program examples, and funding opportunities to support efforts to address the opioid crisis in rural areas.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Preventing Alcohol-Related Deaths Through Social Detoxification (PARD)

<https://www.ruralcommunitytoolbox.org/funding/159>

Cooperative agreement expanding access to treatment for American Indian individuals with alcohol use disorder or substance use disorder in the Navajo and Great Plains Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Information

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

SAMHSA Medication and Counseling Treatment: Naloxone

<https://www.ruralcommunitytoolbox.org/information/323>

Information on naloxone and the medication's side effects, opioid overdoses, and efforts to expand naloxone use.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

MyHealtheVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

AmeriCorps

Funding

AmeriCorps Seniors Foster Grandparent Program (FGP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/479>

Grant for organizations to engage and manage individuals aged 55 and older to serve as experienced tutors and mentors to children and youth with special or exceptional needs.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Seniors Senior Companion Program (SCP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/483>

Grant for organizations to engage and manage individuals aged 55 and older to provide companionship and support to adults in need of extra assistance to remain at home.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Food and Agriculture Service Learning Program (FASLP)

<https://www.ruralcommunitytoolbox.org/funding/388>

Grant to enhance or expand farm to school initiatives and food and agriculture experiential learning initiatives in underserved areas and seeks to improve children's nutrition.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Farm and Ranch Stress Assistance Network (FRSAN)

<https://www.ruralcommunitytoolbox.org/funding/389>

Grant to establish four regional networks that connect individuals in farming, ranching, and other agricultural occupations to stress assistance programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Agricultural Marketing Service (AMS)

Funding

Local Food Promotion Program (LFPP)

<https://www.ruralcommunitytoolbox.org/funding/434>

Grants to develop, coordinate, and expand local and regional food business enterprises serving as intermediaries for indirect producer-to-consumer marketing.

What This Program Funds: Capacity Building • Equipment • Starting a Business

Regional Food System Partnerships (RFSP)

<https://www.ruralcommunitytoolbox.org/funding/435>

Grants to establish partnerships that connect public and private resources to plan and develop local and regional food systems.

What This Program Funds: Capacity Building

USDA Food and Nutrition Service (FNS)

Funding

National School Lunch Program Equipment Assistance Grants for School Food Authorities

<https://www.ruralcommunitytoolbox.org/funding/432>

Grants for schools and school districts participating in the National School Lunch Program to purchase food service equipment of \$1,000 or more.

What This Program Funds: Equipment

Farm to School Grant Program

<https://www.ruralcommunitytoolbox.org/funding/486>

Grants to help schools and other eligible organizations plan, implement, expand, and sustain farm to school programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Grants for Rural and Native Alaskan Villages

<https://www.ruralcommunitytoolbox.org/funding/180>

Grants to provide households and businesses in rural communities or native villages in Alaska with clean, reliable drinking water and waste disposal systems.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

USDA Rural Opioid Roundtable in Bangor, Maine

<https://www.ruralcommunitytoolbox.org/information/459>

Video recording of a July 10, 2018 roundtable discussion on the opioid crisis in rural New England focusing on prevention, treatment, and access to treatment.

USDA Rural Opioid Roundtable in Berea, Kentucky

<https://www.ruralcommunitytoolbox.org/information/461>

Video recording of a May 9, 2018 roundtable on the opioid crisis in rural Kentucky.

USDA Rural Opioid Roundtable in El Reno, Oklahoma

<https://www.ruralcommunitytoolbox.org/information/460>

Video recording of a June 6, 2018 roundtable discussion on the opioid crisis in rural Oklahoma.

USDA Rural Opioid Roundtable in Middletown, Pennsylvania

<https://www.ruralcommunitytoolbox.org/information/462>

Video recording of a March 14, 2018 roundtable on the opioid crisis in rural Pennsylvania hosted by the U.S. Department of Agriculture (USDA) Rural Development.

USDA Rural Opioid Roundtable in Salt Lake City, Utah

<https://www.ruralcommunitytoolbox.org/information/463>

Video recording of an April 11, 2018 roundtable on the opioid crisis in rural Utah hosted by the U.S. Department of Agriculture (USDA) Rural Development.

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Integrated Human Immunodeficiency Virus (HIV) Surveillance and Prevention Programs for Health Departments

<https://www.ruralcommunitytoolbox.org/funding/82>

Cooperative agreement to support the implementation of comprehensive and integrated HIV surveillance and prevention programs.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Bureau of Primary Health Care (BPHC)

Funding

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Health Care Services Outreach Program

<https://www.ruralcommunitytoolbox.org/funding/446>

Grants to implement community-based outreach programs to enhance the delivery of healthcare services to underserved rural populations and reduce health disparities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

Access to Care for Rural People with Disabilities Toolkit

<https://www.ruralcommunitytoolbox.org/information/289>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain programs to support access to care for rural residents with disabilities.

Health and Healthcare in Frontier Areas Topic Guide

<https://www.ruralcommunitytoolbox.org/information/274>

Information, events, funding opportunities, and other resources to support health and healthcare in frontier areas.

Rural Health Promotion and Disease Prevention Toolkit

<https://www.ruralcommunitytoolbox.org/information/286>

Toolkit on evidence-based and promising models and related resources to implement, evaluate, and sustain health promotion and disease prevention programs in rural communities.

Rural Health Research Center Publications on Frontier Health

<https://www.ruralcommunitytoolbox.org/information/283>

Research publications, findings, and resources on frontier health from federally-funded Rural Health Research Center.

Rural Tribal Health Topic Guide

<https://www.ruralcommunitytoolbox.org/information/250>

Information, events, successful model program examples, and funding opportunities to support Native American health in rural areas.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: HIV Early Intervention Services (EIS) Program - New Geographic Service Areas

<https://www.ruralcommunitytoolbox.org/funding/315>

Grants to provide outpatient primary care and support services in new geographic service areas for low-income, uninsured, rural, and underserved individuals with HIV.

What This Program Funds: New Program • Operating Costs and Staffing

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

National Survey of Children's Health (NSCH)

<https://www.ruralcommunitytoolbox.org/information/316>

Information on an annual national and state-level survey on the health of children in the U.S. and factors related to the well-being of children, their families, and communities.

Title V Maternal and Child Health Services Block Grant Program

<https://www.ruralcommunitytoolbox.org/information/299>

Information on the Title V Maternal Child Health Services Block Grant that works to support and improve the health and well-being of mothers, children, and families.

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Sickle Cell Disease Newborn Screening Follow-Up Program

<https://www.ruralcommunitytoolbox.org/treatment-services/318>

Treatment offered through local community-based organizations located in 16 states for individuals diagnosed with sick cell disease and sickle cell trait.

Sickle Cell Disease Treatment Demonstration Regional Collaborative Program

<https://www.ruralcommunitytoolbox.org/treatment-services/356>

Treatment for patients with sickle cell disease provided through five regional coordinating centers throughout the U.S.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Office of Clinical and Preventive Services (OCPS)

<https://www.ruralcommunitytoolbox.org/information/268>

Information on clinical, preventive, and public health services and programs for American Indian and Alaska Native communities provided by IHS.

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Community Mental Health Services Block Grant (MHBG)

<https://www.ruralcommunitytoolbox.org/funding/327>

Block grant funding to provide comprehensive community mental health services for adults with serious mental illnesses and children with serious emotional disturbances.

What This Program Funds: New Program • Operating Costs and Staffing

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Targeted Capacity Expansion – Peer-to-Peer (TCE-PTP)

<https://www.ruralcommunitytoolbox.org/funding/131>

Provides funding to recovery community organizations to expand and improve peer recovery support services for individuals with substance use disorder and their family members.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

SAMHSA Behavioral Health Equity Program (BHEP)

<https://www.ruralcommunitytoolbox.org/information/343>

Details SAMHSA-supported services and resources to promote behavioral health equity and remove barriers to mental illness and substance use prevention and treatment services.

SAMHSA Tribal Affairs Programs

<https://www.ruralcommunitytoolbox.org/information/304>

Information on programs and resources to improve the overall health and well-being of American Indian and Alaska Native populations.

U.S. Department of Housing and Urban Development (HUD)

HUD Office of Policy Development and Research (PD&R)

Information

HUD EnVision Centers

<https://www.ruralcommunitytoolbox.org/information/145>

Information on projects that serve as a centralized hubs providing resources and tools to help individuals and families in assisted housing become more self-sufficient.

Office of Public and Indian Housing (PIH)

Funding

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Justice System Infrastructure Program (TJSIP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #4

<https://www.ruralcommunitytoolbox.org/funding/269>

Cooperative agreement to support the renovation and expansion of existing facilities or the development of prefabricated or permanent modular facilities for tribal justice systems.

What This Program Funds: Buildings and Facilities

Information

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

Office for Victims of Crimes (OVC)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children

<https://www.ruralcommunitytoolbox.org/funding/496>

Grant to promote and expand services in detention and correctional facilities to incarcerated individuals and their minor children.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Juvenile Tribal Healing to Wellness Courts - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #8

<https://www.ruralcommunitytoolbox.org/funding/19>

Cooperative agreement to develop new or expand existing juvenile healing to wellness courts to respond to substance use related issues of youth under the age of 21.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Transportation

Federal Transit Administration (FTA)

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Expert Help & Training

Community Clergy Training Program to Support Rural Veterans Mental Health (CCTP)

<https://www.ruralcommunitytoolbox.org/expert-help/3>

Training for clergy members, spiritual leaders, and faith communities in rural communities on the various mental health issues faced by veterans.

Information

Clinical Practice Guideline for Opioid Therapy for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/215>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for chronic pain patients.

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Simple Tools to Aid and Restore (STAR) Well-Kit: Tools for Healing

<https://www.ruralcommunitytoolbox.org/information/220>

Toolkit sharing educational videos on wellness practices and integrative medicine tools and techniques for veterans.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

VA Whole Health

<https://www.ruralcommunitytoolbox.org/information/223>

Information on a patient-centered approach to healthcare that supports veterans' overall physical, mental, and emotional health and wellness.

VA Pharmacy Benefits Management (PBM) Services

Information

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Information

VA Rural Health Enterprise-Wide Initiatives

<https://www.ruralcommunitytoolbox.org/information/62>

Information on enterprise-wide initiatives currently supported by the Veterans Health Administration Office of Rural Health.

Treatment & Services

VA Telephone Lifestyle Coaching Program (TLC)

<https://www.ruralcommunitytoolbox.org/treatment-services/72>

Service that provides telephone-based lifestyle coaching to veterans focused on topics such as alcohol use, food consumption, weight management, stress reduction, and more.

Vets Prevail

<https://www.ruralcommunitytoolbox.org/treatment-services/67>

Service offering subscription based cognitive behavioral therapy services for veterans. Service free to veterans.

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Food and Agriculture Service Learning Program (FASLP)

<https://www.ruralcommunitytoolbox.org/funding/388>

Grant to enhance or expand farm to school initiatives and food and agriculture experiential learning initiatives in underserved areas and seeks to improve children's nutrition.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Farm and Ranch Stress Assistance Network (FRSAN)

<https://www.ruralcommunitytoolbox.org/funding/389>

Grant to establish four regional networks that connect individuals in farming, ranching, and other agricultural occupations to stress assistance programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Office of Special Education and Rehabilitative Services (OSERS)

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

U.S. Department of Health & Human Services

Information

What is "Ending the HIV Epidemic: A Plan for America"?

<https://www.ruralcommunitytoolbox.org/information/383>

Information on a new ten-year Department of Health and Human Services (HHS) initiative to end the HIV epidemic in the U.S., including program goals, strategies, and focus areas.

Centers for Disease Control and Prevention (CDC)

Funding

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Ending the HIV Epidemic: A Plan for America

<https://www.ruralcommunitytoolbox.org/information/382>

Information on a new ten-year U.S. Department of Health and Human Services initiative to end the HIV epidemic through cooperative national, state, and local interventions.

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

University of Rochester Medicine Recovery Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/408>

Technical assistance to rural communities to address substance use disorder and synthetic opioids with special focus on high-need Appalachian counties.

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Sickle Cell Disease Newborn Screening Follow-Up Program

<https://www.ruralcommunitytoolbox.org/treatment-services/318>

Treatment offered through local community-based organizations located in 16 states for individuals diagnosed with sick cell disease and sickle cell trait.

Sickle Cell Disease Treatment Demonstration Regional Collaborative Program

<https://www.ruralcommunitytoolbox.org/treatment-services/356>

Treatment for patients with sickle cell disease provided through five regional coordinating centers throughout the U.S.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Treatment & Services

Indian Health Service (IHS) Division of Behavioral Health (DBH) Mental Health Program

<https://www.ruralcommunitytoolbox.org/treatment-services/10>

Treatment for comprehensive mental health services for American Indian and Alaska Native individuals and families.

National Institutes of Health

National Institute on Drug Abuse (NIDA)

Information

Family Checkup: Positive Parenting Prevents Drug Abuse

<https://www.ruralcommunitytoolbox.org/information/394>

Evidence-based information focused on positive parenting skills that help prevent the onset and progression of drug use among children and youth.

Preventing Drug Use among Children and Adolescents: A Research-Based Guide for Parents, Educators, and Community Leaders

<https://www.ruralcommunitytoolbox.org/information/393>

Principles designed to help parents, educators, and community leaders learn about, plan for, and establish research-based programs to prevent substance use in children and youth.

Principles of Substance Abuse Prevention for Early Childhood: A Research-Based Guide

<https://www.ruralcommunitytoolbox.org/information/395>

Drug use prevention guide including principles, information, and research on childhood development, risk and protective factors, and early childhood interventions.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Opioid Response Network State Targeted Response Technical Assistance (STR-TA) Consortium

<https://www.ruralcommunitytoolbox.org/expert-help/339>

Technical assistance, training, and education for communities related to evidence-based practices for opioid use disorder prevention, treatment, and recovery services.

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Information

National Recovery Month

<https://www.ruralcommunitytoolbox.org/information/337>

Information on a month-long event held every September to promote public awareness and knowledge of mental illness and substance use disorders, and celebrate those in recovery.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Medication-Assisted Treatment (MAT) Programs

<https://www.ruralcommunitytoolbox.org/information/336>

Information on medication-assisted treatment and on opioid treatment programs. Describes the SUPPORT Act and provides information and training resources.

U.S. Department of Housing and Urban Development (HUD)

HUD Office of Policy Development and Research (PD&R)

Information

HUD EnVision Centers

<https://www.ruralcommunitytoolbox.org/information/145>

Information on projects that serve as a centralized hubs providing resources and tools to help individuals and families in assisted housing become more self-sufficient.

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

MyHealtheVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Simple Tools to Aid and Restore (STAR) Well-Kit: Tools for Healing

<https://www.ruralcommunitytoolbox.org/information/220>

Toolkit sharing educational videos on wellness practices and integrative medicine tools and techniques for veterans.

VA Whole Health

<https://www.ruralcommunitytoolbox.org/information/223>

Information on a patient-centered approach to healthcare that supports veterans' overall physical, mental, and emotional health and wellness.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Fentanyl and Carfentanil

<https://www.ruralcommunitytoolbox.org/information/255>

Information on fentanyl and carfentanil and the strength of these potent synthetic opioids.

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

Medications for Opioid Use Disorder (OUD)

<https://www.ruralcommunitytoolbox.org/information/198>

Information on methadone, buprenorphine, and naltrexone and how they are used to provide medication-assisted treatment for opioid use disorder.

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

Pain: New Ways to Treat a Common Problem, Patient Guide

<https://www.ruralcommunitytoolbox.org/information/199>

Information on acute and chronic pain, including pain management strategies and treatments.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

Healthcare Facilities

Delta Regional Authority (DRA)

Expert Help & Training

Delta Region Community Health Systems Development Program

<https://www.ruralcommunitytoolbox.org/expert-help/493>

Technical assistance for healthcare providers in the Delta region to strengthen local health systems and healthcare service delivery in rural communities.

Federal Communications Commission

[Universal Service Administrative Company \(USAC\)](#)

Funding

The Rural Health Care Program

<https://www.ruralcommunitytoolbox.org/funding/89>

Financial assistance for healthcare facilities towards telecommunication expenses and network equipment to increase connectivity and access to broadband in rural areas.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Connected Care Pilot Program

<https://www.ruralcommunitytoolbox.org/funding/470>

Funding available to healthcare providers to defray the cost of providing connected healthcare services to patients.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Community Facilities Relending Program

<https://www.ruralcommunitytoolbox.org/funding/454>

Loans to institutions that will re-lend funds to economically distressed rural areas to finance the construction or improvement of essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

ReConnect Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/492>

Grants, low-interest loans, and grant-loan combinations to provide broadband service to rural communities without sufficient high-speed internet access.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program

Information

USDA Rural Housing Service

<https://www.ruralcommunitytoolbox.org/information/263>

Information on programs and funding to build or improve single- and multi-family housing and essential community facilities in rural areas.

U.S. Department of Health & Human Services

Funding

Rural Health Network Development Planning Program

<https://www.ruralcommunitytoolbox.org/funding/444>

Grants to assist rural communities in planning integrated healthcare networks to expand access and improve efficiency, coordination, and quality of rural health services.

What This Program Funds: Capacity Building • Equipment • Training Providers

[Centers for Disease Control and Prevention \(CDC\)](#)

Funding

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

[Centers for Medicare & Medicaid Services \(CMS\)](#)

Expert Help & Training

Quality Payment Program (QPP) Support for Small, Underserved, and Rural Practices

<https://www.ruralcommunitytoolbox.org/expert-help/495>

Technical assistance to help small, underserved, and rural medical practices participate in the Support for Small, Underserved, and Rural Practices Quality Payment Program.

Funding

Community Health Access and Rural Transformation (CHART) Model: Community Transformation Track

<https://www.ruralcommunitytoolbox.org/funding/443>

Cooperative agreement to transform rural healthcare delivery systems using the CHART model to reduce costs and improve access to and quality of rural healthcare.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Teaching Health Center Graduate Medical Education (THCGME) Program

<https://www.ruralcommunitytoolbox.org/funding/354>

Funds medical and dental residency training programs in community-based, ambulatory patient care settings to address health professional shortages in rural and underserved areas.

What This Program Funds: Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Health Center Program New Access Points (NAP)

<https://www.ruralcommunitytoolbox.org/funding/344>

Grant to establish new health centers that provide quality primary healthcare services to underserved communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Health Care Services Outreach Program

<https://www.ruralcommunitytoolbox.org/funding/446>

Grants to implement community-based outreach programs to enhance the delivery of healthcare services to underserved rural populations and reduce health disparities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Rural Residency Planning and Development (RRPD) Program

<https://www.ruralcommunitytoolbox.org/funding/353>

Grants to establish rural residency programs in family medicine, internal medicine, public health, preventive medicine, psychiatry, general surgery, obstetrics and gynecology.

What This Program Funds: New Program • Training Providers

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Capital Funding for Rural Healthcare Topic Guide

<https://www.ruralcommunitytoolbox.org/information/266>

Information, events, successful model program examples, and funding opportunities to support capital funding for rural healthcare.

Health and Healthcare in Frontier Areas Topic Guide

<https://www.ruralcommunitytoolbox.org/information/274>

Information, events, funding opportunities, and other resources to support health and healthcare in frontier areas.

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: HIV Early Intervention Services (EIS) Program - New Geographic Service Areas

<https://www.ruralcommunitytoolbox.org/funding/315>

Grants to provide outpatient primary care and support services in new geographic service areas for low-income, uninsured, rural, and underserved individuals with HIV.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Health Service (IHS)

Expert Help & Training

Indian Health Service (IHS) IT Network Operations and Support Center (NOSC)

<https://www.ruralcommunitytoolbox.org/expert-help/101>

Technical assistance for the Indian Health Service wide area network, which enables the effective use and exchange of electronic health records and information.

Information

Indian Health Service (IHS) Office of Clinical and Preventive Services (OCPS)

<https://www.ruralcommunitytoolbox.org/information/268>

Information on clinical, preventive, and public health services and programs for American Indian and Alaska Native communities provided by IHS.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell program) - Competitive

<https://www.ruralcommunitytoolbox.org/funding/149>

Grants to support personnel, training, equipment, and infrastructure costs for medical examiners and forensic pathologists conducting autopsies from opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell Program) - Formula

<https://www.ruralcommunitytoolbox.org/funding/411>

Grants for states to improve the quality and efficiency of forensic science and medical examiner/coroner services in order to address increases in opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Strengthening the Medical Examiner-Coroner System Program

<https://www.ruralcommunitytoolbox.org/funding/150>

Grant to enhance the work of medical examiners and coroners in the U.S. and recruit qualified applicants for fellowship programs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Treatment & Services

VHA Mental Health Care Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/241>

Tools to locate post-traumatic stress disorder programs, Veterans Affairs medical centers, suicide prevention coordinators, vet centers, and community mental health contacts.

Healthcare Workforce

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Delta Regional Authority (DRA)

Expert Help & Training

Delta Region Community Health Systems Development Program

<https://www.ruralcommunitytoolbox.org/expert-help/493>

Technical assistance for healthcare providers in the Delta region to strengthen local health systems and healthcare service delivery in rural communities.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Advanced Nursing Education – Sexual Assault Nurse Examiners Program (ANE-SANE)

<https://www.ruralcommunitytoolbox.org/funding/360>

Funding for local, regional, or state-level organizations to develop advanced nursing education programs to train eligible nurses as certified sexual assault nurse examiners.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Nurse Corps Loan Repayment Program (NCLRP)

<https://www.ruralcommunitytoolbox.org/funding/348>

Loan repayment for registered nurses, advanced practice registered nurses, and nurse faculty in exchange for service obligations in a critical shortage facility or nursing school.

What This Program Funds: Financial Aid for Healthcare Workforce

Behavioral Health Workforce Education and Training (BHWET) Program for Paraprofessionals

<https://www.ruralcommunitytoolbox.org/funding/506>

Grants to create and expand experiential training opportunities for paraprofessional behavioral health students and build behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program for Professionals

<https://www.ruralcommunitytoolbox.org/funding/452>

Grants to create and expand experiential training opportunities for professional behavioral health students and build the behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

National Health Service Corps Students to Service Loan Repayment Program (NHSC S2S LRP)

<https://www.ruralcommunitytoolbox.org/funding/140>

Loan repayment for students in their last year of pursuing a degree in medicine or dentistry in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Advanced Nursing Education Nurse Practitioner Residency Integration Program (ANE-NPRIP)

<https://www.ruralcommunitytoolbox.org/funding/410>

Grants to expand and enhance accredited 12-month nurse practitioner (NP) residency programs to prepare new NPs for integrated, community-based work in rural and underserved areas.

What This Program Funds: Capacity Building • Training Providers

National Health Service Corps Loan Repayment Program (NHSC LRP)

<https://www.ruralcommunitytoolbox.org/funding/138>

Loan repayment for primary care, dental, and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Scholarship Program (NHSC SP)

<https://www.ruralcommunitytoolbox.org/funding/136>

Scholarships for health professions students in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Nurse Corps Scholarship Program (Nurse Corps SP)

<https://www.ruralcommunitytoolbox.org/funding/350>

Scholarships for nursing students in exchange for service obligations at critical shortage facilities located in primary care or mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Teaching Health Center Graduate Medical Education (THCGME) Program

<https://www.ruralcommunitytoolbox.org/funding/354>

Funds medical and dental residency training programs in community-based, ambulatory patient care settings to address health professional shortages in rural and underserved areas.

What This Program Funds: Training Providers

Opioid Workforce Expansion Program (OWEP) - Professionals

<https://www.ruralcommunitytoolbox.org/funding/13>

Funding to provide advanced degree, behavioral health students with community-based training on opioid and other substance use disorder treatment, especially for rural youth.

What This Program Funds: Training Providers

Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

<https://www.ruralcommunitytoolbox.org/funding/365>

Funding to support the development, enhancement, or expansion of nurse practitioner residency programs to increase access to primary care in rural and underserved communities.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Predoctoral Pediatric Training in General Dentistry and Dental Hygiene

<https://www.ruralcommunitytoolbox.org/funding/364>

Funding to plan, develop, and operate predoctoral general dentistry or dental hygiene training programs to offer enhanced oral care to vulnerable, underserved, and rural children.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

How to Receive Medication-Assisted Treatment (MAT) Training

<https://www.ruralcommunitytoolbox.org/information/494>

Information for clinicians on how to receive free training to obtain a waiver enabling them to provide medication-assisted treatment for individuals with opioid use disorder.

HRSA Behavioral Health Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/190>

Information on grants and programs to support the development and education of the of the behavioral health workforce to meet the needs of rural and underserved populations.

HRSA Nursing Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/188>

Information on grants and programs to support the development and education of the nursing workforce to meet the needs of rural, underserved, and other vulnerable populations.

HRSA Oral Health Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/187>

Information on grants and programs to support the development and education of the oral health workforce to meet the needs of rural, underserved, and other vulnerable populations.

HRSA Primary Care Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/191>

Information on community-based training and faculty development grants and programs to support the education and training of primary care physicians and physician assistants.

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Residency Planning and Development (RRPD) Program

<https://www.ruralcommunitytoolbox.org/funding/353>

Grants to establish rural residency programs in family medicine, internal medicine, public health, preventive medicine, psychiatry, general surgery, obstetrics and gynecology.

What This Program Funds: New Program • Training Providers

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

HIV/AIDS Bureau (HAB)

Expert Help & Training

AIDS Education and Training Center Program: National Coordinating Resource Center (AETC-NCRC)

<https://www.ruralcommunitytoolbox.org/expert-help/366>

Training, technical assistance, and resources to support clinicians, clinics, and health systems provide high-quality HIV/AIDS care.

National Clinician Consultation Center (NCCC)

<https://www.ruralcommunitytoolbox.org/expert-help/367>

Training and consultation services for healthcare providers on HIV/AIDS-related topics, such as testing, prevention, treatment, and post-exposure prophylaxis.

Funding

Ryan White HIV/AIDS Program (RWHP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Maternal and Child Health Bureau (MCHB)

Expert Help & Training

Leadership Education in Neurodevelopmental and Related Disabilities (LEND)

<https://www.ruralcommunitytoolbox.org/expert-help/322>

Training for professionals in fields related to the care and treatment of children with neurodevelopmental and other related developmental disabilities.

Pediatric Mental Health Care Access Program (PMHCA)

<https://www.ruralcommunitytoolbox.org/expert-help/352>

Training, tele-consultation, technical assistance, and care coordination using telehealth for primary care providers to improve behavioral healthcare for children and youth.

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Emergency Medical Services for Children State Partnership Program (EMSC SP)

<https://www.ruralcommunitytoolbox.org/funding/301>

Grant supporting demonstration projects to improve the quality of state emergency medical services systems for children.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Treatment & Services

Sickle Cell Disease Treatment Demonstration Regional Collaborative Program

<https://www.ruralcommunitytoolbox.org/treatment-services/356>

Treatment for patients with sickle cell disease provided through five regional coordinating centers throughout the U.S.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Historically Black Colleges and Universities (HBCU) C.A.R.E.S. Center for Excellence in Behavioral Health

<https://www.ruralcommunitytoolbox.org/expert-help/396>

Provides assistance to historically black colleges and universities and students to increase the number of racial and ethnic minorities entering behavioral fields.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Marriage and Family Therapy Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/170>

Fellowship for master's and doctoral students in marriage and family therapy program to build cultural competency in mental health treatment for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Social Work Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/174>

Fellowships for master's and doctoral social work students to develop cultural competency skills in mental health and substance abuse services for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Nursing Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/171>

Fellowships for ethnic or racial minority students in master's or doctoral psychiatric, mental health, or substance abuse nursing programs.

What This Program Funds: Financial Aid for Healthcare Workforce

Psychiatry Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/172>

Fellowships for psychiatry residents to conduct innovative research projects on mental health and substance use issues for underserved ethnic and racial minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Psychology Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/181>

Fellowships for psychology students at the master's, predoctoral, and postdoctoral levels to improve the behavioral health and wellness of ethnic and racial minority groups.

What This Program Funds: Financial Aid for Healthcare Workforce

Addictions Counseling Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/176>

Fellowship for master's level addictions counseling students to develop cultural competency skills in substance use disorder counseling services for minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Mental Health Counseling Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/178>

Fellowships for master's and doctoral counseling students to develop cultural competency skills in mental health counseling services for minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 1

<https://www.ruralcommunitytoolbox.org/information/472>

Interview discussing the Sober Squad Recovery Movement model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 2

<https://www.ruralcommunitytoolbox.org/information/473>

Interview discussing the recovery cafe model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 3

<https://www.ruralcommunitytoolbox.org/information/474>

Interview discussing how a peer-led, peer-run, peer-delivered recovery model can help build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 4

<https://www.ruralcommunitytoolbox.org/information/475>

Interview discussing a peer recovery housing model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 6

<https://www.ruralcommunitytoolbox.org/information/477>

Panel discussion exploring various approaches that can serve as models for building resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

Supporting Behavioral Health Programs and Personnel During COVID-19

<https://www.ruralcommunitytoolbox.org/information/471>

Presentation on efforts to support behavioral health programming and the well-being of personnel during the COVID-19 pandemic.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell program) - Competitive

<https://www.ruralcommunitytoolbox.org/funding/149>

Grants to support personnel, training, equipment, and infrastructure costs for medical examiners and forensic pathologists conducting autopsies from opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell Program) - Formula

<https://www.ruralcommunitytoolbox.org/funding/411>

Grants for states to improve the quality and efficiency of forensic science and medical examiner/coroner services in order to address increases in opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Strengthening the Medical Examiner-Coroner System Program

<https://www.ruralcommunitytoolbox.org/funding/150>

Grant to enhance the work of medical examiners and coroners in the U.S. and recruit qualified applicants for fellowship programs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Labor

Employment and Training Administration (ETA)

Funding

H-1B Rural Healthcare Grant Program

<https://www.ruralcommunitytoolbox.org/funding/445>

Grants to establish employment and training programs to address healthcare workforce shortages and prepare individuals for work in high-skilled health occupations in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Housing and Homelessness

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

U.S. Department of Agriculture

[USDA Rural Development \(USDA RD\)](#)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Multi-Family Housing Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/419>

Loan guarantees to private-sector lenders providing financing to borrowers for the construction, acquisition, and improvement multi-family housing units in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Multi-Family Housing Direct Loans

<https://www.ruralcommunitytoolbox.org/funding/420>

Direct loans for the construction, improvement, and purchase of multi-family rental housing in rural areas for elderly people and people with disabilities, and/or low income.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Mutual Self-Help Housing Technical Assistance Grants

<https://www.ruralcommunitytoolbox.org/funding/418>

Grants to support local self-help housing construction projects that provide technical assistance to enable rural, low-income families to construct their own homes.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Single Family Housing Direct Home Loans

<https://www.ruralcommunitytoolbox.org/funding/421>

Loans and payment assistance for people with low-income in rural areas to purchase, build, repair, renovate, or relocate a home.

What This Program Funds: Buildings and Facilities • Capacity Building

Single Family Housing Guaranteed Loan Program

<https://www.ruralcommunitytoolbox.org/funding/422>

Loan guarantees to approved lenders for loans made to households with low or moderate income to purchase, build, repair, renovate, or relocate a home in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building

Information

USDA Rural Housing Service

<https://www.ruralcommunitytoolbox.org/information/263>

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Targeted Capacity Expansion – Peer-to-Peer (TCE-PTP)

<https://www.ruralcommunitytoolbox.org/funding/131>

Provides funding to recovery community organizations to expand and improve peer recovery support services for individuals with substance use disorder and their family members.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 4

Office of Community Planning and Development

Office of Rural Housing and Economic Development

Information

HUD Exchange Rural Gateway

<https://www.ruralcommunitytoolbox.org/information/11>

Information on programs, services, resources, and training to support housing and economic development in rural and underserved areas, including tribal populations and veterans.

Office of Public and Indian Housing (PIH)

Funding

Indian Housing Block Grant Program (IHBG)

<https://www.ruralcommunitytoolbox.org/funding/297>

Funding for Native American and Alaska Native communities to provide housing and housing assistance to low-income tribal residents.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Public Housing Neighborhood Networks (NN)

<https://www.ruralcommunitytoolbox.org/funding/146>

Funds to provide computers and internet access to public housing residents by creating community technology centers within public housing buildings or developments.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Hope VI Main Street Program

<https://www.ruralcommunitytoolbox.org/funding/485>

Grant to help small communities construct new housing or reconfigure existing commercial space into affordable housing as part of a Main Street revitalization project.

What This Program Funds: Buildings and Facilities

Jobs Plus Initiative

<https://www.ruralcommunitytoolbox.org/funding/484>

Grant to implement locally based employment programs that provide a financial incentive along with employment, education, and support services for residents in public housing.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Community Development Block Grant Program (ICDBG)

<https://www.ruralcommunitytoolbox.org/funding/294>

Grants for housing, public facilities, infrastructure, and economic development projects in Native American and Alaska Native communities.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Second Chance Act Pay for Success Initiative

<https://www.ruralcommunitytoolbox.org/funding/502>

Grant to assist governments in providing permanent supportive housing, recovery housing, reentry services through performance/outcomes-based contracts with service providers.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Health & Human Services

Information

What is "Ending the HIV Epidemic: A Plan for America"?

<https://www.ruralcommunitytoolbox.org/information/383>

Information on a new ten-year Department of Health and Human Services (HHS) initiative to end the HIV epidemic in the U.S., including program goals, strategies, and focus areas.

Centers for Disease Control and Prevention (CDC)

Funding

Integrated Human Immunodeficiency Virus (HIV) Surveillance and Prevention Programs for Health Departments

<https://www.ruralcommunitytoolbox.org/funding/82>

Cooperative agreement to support the implementation of comprehensive and integrated HIV surveillance and prevention programs.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Ending the HIV Epidemic: A Plan for America

<https://www.ruralcommunitytoolbox.org/information/382>

Information on a new ten-year U.S. Department of Health and Human Services initiative to end the HIV epidemic through cooperative national, state, and local interventions.

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

HIV/AIDS Bureau (HAB)

Expert Help & Training

AIDS Education and Training Center Program: National Coordinating Resource Center (AETC-NCRC)

<https://www.ruralcommunitytoolbox.org/expert-help/366>

Training, technical assistance, and resources to support clinicians, clinics, and health systems provide high-quality HIV/AIDS care.

National Clinician Consultation Center (NCCC)

<https://www.ruralcommunitytoolbox.org/expert-help/367>

Training and consultation services for healthcare providers on HIV/AIDS-related topics, such as testing, prevention, treatment, and post-exposure prophylaxis.

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Ryan White HIV/AIDS Program (RWHAP) Part C: HIV Early Intervention Services (EIS) Program - New Geographic Service Areas

<https://www.ruralcommunitytoolbox.org/funding/315>

Grants to provide outpatient primary care and support services in new geographic service areas for low-income, uninsured, rural, and underserved individuals with HIV.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

VA Pharmacy Benefits Management (PBM) Services

Information

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Expert Help & Training

VA Extension for Community Health Outcomes (ECHO) Expansion in Specialty Care

<https://www.ruralcommunitytoolbox.org/expert-help/161>

Training for providers on specialties relevant to providing healthcare services and treatment for veterans, especially those residing in rural communities

Infrastructure

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Federal Communications Commission

[Universal Service Administrative Company \(USAC\)](#)

Funding

The Rural Health Care Program

<https://www.ruralcommunitytoolbox.org/funding/89>

Financial assistance for healthcare facilities towards telecommunication expenses and network equipment to increase connectivity and access to broadband in rural areas.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

E-Rate Program: The Schools and Libraries Universal Service Support Mechanism

<https://www.ruralcommunitytoolbox.org/funding/209>

Financial assistance for schools and libraries towards eligible data transmission services, internet access, internal connections, and managed internal broadband services.

What This Program Funds: Equipment

High Cost Program - Connect America Fund

<https://www.ruralcommunitytoolbox.org/funding/91>

Financial assistance for telecommunications carriers in rural areas where the market alone cannot support the with infrastructure and network costs.

What This Program Funds: Operating Costs and Staffing

Connected Care Pilot Program

<https://www.ruralcommunitytoolbox.org/funding/470>

Funding available to healthcare providers to defray the cost of providing connected healthcare services to patients.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Community Facilities Technical Assistance and Training Grant

<https://www.ruralcommunitytoolbox.org/funding/423>

Technical assistance and training grants to help rural areas identify, plan, and provide for their essential community facility needs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Rural Economic Development Loan and Grant Program (REDLG)

<https://www.ruralcommunitytoolbox.org/funding/384>

Loans and grants through local utility organizations to help create jobs and support economic development in rural areas.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Business and Industry Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/173>

Loan guarantees for rural businesses to increase access to business capital and improve rural economies.

What This Program Funds: Buildings and Facilities • Equipment • Operating Costs and Staffing • Starting a Business

Multi-Family Housing Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/419>

Loan guarantees to private-sector lenders providing financing to borrowers for the construction, acquisition, and improvement multi-family housing units in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Community Facilities Relending Program

<https://www.ruralcommunitytoolbox.org/funding/454>

Loans to institutions that will re-lend funds to economically distressed rural areas to finance the construction or improvement of essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Grants for Rural and Native Alaskan Villages

<https://www.ruralcommunitytoolbox.org/funding/180>

Grants to provide households and businesses in rural communities or native villages in Alaska with clean, reliable drinking water and waste disposal systems.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Multi-Family Housing Direct Loans

<https://www.ruralcommunitytoolbox.org/funding/420>

Direct loans for the construction, improvement, and purchase of multi-family rental housing in rural areas for elderly people and people with disabilities, and/or low income.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Rural Broadband Access Loan and Loan Guarantee Program (Farm Bill Broadband Program)

<https://www.ruralcommunitytoolbox.org/funding/387>

Loans and loan guarantees to build, improve, or acquire the facilities and equipment necessary to deliver services at the broadband lending speed to eligible rural areas.

What This Program Funds: Buildings and Facilities • Equipment

Rural Business Development Grants (RBDG)

<https://www.ruralcommunitytoolbox.org/funding/183>

Grants for technical assistance, training, and other activities to develop and expand rural businesses with fewer than 50 new workers and less than \$1,000,000 in gross revenue.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Telecommunications Infrastructure Loans and Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/189>

Loans and loan guarantees to build, enhance, and further develop telecommunication services in rural communities to improve communications and promote economic development.

What This Program Funds: Buildings and Facilities • Capacity Building

Tribal College Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/196>

Grants for tribal colleges and universities to purchase equipment and improve infrastructure for educational facilities, and develop essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

Water and Waste Disposal Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/424>

Loan and grant funding to expand and improve water and waste treatment facilities in small, financially distressed rural communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

USDA Community Connect Grant Program

<https://www.ruralcommunitytoolbox.org/funding/175>

Grant to support the deployment of broadband in rural communities where private sector investments cannot due to economic and cost challenges.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Revolving Funds for Financing Water and Wastewater Projects

<https://www.ruralcommunitytoolbox.org/funding/425>

Grants to establish revolving loan funds to help rural communities finance the extension and improvement of water and waste disposal systems.

What This Program Funds: Capacity Building • Equipment

ReConnect Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/492>

Grants, low-interest loans, and grant-loan combinations to provide broadband service to rural communities without sufficient high-speed internet access.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

USDA Rural Housing Service

<https://www.ruralcommunitytoolbox.org/information/263>

Information on programs and funding to build or improve single- and multi-family housing and essential community facilities in rural areas.

USDA Rural Utilities Service

<https://www.ruralcommunitytoolbox.org/information/264>

Information on programs and funding to build or improve infrastructure in rural communities.

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA Planning Program and Local Technical Assistance Program

<https://www.ruralcommunitytoolbox.org/funding/25>

Cooperative agreements to help economically distressed areas, including rural and Native American communities, with resources to address their individual economic needs.

What This Program Funds: Capacity Building

U.S. Department of Health & Human Services

Funding

Rural Health Network Development Planning Program

<https://www.ruralcommunitytoolbox.org/funding/444>

Grants to assist rural communities in planning integrated healthcare networks to expand access and improve efficiency, coordination, and quality of rural health services.

What This Program Funds: Capacity Building • Equipment • Training Providers

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Capital Funding for Rural Healthcare Topic Guide

<https://www.ruralcommunitytoolbox.org/information/266>

Information, events, successful model program examples, and funding opportunities to support capital funding for rural healthcare.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

U.S. Department of Housing and Urban Development (HUD)

Expert Help & Training

ConnectHomeUSA

<https://www.ruralcommunitytoolbox.org/expert-help/7>

Service to increase opportunities and technology services to meet the educational, professional, and health needs of residents who receive housing assistance.

Information

HUD Exchange

<https://www.ruralcommunitytoolbox.org/information/298>

Information, resources, training, and support for the U.S. Department of Housing and Urban Development housing programs and services for low-income communities and individuals.

Office of Public and Indian Housing (PIH)

Funding

Indian Housing Block Grant Program (IHBG)

<https://www.ruralcommunitytoolbox.org/funding/297>

Funding for Native American and Alaska Native communities to provide housing and housing assistance to low-income tribal residents.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Public Housing Neighborhood Networks (NN)

<https://www.ruralcommunitytoolbox.org/funding/146>

Funds to provide computers and internet access to public housing residents by creating community technology centers within public housing buildings or developments.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

Indian Community Development Block Grant Program (ICDBG)

<https://www.ruralcommunitytoolbox.org/funding/294>

Grants for housing, public facilities, infrastructure, and economic development projects in Native American and Alaska Native communities.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Tribal Justice System Infrastructure Program (TJSIP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #4

<https://www.ruralcommunitytoolbox.org/funding/269>

Cooperative agreement to support the renovation and expansion of existing facilities or the development of prefabricated or permanent modular facilities for tribal justice systems.

What This Program Funds: Buildings and Facilities

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell program) - Competitive

<https://www.ruralcommunitytoolbox.org/funding/149>

Grants to support personnel, training, equipment, and infrastructure costs for medical examiners and forensic pathologists conducting autopsies from opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell Program) - Formula

<https://www.ruralcommunitytoolbox.org/funding/411>

Grants for states to improve the quality and efficiency of forensic science and medical examiner/coroner services in order to address increases in opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Strengthening the Medical Examiner-Coroner System Program

<https://www.ruralcommunitytoolbox.org/funding/150>

Grant to enhance the work of medical examiners and coroners in the U.S. and recruit qualified applicants for fellowship programs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

U.S. Department of Transportation

Federal Transit Administration (FTA)

Funding

Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310)

<https://www.ruralcommunitytoolbox.org/funding/302>

Formula grants to enhance mobility and increase access to transportation services for seniors and people with disabilities, including suffering from drug addiction.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Formula Grants for Rural Areas

<https://www.ruralcommunitytoolbox.org/funding/80>

Formula grants to states and tribes to assist with supporting, maintaining, and expanding upon current public transit services in rural communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Public Transportation on Indian Reservations Program (Tribal Transit Program)

<https://www.ruralcommunitytoolbox.org/funding/416>

Grants to Native American tribes for public transit services in rural tribal areas, including planning, operating, and capital expenses to meet public transportation needs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Justice System

State Justice Institute (SJI)

Funding

State Justice Institute (SJI) Quarterly Grant Program

<https://www.ruralcommunitytoolbox.org/funding/487>

Grants to improve the functioning of state courts, including responses to opioids, other drugs, SUD/co-occurring mental health disorders, and behavioral health disparities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Court Pandemic Response and Recovery Grant Program

<https://www.ruralcommunitytoolbox.org/funding/453>

Grants to assist state courts in their response to and recovery from the COVID-19 pandemic, focusing on the future of state court operations.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

[USDA Rural Development \(USDA RD\)](#)

Funding

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Information

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Combating Opioid Overdose Through Community-Level Intervention (COOCLI)

<https://www.ruralcommunitytoolbox.org/funding/257>

Grants to conduct and evaluates innovative approaches to reduce opioid and stimulant overdose and build partnerships between law enforcement and public health agencies.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

SAMHSA Criminal and Juvenile Justice Programs

<https://www.ruralcommunitytoolbox.org/information/309>

Information on programs and resources to address the challenges justice system-involved individuals face when seeking treatment for mental illness and substance use disorders.

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Expert Help & Training

Center for Court Innovation

<https://www.ruralcommunitytoolbox.org/expert-help/450>

Technical assistance for organizations and individuals to develop, implement, and evaluate new policies, programs, practices, and technologies to reform the justice system.

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Second Chance Act Pay for Success Initiative

<https://www.ruralcommunitytoolbox.org/funding/502>

Grant to assist governments in providing permanent supportive housing, recovery housing, reentry services through performance/outcomes-based contracts with service providers.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Tribal Justice System Infrastructure Program (TJSIP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #4

<https://www.ruralcommunitytoolbox.org/funding/269>

Cooperative agreement to support the renovation and expansion of existing facilities or the development of prefabricated or permanent modular facilities for tribal justice systems.

What This Program Funds: Buildings and Facilities

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Strengthening the Medical Examiner-Coroner System Program

<https://www.ruralcommunitytoolbox.org/funding/150>

Grant to enhance the work of medical examiners and coroners in the U.S. and recruit qualified applicants for fellowship programs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Innovations in Supervision Initiative: Building Capacity to Create Safer Communities

<https://www.ruralcommunitytoolbox.org/funding/501>

Grant to build capacity and enhance the quality and effectiveness of parole and probation agencies to reduce recidivism, crime, and violence.

What This Program Funds: Capacity Building

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

Second Chance Act Grant Program

<https://www.ruralcommunitytoolbox.org/information/313>

Information on the Second Change Act grant programs to reduce recidivism and improve outcomes for individuals who have been incarcerated.

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Expert Help & Training

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children

<https://www.ruralcommunitytoolbox.org/funding/496>

Grant to promote and expand services in detention and correctional facilities to incarcerated individuals and their minor children.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Juvenile Tribal Healing to Wellness Courts - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #8

<https://www.ruralcommunitytoolbox.org/funding/19>

Cooperative agreement to develop new or expand existing juvenile healing to wellness courts to respond to substance use related issues of youth under the age of 21.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Gang Suppression Implementation Grants Program

<https://www.ruralcommunitytoolbox.org/funding/236>

Grants to help communities and law enforcement promote public safety by preventing and reducing youth-related gang involvement, violence, crime, and victimization.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Gang Suppression: A Law Enforcement and Prosecutorial Approach to Address Gang Recruitment of Unaccompanied Alien Children

<https://www.ruralcommunitytoolbox.org/funding/153>

Cooperative agreement to increase the capacity of law enforcement agencies to reduce violence, gang-related crime, and delinquency and victimization by youth.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

OJJDP Mentoring Program

<https://www.ruralcommunitytoolbox.org/information/247>

Information about opportunities and resources related to youth mentoring, including relevant research, programmatic grants, training and technical assistance, and publications.

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Treatment & Services

Health Care for Re-Entry Veterans (HCRV) Services and Resources

<https://www.ruralcommunitytoolbox.org/treatment-services/248>

Service to help veterans avoid homelessness and be successful following release from incarceration. Offers outreach, assessments, case management support, and referral services.

Veterans Justice Outreach Program (VJO)

<https://www.ruralcommunitytoolbox.org/treatment-services/252>

Service offering veterans with outreach, assessment, and case management to prevent homelessness and criminalization due to unmet mental health needs.

Medication-Assisted Treatment (MAT)

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Centers for Medicare & Medicaid Services (CMS)

Information

Medicare Coverage of Services in Opioid Treatment Programs

<https://www.ruralcommunitytoolbox.org/information/370>

Information about a new benefit that covers opioid use disorder treatment services provided by certified opioid treatment programs for people with Medicare Part B.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Information

How to Receive Medication-Assisted Treatment (MAT) Training

<https://www.ruralcommunitytoolbox.org/information/494>

Information for clinicians on how to receive free training to obtain a waiver enabling them to provide medication-assisted treatment for individuals with opioid use disorder.

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Information

SAMHSA Medication-Assisted Treatment (MAT) Programs

<https://www.ruralcommunitytoolbox.org/information/336>

Information on medication-assisted treatment and on opioid treatment programs. Describes the SUPPORT Act and provides information and training resources.

Treatment & Services

FindTreatment.gov

<https://www.ruralcommunitytoolbox.org/treatment-services/449>

Directory of state-licensed providers across the U.S. specializing in the treatment of substance use disorders (SUD), addiction, and mental illness.

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Labor

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Summary of VA Treatment Programs for Substance Use Problems

<https://www.ruralcommunitytoolbox.org/information/203>

Information on treatment options for veterans experiencing substance use issues, including opioids, alcohol, and tobacco.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Medications for Opioid Use Disorder (OUD)

<https://www.ruralcommunitytoolbox.org/information/198>

Information on methadone, buprenorphine, and naltrexone and how they are used to provide medication-assisted treatment for opioid use disorder.

Mental Health

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

State Justice Institute (SJI)

Funding

State Justice Institute (SJI) Quarterly Grant Program

<https://www.ruralcommunitytoolbox.org/funding/487>

Grants to improve the functioning of state courts, including responses to opioids, other drugs, SUD/co-occurring mental health disorders, and behavioral health disparities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Farm and Ranch Stress Assistance Network (FRSAN)

<https://www.ruralcommunitytoolbox.org/funding/389>

Grant to establish four regional networks that connect individuals in farming, ranching, and other agricultural occupations to stress assistance programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

Project Prevent Grant Program

<https://www.ruralcommunitytoolbox.org/funding/57>

Grants for local educational agencies to create school-based programs to help students affected by exposure to violence

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Behavioral Health Workforce Education and Training (BHWET) Program for Paraprofessionals

<https://www.ruralcommunitytoolbox.org/funding/506>

Grants to create and expand experiential training opportunities for paraprofessional behavioral health students and build behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program for Professionals

<https://www.ruralcommunitytoolbox.org/funding/452>

Grants to create and expand experiential training opportunities for professional behavioral health students and build the behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Nurse Practitioner Residency Integration Program (ANE-NPRIP)

<https://www.ruralcommunitytoolbox.org/funding/410>

Grants to expand and enhance accredited 12-month nurse practitioner (NP) residency programs to prepare new NPs for integrated, community-based work in rural and underserved areas.

What This Program Funds: Capacity Building • Training Providers

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Opioid Workforce Expansion Program (OWEP) - Professionals

<https://www.ruralcommunitytoolbox.org/funding/13>

Funding to provide advanced degree, behavioral health students with community-based training on opioid and other substance use disorder treatment, especially for rural youth.

What This Program Funds: Training Providers

Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

<https://www.ruralcommunitytoolbox.org/funding/365>

Funding to support the development, enhancement, or expansion of nurse practitioner residency programs to increase access to primary care in rural and underserved communities.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Residency Planning and Development (RRPD) Program

<https://www.ruralcommunitytoolbox.org/funding/353>

Grants to establish rural residency programs in family medicine, internal medicine, public health, preventive medicine, psychiatry, general surgery, obstetrics and gynecology.

What This Program Funds: New Program • Training Providers

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Mental Health in Rural Communities Toolkit

<https://www.ruralcommunitytoolbox.org/information/267>

Toolkit on evidence-based and promising models and related resources to implement, evaluate, and sustain mental health programs in rural communities.

Rural Health Research Center Publications on Mental and Behavioral Health

<https://www.ruralcommunitytoolbox.org/information/251>

Research publications, findings, webinars, and resources on mental and behavioral health in rural areas from federally-funded Rural Health Research Centers.

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

Rural Suicide Prevention Toolkit

<https://www.ruralcommunitytoolbox.org/information/290>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain suicide prevention programs in rural communities.

Violence and Abuse in Rural America Topic Guide

<https://www.ruralcommunitytoolbox.org/information/273>

Information, events, successful model program examples, and funding opportunities related to violence and abuse in rural areas.

HIV/AIDS Bureau (HAB)

Expert Help & Training

AIDS Education and Training Center Program: National Coordinating Resource Center (AETC-NCRC)

<https://www.ruralcommunitytoolbox.org/expert-help/366>

Training, technical assistance, and resources to support clinicians, clinics, and health systems provide high-quality HIV/AIDS care.

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Maternal and Child Health Bureau (MCHB)

Expert Help & Training

Pediatric Mental Health Care Access Program (PMHCA)

<https://www.ruralcommunitytoolbox.org/expert-help/352>

Training, tele-consultation, technical assistance, and care coordination using telehealth for primary care providers to improve behavioral healthcare for children and youth.

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Information

National Survey of Children's Health (NSCH)

<https://www.ruralcommunitytoolbox.org/information/316>

Information on an annual national and state-level survey on the health of children in the U.S. and factors related to the well-being of children, their families, and communities.

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Behavioral Health Fact Sheet

<https://www.ruralcommunitytoolbox.org/information/265>

Fact sheet on Indian Health Service behavioral health services for American Indian and Alaska Native communities.

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Treatment & Services

Indian Health Service (IHS) Division of Behavioral Health (DBH) Mental Health Program

<https://www.ruralcommunitytoolbox.org/treatment-services/10>

Treatment for comprehensive mental health services for American Indian and Alaska Native individuals and families.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Historically Black Colleges and Universities (HBCU) C.A.R.E.S. Center for Excellence in Behavioral Health

<https://www.ruralcommunitytoolbox.org/expert-help/396>

Provides assistance to historically black colleges and universities and students to increase the number of racial and ethnic minorities entering behavioral fields.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

National Network to Eliminate Disparities in Behavioral Health (NNED)

<https://www.ruralcommunitytoolbox.org/expert-help/328>

Training and technical assistance to eliminate behavioral health disparities and reduce mental health and substance use issues for minorities.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Marriage and Family Therapy Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/170>

Fellowship for master's and doctoral students in marriage and family therapy program to build cultural competency in mental health treatment for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Social Work Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/174>

Fellowships for master's and doctoral social work students to develop cultural competency skills in mental health and substance abuse services for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Nursing Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/171>

Fellowships for ethnic or racial minority students in master's or doctoral psychiatric, mental health, or substance abuse nursing programs.

What This Program Funds: Financial Aid for Healthcare Workforce

Psychiatry Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/172>

Fellowships for psychiatry residents to conduct innovative research projects on mental health and substance use issues for underserved ethnic and racial minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Psychology Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/181>

Fellowships for psychology students at the master's, predoctoral, and postdoctoral levels to improve the behavioral health and wellness of ethnic and racial minority groups.

What This Program Funds: Financial Aid for Healthcare Workforce

Addictions Counseling Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/176>

Fellowship for master's level addictions counseling students to develop cultural competency skills in substance use disorder counseling services for minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Mental Health Counseling Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/178>

Fellowships for master's and doctoral counseling students to develop cultural competency skills in mental health counseling services for minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<http://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Community Mental Health Services Block Grant (MHBG)

<https://www.ruralcommunitytoolbox.org/funding/327>

Block grant funding to provide comprehensive community mental health services for adults with serious mental illnesses and children with serious emotional disturbances.

What This Program Funds: New Program • Operating Costs and Staffing

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

Center for Behavioral Health Statistics and Quality (CBHSQ)

<https://www.ruralcommunitytoolbox.org/information/239>

Serves as the lead federal agency for behavioral health statistics in the U.S.

National Prevention Week (NPW)

<https://www.ruralcommunitytoolbox.org/information/338>

Information on a week-long event dedicated to promoting public awareness of mental and substance use disorders.

National Recovery Month

<https://www.ruralcommunitytoolbox.org/information/337>

Information on a month-long event held every September to promote public awareness and knowledge of mental illness and substance use disorders, and celebrate those in recovery.

SAMHSA Behavioral Health Equity Program (BHEP)

<https://www.ruralcommunitytoolbox.org/information/343>

Details SAMHSA-supported services and resources to promote behavioral health equity and remove barriers to mental illness and substance use prevention and treatment services.

SAMHSA Criminal and Juvenile Justice Programs

<https://www.ruralcommunitytoolbox.org/information/309>

Information on programs and resources to address the challenges justice system-involved individuals face when seeking treatment for mental illness and substance use disorders.

SAMHSA Data and Dissemination

<https://www.ruralcommunitytoolbox.org/information/334>

Information and data on various aspects of behavioral health, including substance use and mental health treatment services.

SAMHSA Disaster Preparedness, Response, and Recovery Programs

<https://www.ruralcommunitytoolbox.org/information/305>

Information on programs and resources to meet the behavioral health needs of communities and responders while they prepare, respond, and recover from disasters.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Faith-Based and Community Initiatives (FBCI)

<https://www.ruralcommunitytoolbox.org/information/342>

Information to support partnerships between faith-based and community organizations and federal programs to prevent and treat substance abuse and provide mental health services.

SAMHSA Grant Awards by State

<https://www.ruralcommunitytoolbox.org/information/331>

Interactive map showing formula and discretionary funding amounts and detailed summaries for Substance Abuse and Mental Health Services Administration grants.

SAMHSA Homelessness Programs and Resources

<https://www.ruralcommunitytoolbox.org/information/341>

Information on programs and resources designed to prevent and end homelessness among men, women, youth, and families with mental or substance use disorders.

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

Supporting Behavioral Health Programs and Personnel During COVID-19

<https://www.ruralcommunitytoolbox.org/information/471>

Presentation on efforts to support behavioral health programming and the well-being of personnel during the COVID-19 pandemic.

Treatment & Services

FindTreatment.gov

<https://www.ruralcommunitytoolbox.org/treatment-services/449>

Directory of state-licensed providers across the U.S. specializing in the treatment of substance use disorders (SUD), addiction, and mental illness.

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

U.S. Department of Housing and Urban Development (HUD)

Office of Public and Indian Housing (PIH)

Funding

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Labor

Office of Disability Employment Policy (ODEP)

Information

EARN's Mental Health Toolkit

<https://www.ruralcommunitytoolbox.org/information/375>

Information, tools and resources for employers seeking to create a mental health-friendly workplace.

U.S. Department of Veterans Affairs

Treatment & Services

Veterans Crisis Line

<https://www.ruralcommunitytoolbox.org/treatment-services/194>

Hotline for free and confidential support for veterans and others in crisis. Call 1-800-273-8255 and press 1 or text 838255 to get help. Available 24 hours a day, 7 days a week.

Veterans Health Administration (VHA)

Expert Help & Training

Community Clergy Training Program to Support Rural Veterans Mental Health (CCTP)

<https://www.ruralcommunitytoolbox.org/expert-help/3>

Training for clergy members, spiritual leaders, and faith communities in rural communities on the various mental health issues faced by veterans.

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Summary of VA Treatment Programs for Substance Use Problems

<https://www.ruralcommunitytoolbox.org/information/203>

Information on treatment options for veterans experiencing substance use issues, including opioids, alcohol, and tobacco.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

VA Whole Health

<https://www.ruralcommunitytoolbox.org/information/223>

Information on a patient-centered approach to healthcare that supports veterans' overall physical, mental, and emotional health and wellness.

Treatment & Services

Health Care for Re-Entry Veterans (HCRV) Services and Resources

<https://www.ruralcommunitytoolbox.org/treatment-services/248>

Service to help veterans avoid homelessness and be successful following release from incarceration. Offers outreach, assessments, case management support, and referral services.

Veterans Justice Outreach Program (VJO)

<https://www.ruralcommunitytoolbox.org/treatment-services/252>

Service offering veterans with outreach, assessment, and case management to prevent homelessness and criminalization due to unmet mental health needs.

VHA Mental Health Care Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/241>

Tools to locate post-traumatic stress disorder programs, Veterans Affairs medical centers, suicide prevention coordinators, vet centers, and community mental health contacts.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Information

VA Rural Health Enterprise-Wide Initiatives

<https://www.ruralcommunitytoolbox.org/information/62>

Information on enterprise-wide initiatives currently supported by the Veterans Health Administration Office of Rural Health.

Treatment & Services

VA Telehealth Clinical Resource Hubs (CRH)

<https://www.ruralcommunitytoolbox.org/treatment-services/102>

Service to increase access to mental healthcare and treatment for rural, Native American, and other veteran populations in underserved communities or who face barriers to care.

Vets Prevail

<https://www.ruralcommunitytoolbox.org/treatment-services/67>

Service offering subscription based cognitive behavioral therapy services for veterans. Service free to veterans.

Methamphetamine

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Office for Victims of Crimes (OVC)

Funding

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Information

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

U.S. Department of Health & Human Services

Information

First Responders Can Safely Administer Naloxone During the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/447>

Information for law enforcement and first responders on how to take universal safety precautions to reduce the risk of exposure to COVID-19 and safely administer naloxone.

Centers for Disease Control and Prevention (CDC)

Funding

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Lessons Learned from the Rural Opioid Overdose Reversal Program

<https://www.ruralcommunitytoolbox.org/information/270>

Information on the challenges, successes, and lessons learned from Rural Opioid Overdose Reversal Program grant recipients and related program resources.

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Information

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

SAMHSA Medication and Counseling Treatment: Naloxone

<https://www.ruralcommunitytoolbox.org/information/323>

Information on naloxone and the medication's side effects, opioid overdoses, and efforts to expand naloxone use.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

MyHealtheVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

VA Pharmacy Benefits Management (PBM) Services

Information

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps VISTA for Individuals

<https://www.ruralcommunitytoolbox.org/funding/202>

Service opportunity for individuals focused on building capacity and sustainability and decreasing poverty through community programs, activities, and services.

What This Program Funds: Capacity Building

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Appalachian Regional Commission (ARC)

Funding

Investments Supporting Partnerships in Recovery Ecosystems Initiative (INSPIRE)

<https://www.ruralcommunitytoolbox.org/funding/456>

Grant to establish recovery ecosystems in Appalachian communities to help individuals in recovery from substance use disorder to obtain and maintain employment.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

State Justice Institute (SJI)

Funding

State Justice Institute (SJI) Quarterly Grant Program

<https://www.ruralcommunitytoolbox.org/funding/487>

Grants to improve the functioning of state courts, including responses to opioids, other drugs, SUD/co-occurring mental health disorders, and behavioral health disparities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Community Assessment Tool: Drug Overdose Deaths in the United States

<https://www.ruralcommunitytoolbox.org/information/363>

Interactive map that provides state and county-level data on the rates of drug overdose deaths in the U.S. along with related social and economic demographic information.

Funding Support to Help Address Opioid Misuse in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/491>

Information on topics to address rural opioid misuse for which funding is available through USDA Rural Development programs.

How Can USDA Help Address the Opioid Epidemic?

<https://www.ruralcommunitytoolbox.org/information/489>

Infographic showing areas addressed by USDA Rural Development resources to help rural communities combat the opioid epidemic.

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

Resources for Substance Use Disorder and Opioid Misuse Prevention, Treatment, and Recovery

<https://www.ruralcommunitytoolbox.org/information/490>

Information on USDA Rural Development programs to address substance use disorder and opioid misuse in rural communities.

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

USDA Rural Opioid Roundtable in Bangor, Maine

<https://www.ruralcommunitytoolbox.org/information/459>

Video recording of a July 10, 2018 roundtable discussion on the opioid crisis in rural New England focusing on prevention, treatment, and access to treatment.

USDA Rural Opioid Roundtable in Berea, Kentucky

<https://www.ruralcommunitytoolbox.org/information/461>

Video recording of a May 9, 2018 roundtable on the opioid crisis in rural Kentucky.

USDA Rural Opioid Roundtable in El Reno, Oklahoma

<https://www.ruralcommunitytoolbox.org/information/460>

Video recording of a June 6, 2018 roundtable discussion on the opioid crisis in rural Oklahoma.

USDA Rural Opioid Roundtable in Middletown, Pennsylvania

<https://www.ruralcommunitytoolbox.org/information/462>

Video recording of a March 14, 2018 roundtable on the opioid crisis in rural Pennsylvania hosted by the U.S. Department of Agriculture (USDA) Rural Development.

USDA Rural Opioid Roundtable in Salt Lake City, Utah

<https://www.ruralcommunitytoolbox.org/information/463>

Video recording of an April 11, 2018 roundtable on the opioid crisis in rural Utah hosted by the U.S. Department of Agriculture (USDA) Rural Development.

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Funding

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/226>

Information and resources for schools to provide services, support, and interventions to address opioid and substance misuse for students and their families

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Combating Opioid Overdose Through Community-Level Intervention (COOCLI)

<https://www.ruralcommunitytoolbox.org/funding/257>

Grants to conduct and evaluates innovative approaches to reduce opioid and stimulant overdose and build partnerships between law enforcement and public health agencies.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Data to Action

<https://www.ruralcommunitytoolbox.org/funding/238>

Cooperative agreement for state and local opioid overdose surveillance programs and related opioid prevention and response activities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

CDC Guideline for Prescribing Opioids for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/117>

Information on the safe and effective prescription of opioids to treat chronic pain in a primary care setting.

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Local Response to Public Health Emergencies: Focus on the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/240>

Information on a pilot project to reduce opioid overdose by strengthening collaboration among local health departments and state and local partners.

Opioid Overdose Prevention for States Microsite

<https://www.ruralcommunitytoolbox.org/information/242>

Information on how to install a free, customizable version of the Centers for Disease Control and Prevention's opioid overdose website on other websites to share information.

Rx Awareness Campaign

<https://www.ruralcommunitytoolbox.org/information/60>

Information and resources to help states and local communities building media campaigns to increase awareness and educate the public on the dangers of prescription opioids.

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Centers for Medicare & Medicaid Services (CMS)

Information

CMS Letter to State Medicaid Directors: Leveraging Medicaid Technology to Address the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/79>

Letter summarizing information and strategies for states to combat the opioid crisis using technology and potential funding opportunities for these efforts.

CMS Letter to State Medicaid Directors: Strategies to Address the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/76>

Letter announcing new treatment and prevention strategies to improve healthcare quality, availability, and outcomes for Medicaid recipients with opioid and substance use disorders.

CMS Opioid Prescribing Mapping Tools

<https://www.ruralcommunitytoolbox.org/information/368>

Interactive mapping tools providing current data on Medicaid and Medicare Part D opioid prescribing rates across the country.

CMS Roadmap: Strategy to Fight the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/2>

Information on Centers for Medicare & Medicaid Services activities address the opioid epidemic related to prevention, treatment, and data.

Medicare Coverage of Services in Opioid Treatment Programs

<https://www.ruralcommunitytoolbox.org/information/370>

Information about a new benefit that covers opioid use disorder treatment services provided by certified opioid treatment programs for people with Medicare Part B.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Opioid Workforce Expansion Program (OWEP) - Professionals

<https://www.ruralcommunitytoolbox.org/funding/13>

Funding to provide advanced degree, behavioral health students with community-based training on opioid and other substance use disorder treatment, especially for rural youth.

What This Program Funds: Training Providers

Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

<https://www.ruralcommunitytoolbox.org/funding/365>

Funding to support the development, enhancement, or expansion of nurse practitioner residency programs to increase access to primary care in rural and underserved communities.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

How to Receive Medication-Assisted Treatment (MAT) Training

<https://www.ruralcommunitytoolbox.org/information/494>

Information for clinicians on how to receive free training to obtain a waiver enabling them to provide medication-assisted treatment for individuals with opioid use disorder.

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

University of Rochester Medicine Recovery Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/408>

Technical assistance to rural communities to address substance use disorder and synthetic opioids with special focus on high-need Appalachian counties.

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Rural Response to the Opioid Crisis Topic Guide

<https://www.ruralcommunitytoolbox.org/information/271>

Information, events, successful model program examples, and funding opportunities to support efforts to address the opioid crisis in rural areas.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Opioid Response Network State Targeted Response Technical Assistance (STR-TA) Consortium

<https://www.ruralcommunitytoolbox.org/expert-help/339>

Technical assistance, training, and education for communities related to evidence-based practices for opioid use disorder prevention, treatment, and recovery services.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Information

Office-Based Opioid Treatment Management and COVID-19

<https://www.ruralcommunitytoolbox.org/information/455>

Presentation on the challenges, best practices, and alternative methods of providing opioid and substance use disorder treatment with COVID-19 restrictions.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Medication-Assisted Treatment (MAT) Programs

<https://www.ruralcommunitytoolbox.org/information/336>

Information on medication-assisted treatment and on opioid treatment programs. Describes the SUPPORT Act and provides information and training resources.

Treatment & Services

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Harold Rogers Prescription Drug Monitoring Program (PDMP)

<https://www.ruralcommunitytoolbox.org/funding/405>

Grants for state and local governments to implement and enhance prescription drug monitoring programs to ensure safe prescribing and prevent the misuse of prescription drugs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell program) - Competitive

<https://www.ruralcommunitytoolbox.org/funding/149>

Grants to support personnel, training, equipment, and infrastructure costs for medical examiners and forensic pathologists conducting autopsies from opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell Program) - Formula

<https://www.ruralcommunitytoolbox.org/funding/411>

Grants for states to improve the quality and efficiency of forensic science and medical examiner/coroner services in order to address increases in opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

Office for Victims of Crimes (OVC)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Juvenile Tribal Healing to Wellness Courts - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #8

<https://www.ruralcommunitytoolbox.org/funding/19>

Cooperative agreement to develop new or expand existing juvenile healing to wellness courts to respond to substance use related issues of youth under the age of 21.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Labor

Employment and Training Administration (ETA)

Funding

Workforce Opportunity for Rural Communities (WORC) Initiative

<https://www.ruralcommunitytoolbox.org/funding/415>

Grants for workforce development projects in the Appalachian and Delta regions to prepare workers for high-demand jobs and address the effects of opioid use on the workforce.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

New Federal Employees' Compensation Act (FECA) Policy on Opioid Medications

<https://www.ruralcommunitytoolbox.org/information/158>

Policy governing the prescription of opioids for federal employees receiving workers' compensation coverage.

Opioid Policy Four-Point Strategic Plan to Protect Federal Injured Workers

<https://www.ruralcommunitytoolbox.org/information/205>

Policy and strategic plan to protect injured federal workers from the risk of opioid misuse and addiction.

U.S. Department of Labor Women's Bureau

Funding

Re-Employment, Support, and Training for the Opioid Related Epidemic (RESTORE) Grant Program

<https://www.ruralcommunitytoolbox.org/funding/380>

Funding to provide employment training, career services, and supportive services to women directly or indirectly affected by the opioid crisis.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Transportation

Federal Transit Administration (FTA)

Funding

Mobility for All Pilot Program Grants

<https://www.ruralcommunitytoolbox.org/funding/300>

Grant to improve transportation services and coordinate access to essential community services for older adults, people with disabilities, and individuals with low income.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for Opioid Therapy for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/215>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for chronic pain patients.

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

MyHealthVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Summary of VA Treatment Programs for Substance Use Problems

<https://www.ruralcommunitytoolbox.org/information/203>

Information on treatment options for veterans experiencing substance use issues, including opioids, alcohol, and tobacco.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Fentanyl and Carfentanil

<https://www.ruralcommunitytoolbox.org/information/255>

Information on fentanyl and carfentanil and the strength of these potent synthetic opioids.

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

Medications for Opioid Use Disorder (OUD)

<https://www.ruralcommunitytoolbox.org/information/198>

Information on methadone, buprenorphine, and naltrexone and how they are used to provide medication-assisted treatment for opioid use disorder.

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

Pain: New Ways to Treat a Common Problem, Patient Guide

<https://www.ruralcommunitytoolbox.org/information/199>

Information on acute and chronic pain, including pain management strategies and treatments.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

Overdose Prevention

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Information

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

U.S. Department of Health & Human Services

Information

First Responders Can Safely Administer Naloxone During the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/447>

Information for law enforcement and first responders on how to take universal safety precautions to reduce the risk of exposure to COVID-19 and safely administer naloxone.

Centers for Disease Control and Prevention (CDC)

Funding

Combating Opioid Overdose Through Community-Level Intervention (COOCLI)

<https://www.ruralcommunitytoolbox.org/funding/257>

Grants to conduct and evaluates innovative approaches to reduce opioid and stimulant overdose and build partnerships between law enforcement and public health agencies.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Data to Action

<https://www.ruralcommunitytoolbox.org/funding/238>

Cooperative agreement for state and local opioid overdose surveillance programs and related opioid prevention and response activities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

Dashboard on Drug Poisoning Mortality in the United States, 1999-2018

<https://www.ruralcommunitytoolbox.org/information/261>

Data visualizations showing national, state, and county drug poisoning mortality rates in the U.S. from 1999 to 2018.

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Local Response to Public Health Emergencies: Focus on the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/240>

Information on a pilot project to reduce opioid overdose by strengthening collaboration among local health departments and state and local partners.

Opioid Overdose Prevention for States Microsite

<https://www.ruralcommunitytoolbox.org/information/242>

Information on how to install a free, customizable version of the Centers for Disease Control and Prevention's opioid overdose website on other websites to share information.

Overdose Response Strategy (ORS)

<https://www.ruralcommunitytoolbox.org/information/259>

Information on a program to increase data-sharing activities between agencies across eleven High Intensity Drug Trafficking Areas to reduce drug overdoses.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Lessons Learned from the Rural Opioid Overdose Reversal Program

<https://www.ruralcommunitytoolbox.org/information/270>

Information on the challenges, successes, and lessons learned from Rural Opioid Overdose Reversal Program grant recipients and related program resources.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Information

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

SAMHSA Medication and Counseling Treatment: Naloxone

<https://www.ruralcommunitytoolbox.org/information/323>

Information on naloxone and the medication's side effects, opioid overdoses, and efforts to expand naloxone use.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

MyHealthVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

VA Pharmacy Benefits Management (PBM) Services

Information

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

Pain Management and Opioid Prescribing

U.S. Department of Health & Human Services

[Centers for Disease Control and Prevention \(CDC\)](#)

Funding

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Data to Action

<https://www.ruralcommunitytoolbox.org/funding/238>

Cooperative agreement for state and local opioid overdose surveillance programs and related opioid prevention and response activities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

CDC Guideline for Prescribing Opioids for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/117>

Information on the safe and effective prescription of opioids to treat chronic pain in a primary care setting.

Local Response to Public Health Emergencies: Focus on the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/240>

Information on a pilot project to reduce opioid overdose by strengthening collaboration among local health departments and state and local partners.

Opioid Overdose Prevention for States Microsite

<https://www.ruralcommunitytoolbox.org/information/242>

Information on how to install a free, customizable version of the Centers for Disease Control and Prevention's opioid overdose website on other websites to share information.

Rx Awareness Campaign

<https://www.ruralcommunitytoolbox.org/information/60>

Information and resources to help states and local communities building media campaigns to increase awareness and educate the public on the dangers of prescription opioids.

Centers for Medicare & Medicaid Services (CMS)

Information

CMS Letter to State Medicaid Directors: Leveraging Medicaid Technology to Address the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/79>

Letter summarizing information and strategies for states to combat the opioid crisis using technology and potential funding opportunities for these efforts.

CMS Letter to State Medicaid Directors: Strategies to Address the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/76>

Letter announcing new treatment and prevention strategies to improve healthcare quality, availability, and outcomes for Medicaid recipients with opioid and substance use disorders.

CMS Opioid Prescribing Mapping Tools

<https://www.ruralcommunitytoolbox.org/information/368>

Interactive mapping tools providing current data on Medicaid and Medicare Part D opioid prescribing rates across the country.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Harold Rogers Prescription Drug Monitoring Program (PDMP)

<https://www.ruralcommunitytoolbox.org/funding/405>

Grants for state and local governments to implement and enhance prescription drug monitoring programs to ensure safe prescribing and prevent the misuse of prescription drugs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Labor

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

New Federal Employees' Compensation Act (FECA) Policy on Opioid Medications

<https://www.ruralcommunitytoolbox.org/information/158>

Policy governing the prescription of opioids for federal employees receiving workers' compensation coverage.

Opioid Policy Four-Point Strategic Plan to Protect Federal Injured Workers

<https://www.ruralcommunitytoolbox.org/information/205>

Policy and strategic plan to protect injured federal workers from the risk of opioid misuse and addiction.

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for Opioid Therapy for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/215>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for chronic pain patients.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

Pain: New Ways to Treat a Common Problem, Patient Guide

<https://www.ruralcommunitytoolbox.org/information/199>

Information on acute and chronic pain, including pain management strategies and treatments.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Expert Help & Training

VA Extension for Community Health Outcomes (ECHO) Expansion in Specialty Care

<https://www.ruralcommunitytoolbox.org/expert-help/161>

Training for providers on specialties relevant to providing healthcare services and treatment for veterans, especially those residing in rural communities

Treatment & Services

VA Telehealth Clinical Resource Hubs (CRH)

<https://www.ruralcommunitytoolbox.org/treatment-services/102>

Service to increase access to mental healthcare and treatment for rural, Native American, and other veteran populations in underserved communities or who face barriers to care.

Parents, Families, and Children

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Children, Youth, and Families at Risk (CYFAR) Sustainable Community Projects

<https://www.ruralcommunitytoolbox.org/funding/390>

Grants for land-grant colleges and universities to enhance the quality and quantity of comprehensive community-based programs for at-risk children, youth, and families.

What This Program Funds: New Program • Operating Costs and Staffing

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Predoctoral Pediatric Training in General Dentistry and Dental Hygiene

<https://www.ruralcommunitytoolbox.org/funding/364>

Funding to plan, develop, and operate predoctoral general dentistry or dental hygiene training programs to offer enhanced oral care to vulnerable, underserved, and rural children.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Maternal and Child Health Bureau (MCHB)

Expert Help & Training

Leadership Education in Neurodevelopmental and Related Disabilities (LEND)

<https://www.ruralcommunitytoolbox.org/expert-help/322>

Training for professionals in fields related to the care and treatment of children with neurodevelopmental and other related developmental disabilities.

Pediatric Mental Health Care Access Program (PMHCA)

<https://www.ruralcommunitytoolbox.org/expert-help/352>

Training, tele-consultation, technical assistance, and care coordination using telehealth for primary care providers to improve behavioral healthcare for children and youth.

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Information

National Survey of Children's Health (NSCH)

<https://www.ruralcommunitytoolbox.org/information/316>

Information on an annual national and state-level survey on the health of children in the U.S. and factors related to the well-being of children, their families, and communities.

Title V Maternal and Child Health Services Block Grant Program

<https://www.ruralcommunitytoolbox.org/information/299>

Information on the Title V Maternal Child Health Services Block Grant that works to support and improve the health and well-being of mothers, children, and families.

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Sickle Cell Disease Newborn Screening Follow-Up Program

<https://www.ruralcommunitytoolbox.org/treatment-services/318>

Treatment offered through local community-based organizations located in 16 states for individuals diagnosed with sick cell disease and sickle cell trait.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

National Institutes of Health

National Institute on Drug Abuse (NIDA)

Information

Family Checkup: Positive Parenting Prevents Drug Abuse

<https://www.ruralcommunitytoolbox.org/information/394>

Evidence-based information focused on positive parenting skills that help prevent the onset and progression of drug use among children and youth.

Preventing Drug Use among Children and Adolescents: A Research-Based Guide for Parents, Educators, and Community Leaders

<https://www.ruralcommunitytoolbox.org/information/393>

Principles designed to help parents, educators, and community leaders learn about, plan for, and establish research-based programs to prevent substance use in children and youth.

Principles of Substance Abuse Prevention for Early Childhood: A Research-Based Guide

<https://www.ruralcommunitytoolbox.org/information/395>

Drug use prevention guide including principles, information, and research on childhood development, risk and protective factors, and early childhood interventions.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Marriage and Family Therapy Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/170>

Fellowship for master's and doctoral students in marriage and family therapy program to build cultural competency in mental health treatment for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

National Child Traumatic Stress Initiative (NCTSI)

<https://www.ruralcommunitytoolbox.org/information/340>

Information and resources to raise awareness of the impact of trauma on the behavioral health for children, adolescents, and families.

SAMHSA Homelessness Programs and Resources

<https://www.ruralcommunitytoolbox.org/information/341>

Information on programs and resources designed to prevent and end homelessness among men, women, youth, and families with mental or substance use disorders.

U.S. Department of Justice

Office of Justice Programs

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted by the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children

<https://www.ruralcommunitytoolbox.org/funding/496>

Grant to promote and expand services in detention and correctional facilities to incarcerated individuals and their minor children.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

People with Disabilities

AmeriCorps

Funding

AmeriCorps Seniors Foster Grandparent Program (FGP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/479>

Grant for organizations to engage and manage individuals aged 55 and older to serve as experienced tutors and mentors to children and youth with special or exceptional needs.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Small Business Administration (SBA)

Information

Office of Veterans Business Development (OVBD) Resources

<https://www.ruralcommunitytoolbox.org/information/399>

Information on programs and services designed to help veterans and service-disabled veterans, service members, and their spouses pursue small business ownership.

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Multi-Family Housing Direct Loans

<https://www.ruralcommunitytoolbox.org/funding/420>

Direct loans for the construction, improvement, and purchase of multi-family rental housing in rural areas for elderly people and people with disabilities, and/or low income.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

U.S. Department of Education

Office of Special Education and Rehabilitative Services (OSERS)

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

U.S. Department of Health & Human Services

Centers for Medicare & Medicaid Services (CMS)

Information

Medicare Coverage of Services in Opioid Treatment Programs

<https://www.ruralcommunitytoolbox.org/information/370>

Information about a new benefit that covers opioid use disorder treatment services provided by certified opioid treatment programs for people with Medicare Part B.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Access to Care for Rural People with Disabilities Toolkit

<https://www.ruralcommunitytoolbox.org/information/289>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain programs to support access to care for rural residents with disabilities.

Maternal and Child Health Bureau (MCHB)

Expert Help & Training

Leadership Education in Neurodevelopmental and Related Disabilities (LEND)

<https://www.ruralcommunitytoolbox.org/expert-help/322>

Training for professionals in fields related to the care and treatment of children with neurodevelopmental and other related developmental disabilities.

U.S. Department of Housing and Urban Development (HUD)

Office of Public and Indian Housing (PIH)

Funding

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Labor

Office of Disability Employment Policy (ODEP)

Expert Help & Training

Employer Assistance and Resource Network on Disability Inclusion (EARN)

<https://www.ruralcommunitytoolbox.org/expert-help/374>

Training, tools, resources, and publications for employers seeking to advance the inclusion of people with disabilities in the workplace.

Job Accommodation Network (JAN)

<https://www.ruralcommunitytoolbox.org/expert-help/376>

Provides free, confidential, one-on-one consulting services to employers and employees regarding workplace accommodations and disability employment issues.

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

U.S. Department of Transportation

Federal Transit Administration (FTA)

Funding

Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310)

<https://www.ruralcommunitytoolbox.org/funding/302>

Formula grants to enhance mobility and increase access to transportation services for seniors and people with disabilities, including suffering from drug addiction.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Mobility for All Pilot Program Grants

<https://www.ruralcommunitytoolbox.org/funding/300>

Grant to improve transportation services and coordinate access to essential community services for older adults, people with disabilities, and individuals with low income.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Treatment & Services

VA Veteran Readiness and Employment (VR&E)

<https://www.ruralcommunitytoolbox.org/treatment-services/296>

Service for job training and developing other skills to help veterans and service members secure employment.

Veterans Health Administration (VHA)

Information

VHA Compensated Work Therapy (CWT)

<https://www.ruralcommunitytoolbox.org/information/219>

Information for veterans and employers on compensated work therapy, a clinical vocational rehabilitation program available at Veterans Health Administration medical centers.

VHA Office of Rural Health (ORH)

Treatment & Services

Vets Prevail

<https://www.ruralcommunitytoolbox.org/treatment-services/67>

Service offering subscription based cognitive behavioral therapy services for veterans. Service free to veterans.

U.S. Department of Health & Human Services

Information

What is "Ending the HIV Epidemic: A Plan for America"?

<https://www.ruralcommunitytoolbox.org/information/383>

Information on a new ten-year Department of Health and Human Services (HHS) initiative to end the HIV epidemic in the U.S., including program goals, strategies, and focus areas.

Centers for Disease Control and Prevention (CDC)

Funding

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Ending the HIV Epidemic: A Plan for America

<https://www.ruralcommunitytoolbox.org/information/382>

Information on a new ten-year U.S. Department of Health and Human Services initiative to end the HIV epidemic through cooperative national, state, and local interventions.

Overdose Response Strategy (ORS)

<https://www.ruralcommunitytoolbox.org/information/259>

Information on a program to increase data-sharing activities between agencies across eleven High Intensity Drug Trafficking Areas to reduce drug overdoses.

Centers for Medicare & Medicaid Services (CMS)

Information

CMS Roadmap: Strategy to Fight the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/2>

Information on Centers for Medicare & Medicaid Services activities address the opioid epidemic related to prevention, treatment, and data.

Medicare Coverage of Services in Opioid Treatment Programs

<https://www.ruralcommunitytoolbox.org/information/370>

Information about a new benefit that covers opioid use disorder treatment services provided by certified opioid treatment programs for people with Medicare Part B.

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Office of Clinical and Preventive Services (OCPS)

<https://www.ruralcommunitytoolbox.org/information/268>

Information on clinical, preventive, and public health services and programs for American Indian and Alaska Native communities provided by IHS.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Information

Center for Behavioral Health Statistics and Quality (CBHSQ)

<https://www.ruralcommunitytoolbox.org/information/239>

Serves as the lead federal agency for behavioral health statistics in the U.S.

U.S. Department of Labor

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

New Federal Employees' Compensation Act (FECA) Policy on Opioid Medications

<https://www.ruralcommunitytoolbox.org/information/158>

Policy governing the prescription of opioids for federal employees receiving workers' compensation coverage.

Opioid Policy Four-Point Strategic Plan to Protect Federal Injured Workers

<https://www.ruralcommunitytoolbox.org/information/205>

Policy and strategic plan to protect injured federal workers from the risk of opioid misuse and addiction.

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps VISTA for Individuals

<https://www.ruralcommunitytoolbox.org/funding/202>

Service opportunity for individuals focused on building capacity and sustainability and decreasing poverty through community programs, activities, and services.

What This Program Funds: Capacity Building

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

How Can USDA Help Address the Opioid Epidemic?

<https://www.ruralcommunitytoolbox.org/information/489>

Infographic showing areas addressed by USDA Rural Development resources to help rural communities combat the opioid epidemic.

Resources for Substance Use Disorder and Opioid Misuse Prevention, Treatment, and Recovery

<https://www.ruralcommunitytoolbox.org/information/490>

Information on USDA Rural Development programs to address substance use disorder and opioid misuse in rural communities.

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Drug-Free Communities (DFC) Support Program - Non-Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/401>

Funding for community coalitions previously awarded a DFC grant to continue grant activities to prevent and reduce substance use among youth age 18 or younger.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/400>

Funding to reestablish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - New

<https://www.ruralcommunitytoolbox.org/funding/398>

Grant to establish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program

Overdose Data to Action

<https://www.ruralcommunitytoolbox.org/funding/238>

Cooperative agreement for state and local opioid overdose surveillance programs and related opioid prevention and response activities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

Overdose Response Strategy (ORS)

<https://www.ruralcommunitytoolbox.org/information/259>

Information on a program to increase data-sharing activities between agencies across eleven High Intensity Drug Trafficking Areas to reduce drug overdoses.

Rx Awareness Campaign

<https://www.ruralcommunitytoolbox.org/information/60>

Information and resources to help states and local communities building media campaigns to increase awareness and educate the public on the dangers of prescription opioids.

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Centers for Medicare & Medicaid Services (CMS)

Information

CMS Letter to State Medicaid Directors: Leveraging Medicaid Technology to Address the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/79>

Letter summarizing information and strategies for states to combat the opioid crisis using technology and potential funding opportunities for these efforts.

CMS Letter to State Medicaid Directors: Strategies to Address the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/76>

Letter announcing new treatment and prevention strategies to improve healthcare quality, availability, and outcomes for Medicaid recipients with opioid and substance use disorders.

CMS Opioid Prescribing Mapping Tools

<https://www.ruralcommunitytoolbox.org/information/368>

Interactive mapping tools providing current data on Medicaid and Medicare Part D opioid prescribing rates across the country.

CMS Roadmap: Strategy to Fight the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/2>

Information on Centers for Medicare & Medicaid Services activities address the opioid epidemic related to prevention, treatment, and data.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

HRSA Behavioral Health Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/190>

Information on grants and programs to support the development and education of the of the behavioral health workforce to meet the needs of rural and underserved populations.

Bureau of Primary Health Care (BPHC)

Funding

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Rural Prevention and Treatment of Substance Use Disorders Toolkit

<https://www.ruralcommunitytoolbox.org/information/287>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain substance use disorders prevention and treatment programs in rural communities.

Rural Response to the Opioid Crisis Topic Guide

<https://www.ruralcommunitytoolbox.org/information/271>

Information, events, successful model program examples, and funding opportunities to support efforts to address the opioid crisis in rural areas.

Rural Tobacco Control and Prevention Toolkit

<https://www.ruralcommunitytoolbox.org/information/285>

Toolkit on evidence-based and promising models and related resources to implement, evaluate, and sustain tobacco control and prevention programs in rural communities.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

National Institutes of Health

National Institute on Drug Abuse (NIDA)

Information

Family Checkup: Positive Parenting Prevents Drug Abuse

<https://www.ruralcommunitytoolbox.org/information/394>

Evidence-based information focused on positive parenting skills that help prevent the onset and progression of drug use among children and youth.

Preventing Drug Use among Children and Adolescents: A Research-Based Guide for Parents, Educators, and Community Leaders

<https://www.ruralcommunitytoolbox.org/information/393>

Principles designed to help parents, educators, and community leaders learn about, plan for, and establish research-based programs to prevent substance use in children and youth.

Principles of Substance Abuse Prevention for Early Childhood: A Research-Based Guide

<https://www.ruralcommunitytoolbox.org/information/395>

Drug use prevention guide including principles, information, and research on childhood development, risk and protective factors, and early childhood interventions.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Opioid Response Network State Targeted Response Technical Assistance (STR-TA) Consortium

<https://www.ruralcommunitytoolbox.org/expert-help/339>

Technical assistance, training, and education for communities related to evidence-based practices for opioid use disorder prevention, treatment, and recovery services.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Nursing Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/171>

Fellowships for ethnic or racial minority students in master's or doctoral psychiatric, mental health, or substance abuse nursing programs.

What This Program Funds: Financial Aid for Healthcare Workforce

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Information

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

National Prevention Week (NPW)

<https://www.ruralcommunitytoolbox.org/information/338>

Information on a week-long event dedicated to promoting public awareness of mental and substance use disorders.

SAMHSA Behavioral Health Equity Program (BHEP)

<https://www.ruralcommunitytoolbox.org/information/343>

Details SAMHSA-supported services and resources to promote behavioral health equity and remove barriers to mental illness and substance use prevention and treatment services.

SAMHSA Drug-Free Workplace Programs

<https://www.ruralcommunitytoolbox.org/information/345>

Information on drug-free programs, drug testing, and other resources designed to address illegal substance use by federal employees and in federally regulated industries.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

Treatment & Services

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

SAMHSA Screening, Brief Intervention, and Referral to Treatment (SBIRT) Programs

<https://www.ruralcommunitytoolbox.org/treatment-services/306>

Services to assist with the provision of substance use disorder treatment and early intervention services for those with or at risk of developing substance use disorders.

U.S. Department of Justice

Information

Controlled Substance Public Disposal Locations Search Tool

<https://www.ruralcommunitytoolbox.org/information/232>

Tool to locate public disposal locations for controlled substances.

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Harold Rogers Prescription Drug Monitoring Program (PDMP)

<https://www.ruralcommunitytoolbox.org/funding/405>

Grants for state and local governments to implement and enhance prescription drug monitoring programs to ensure safe prescribing and prevent the misuse of prescription drugs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Labor

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

New Federal Employees' Compensation Act (FECA) Policy on Opioid Medications

<https://www.ruralcommunitytoolbox.org/information/158>

Policy governing the prescription of opioids for federal employees receiving workers' compensation coverage.

Opioid Policy Four-Point Strategic Plan to Protect Federal Injured Workers

<https://www.ruralcommunitytoolbox.org/information/205>

Policy and strategic plan to protect injured federal workers from the risk of opioid misuse and addiction.

U.S. Department of Veterans Affairs

Treatment & Services

Veterans Crisis Line

<https://www.ruralcommunitytoolbox.org/treatment-services/194>

Hotline for free and confidential support for veterans and others in crisis. Call 1-800-273-8255 and press 1 or text 838255 to get help. Available 24 hours a day, 7 days a week.

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

VA Center for Medication Safety (VA MedSAFE)

<https://www.ruralcommunitytoolbox.org/information/228>

Information on the safe disposal of medications to prevent substance misuse and accidental poisonings for veterans and their families. Takes back unused and expired medications.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps VISTA for Individuals

<https://www.ruralcommunitytoolbox.org/funding/202>

Service opportunity for individuals focused on building capacity and sustainability and decreasing poverty through community programs, activities, and services.

What This Program Funds: Capacity Building

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Investments Supporting Partnerships in Recovery Ecosystems Initiative (INSPIRE)

<https://www.ruralcommunitytoolbox.org/funding/456>

Grant to establish recovery ecosystems in Appalachian communities to help individuals in recovery from substance use disorder to obtain and maintain employment.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

How Can USDA Help Address the Opioid Epidemic?

<https://www.ruralcommunitytoolbox.org/information/489>

Infographic showing areas addressed by USDA Rural Development resources to help rural communities combat the opioid epidemic.

Resources for Substance Use Disorder and Opioid Misuse Prevention, Treatment, and Recovery

<https://www.ruralcommunitytoolbox.org/information/490>

Information on USDA Rural Development programs to address substance use disorder and opioid misuse in rural communities.

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Centers for Medicare & Medicaid Services (CMS)

Information

CMS Letter to State Medicaid Directors: Leveraging Medicaid Technology to Address the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/79>

Letter summarizing information and strategies for states to combat the opioid crisis using technology and potential funding opportunities for these efforts.

CMS Letter to State Medicaid Directors: Strategies to Address the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/76>

Letter announcing new treatment and prevention strategies to improve healthcare quality, availability, and outcomes for Medicaid recipients with opioid and substance use disorders.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

University of Rochester Medicine Recovery Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/408>

Technical assistance to rural communities to address substance use disorder and synthetic opioids with special focus on high-need Appalachian counties.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Maternal and Child Health Bureau (MCHB)

Funding

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Preventing Alcohol-Related Deaths Through Social Detoxification (PARD)

<https://www.ruralcommunitytoolbox.org/funding/159>

Cooperative agreement expanding access to treatment for American Indian individuals with alcohol use disorder or substance use disorder in the Navajo and Great Plains Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Opioid Response Network State Targeted Response Technical Assistance (STR-TA) Consortium

<https://www.ruralcommunitytoolbox.org/expert-help/339>

Technical assistance, training, and education for communities related to evidence-based practices for opioid use disorder prevention, treatment, and recovery services.

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Social Work Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/174>

Fellowships for master's and doctoral social work students to develop cultural competency skills in mental health and substance abuse services for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Nursing Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/171>

Fellowships for ethnic or racial minority students in master's or doctoral psychiatric, mental health, or substance abuse nursing programs.

What This Program Funds: Financial Aid for Healthcare Workforce

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Targeted Capacity Expansion – Peer-to-Peer (TCE-PTP)

<https://www.ruralcommunitytoolbox.org/funding/131>

Provides funding to recovery community organizations to expand and improve peer recovery support services for individuals with substance use disorder and their family members.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 1

<https://www.ruralcommunitytoolbox.org/information/472>

Interview discussing the Sober Squad Recovery Movement model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 2

<https://www.ruralcommunitytoolbox.org/information/473>

Interview discussing the recovery cafe model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 3

<https://www.ruralcommunitytoolbox.org/information/474>

Interview discussing how a peer-led, peer-run, peer-delivered recovery model can help build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 4

<https://www.ruralcommunitytoolbox.org/information/475>

Interview discussing a peer recovery housing model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 6

<https://www.ruralcommunitytoolbox.org/information/477>

Panel discussion exploring various approaches that can serve as models for building resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

National Recovery Month

<https://www.ruralcommunitytoolbox.org/information/337>

Information on a month-long event held every September to promote public awareness and knowledge of mental illness and substance use disorders, and celebrate those in recovery.

SAMHSA Criminal and Juvenile Justice Programs

<https://www.ruralcommunitytoolbox.org/information/309>

Information on programs and resources to address the challenges justice system-involved individuals face when seeking treatment for mental illness and substance use disorders.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Homelessness Programs and Resources

<https://www.ruralcommunitytoolbox.org/information/341>

Information on programs and resources designed to prevent and end homelessness among men, women, youth, and families with mental or substance use disorders.

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Second Chance Act Pay for Success Initiative

<https://www.ruralcommunitytoolbox.org/funding/502>

Grant to assist governments in providing permanent supportive housing, recovery housing, reentry services through performance/outcomes-based contracts with service providers.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Office for Victims of Crimes (OVC)

Funding

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

Reimbursement and Payment Models

U.S. Department of Health & Human Services

Centers for Medicare & Medicaid Services (CMS)

Expert Help & Training

Quality Payment Program (QPP) Support for Small, Underserved, and Rural Practices

<https://www.ruralcommunitytoolbox.org/expert-help/495>

Technical assistance to help small, underserved, and rural medical practices participate in the Support for Small, Underserved, and Rural Practices Quality Payment Program.

Funding

Community Health Access and Rural Transformation (CHART) Model: Community Transformation Track

<https://www.ruralcommunitytoolbox.org/funding/443>

Cooperative agreement to transform rural healthcare delivery systems using the CHART model to reduce costs and improve access to and quality of rural healthcare.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

Medicare Coverage of Services in Opioid Treatment Programs

<https://www.ruralcommunitytoolbox.org/information/370>

Information about a new benefit that covers opioid use disorder treatment services provided by certified opioid treatment programs for people with Medicare Part B.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

SAMHSA Screening, Brief Intervention, and Referral to Treatment (SBIRT) Programs

<https://www.ruralcommunitytoolbox.org/treatment-services/306>

Services to assist with the provision of substance use disorder treatment and early intervention services for those with or at risk of developing substance use disorders.

AmeriCorps

Funding

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Federal Communications Commission

Universal Service Administrative Company (USAC)

Funding

E-Rate Program: The Schools and Libraries Universal Service Support Mechanism

<https://www.ruralcommunitytoolbox.org/funding/209>

Financial assistance for schools and libraries towards eligible data transmission services, internet access, internal connections, and managed internal broadband services.

What This Program Funds: Equipment

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Food and Agriculture Service Learning Program (FASLP)

<https://www.ruralcommunitytoolbox.org/funding/388>

Grant to enhance or expand farm to school initiatives and food and agriculture experiential learning initiatives in underserved areas and seeks to improve children's nutrition.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Food and Nutrition Service (FNS)

Funding

National School Lunch Program Equipment Assistance Grants for School Food Authorities

<https://www.ruralcommunitytoolbox.org/funding/432>

Grants for schools and school districts participating in the National School Lunch Program to purchase food service equipment of \$1,000 or more.

What This Program Funds: Equipment

Farm to School Grant Program

<https://www.ruralcommunitytoolbox.org/funding/486>

Grants to help schools and other eligible organizations plan, implement, expand, and sustain farm to school programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Full-Service Community Schools (FSCS) Program

<https://www.ruralcommunitytoolbox.org/funding/12>

Grants for new or to support existing full-service community schools programs in high poverty urban and rural areas.

What This Program Funds: New Program • Operating Costs and Staffing

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

Center to Improve Social and Emotional Learning and School Safety (SEL Center)

<https://www.ruralcommunitytoolbox.org/expert-help/56>

Technical assistance center for state and local educational agencies to integrate social and emotional learning into their academic programs and enhance school safety.

Developing Emergency Operations Plans (EOPs) K-12 101

<https://www.ruralcommunitytoolbox.org/expert-help/211>

Online course on developing and planning emergency operations plans for schools that meet state and local requirements.

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

Project Prevent Grant Program

<https://www.ruralcommunitytoolbox.org/funding/57>

Grants for local educational agencies to create school-based programs to help students affected by exposure to violence

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

An Overview of the Guide for Developing High-Quality School Emergency Operations Plans

<https://www.ruralcommunitytoolbox.org/information/210>

Webinar recording discussing an emergency operations plan guide for schools. Includes information on the principles and process of school emergency planning.

Guide for Developing High-Quality School Emergency Operations Plans

<https://www.ruralcommunitytoolbox.org/information/216>

Guide to assist K-12 schools and school districts with developing and updating school emergency operations plans.

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

Readiness and Emergency Management for Schools (REMS) Specialized Training Packages

<https://www.ruralcommunitytoolbox.org/information/293>

Training materials on emergency management for faculty, staff, and students.

The Role of Districts in Developing High-Quality School Emergency Operations Plans: A Companion to the School Guide

<https://www.ruralcommunitytoolbox.org/information/208>

Guide to assist school districts and administrators with developing and updating school emergency operations plans.

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/226>

Information and resources for schools to provide services, support, and interventions to address opioid and substance misuse for students and their families

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Information

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Information

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

Social Services

AmeriCorps

Funding

AmeriCorps Seniors Foster Grandparent Program (FGP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/479>

Grant for organizations to engage and manage individuals aged 55 and older to serve as experienced tutors and mentors to children and youth with special or exceptional needs.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Seniors Senior Companion Program (SCP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/483>

Grant for organizations to engage and manage individuals aged 55 and older to provide companionship and support to adults in need of extra assistance to remain at home.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Delta Regional Authority (DRA)

Expert Help & Training

Delta Region Community Health Systems Development Program

<https://www.ruralcommunitytoolbox.org/expert-help/493>

Technical assistance for healthcare providers in the Delta region to strengthen local health systems and healthcare service delivery in rural communities.

Federal Communications Commission

Universal Service Administrative Company (USAC)

Funding

Lifeline Program

<https://www.ruralcommunitytoolbox.org/funding/417>

A monthly benefit for low-income households to help lower the cost of home phone, mobile phone, or high-speed broadband services.

What This Program Funds: Capacity Building

U.S. Department of Agriculture

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Full-Service Community Schools (FSCS) Program

<https://www.ruralcommunitytoolbox.org/funding/12>

Grants for new or to support existing full-service community schools programs in high poverty urban and rural areas.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Health Care Services Outreach Program

<https://www.ruralcommunitytoolbox.org/funding/446>

Grants to implement community-based outreach programs to enhance the delivery of healthcare services to underserved rural populations and reduce health disparities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Information

Human Services to Support Rural Health Topic Guide

<https://www.ruralcommunitytoolbox.org/information/276>

Information, events, successful model program examples, and funding opportunities to support human services in rural areas.

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Social Work Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/174>

Fellowships for master's and doctoral social work students to develop cultural competency skills in mental health and substance abuse services for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

U.S. Department of Housing and Urban Development (HUD)

HUD Office of Policy Development and Research (PD&R)

Information

HUD EnVision Centers

<https://www.ruralcommunitytoolbox.org/information/145>

Information on projects that serve as a centralized hubs providing resources and tools to help individuals and families in assisted housing become more self-sufficient.

Office of Public and Indian Housing (PIH)

Funding

Jobs Plus Initiative

<https://www.ruralcommunitytoolbox.org/funding/484>

Grant to implement locally based employment programs that provide a financial incentive along with employment, education, and support services for residents in public housing.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children

<https://www.ruralcommunitytoolbox.org/funding/496>

Grant to promote and expand services in detention and correctional facilities to incarcerated individuals and their minor children.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Treatment & Services

Health Care for Re-Entry Veterans (HCRV) Services and Resources

<https://www.ruralcommunitytoolbox.org/treatment-services/248>

Service to help veterans avoid homelessness and be successful following release from incarceration. Offers outreach, assessments, case management support, and referral services.

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps VISTA for Individuals

<https://www.ruralcommunitytoolbox.org/funding/202>

Service opportunity for individuals focused on building capacity and sustainability and decreasing poverty through community programs, activities, and services.

What This Program Funds: Capacity Building

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Investments Supporting Partnerships in Recovery Ecosystems Initiative (INSPIRE)

<https://www.ruralcommunitytoolbox.org/funding/456>

Grant to establish recovery ecosystems in Appalachian communities to help individuals in recovery from substance use disorder to obtain and maintain employment.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Executive Office of the President

Office of National Drug Control Policy (ONDCP)

Information

Substance Use Disorder and the Pandemic in Rural Communities Rural Faith Leaders Workshop

<https://www.ruralcommunitytoolbox.org/information/504>

Workshop or rural faith leaders to discuss, learn, and share information and resources to help individuals with substance use disorder.

State Justice Institute (SJI)

Funding

State Justice Institute (SJI) Quarterly Grant Program

<https://www.ruralcommunitytoolbox.org/funding/487>

Grants to improve the functioning of state courts, including responses to opioids, other drugs, SUD/co-occurring mental health disorders, and behavioral health disparities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Rural Community Development Initiative Grants (RCDI)

<https://www.ruralcommunitytoolbox.org/funding/186>

Provides funding to intermediary organizations that deliver financial and technical assistance to recipients to help meet the needs of their communities in eligible rural areas.

What This Program Funds: Capacity Building

Grants for Rural and Native Alaskan Villages

<https://www.ruralcommunitytoolbox.org/funding/180>

Grants to provide households and businesses in rural communities or native villages in Alaska with clean, reliable drinking water and waste disposal systems.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Community Assessment Tool: Drug Overdose Deaths in the United States

<https://www.ruralcommunitytoolbox.org/information/363>

Interactive map that provides state and county-level data on the rates of drug overdose deaths in the U.S. along with related social and economic demographic information.

Funding Support to Help Address Opioid Misuse in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/491>

Information on topics to address rural opioid misuse for which funding is available through USDA Rural Development programs.

How Can USDA Help Address the Opioid Epidemic?

<https://www.ruralcommunitytoolbox.org/information/489>

Infographic showing areas addressed by USDA Rural Development resources to help rural communities combat the opioid epidemic.

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

Resources for Substance Use Disorder and Opioid Misuse Prevention, Treatment, and Recovery

<https://www.ruralcommunitytoolbox.org/information/490>

Information on USDA Rural Development programs to address substance use disorder and opioid misuse in rural communities.

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

USDA Rural Opioid Roundtable in Bangor, Maine

<https://www.ruralcommunitytoolbox.org/information/459>

Video recording of a July 10, 2018 roundtable discussion on the opioid crisis in rural New England focusing on prevention, treatment, and access to treatment.

USDA Rural Opioid Roundtable in Berea, Kentucky

<https://www.ruralcommunitytoolbox.org/information/461>

Video recording of a May 9, 2018 roundtable on the opioid crisis in rural Kentucky.

USDA Rural Opioid Roundtable in El Reno, Oklahoma

<https://www.ruralcommunitytoolbox.org/information/460>

Video recording of a June 6, 2018 roundtable discussion on the opioid crisis in rural Oklahoma.

USDA Rural Opioid Roundtable in Middletown, Pennsylvania

<https://www.ruralcommunitytoolbox.org/information/462>

Video recording of a March 14, 2018 roundtable on the opioid crisis in rural Pennsylvania hosted by the U.S. Department of Agriculture (USDA) Rural Development.

USDA Rural Opioid Roundtable in Salt Lake City, Utah

<https://www.ruralcommunitytoolbox.org/information/463>

Video recording of an April 11, 2018 roundtable on the opioid crisis in rural Utah hosted by the U.S. Department of Agriculture (USDA) Rural Development.

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

Project Prevent Grant Program

<https://www.ruralcommunitytoolbox.org/funding/57>

Grants for local educational agencies to create school-based programs to help students affected by exposure to violence

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Information

First Responders Can Safely Administer Naloxone During the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/447>

Information for law enforcement and first responders on how to take universal safety precautions to reduce the risk of exposure to COVID-19 and safely administer naloxone.

What is "Ending the HIV Epidemic: A Plan for America"?

<https://www.ruralcommunitytoolbox.org/information/383>

Information on a new ten-year Department of Health and Human Services (HHS) initiative to end the HIV epidemic in the U.S., including program goals, strategies, and focus areas.

Centers for Disease Control and Prevention (CDC)

Funding

Combating Opioid Overdose Through Community-Level Intervention (COOCLI)

<https://www.ruralcommunitytoolbox.org/funding/257>

Grants to conduct and evaluates innovative approaches to reduce opioid and stimulant overdose and build partnerships between law enforcement and public health agencies.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - Non-Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/401>

Funding for community coalitions previously awarded a DFC grant to continue grant activities to prevent and reduce substance use among youth age 18 or younger.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/400>

Funding to reestablish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - New

<https://www.ruralcommunitytoolbox.org/funding/398>

Grant to establish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Data to Action

<https://www.ruralcommunitytoolbox.org/funding/238>

Cooperative agreement for state and local opioid overdose surveillance programs and related opioid prevention and response activities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Integrated Human Immunodeficiency Virus (HIV) Surveillance and Prevention Programs for Health Departments

<https://www.ruralcommunitytoolbox.org/funding/82>

Cooperative agreement to support the implementation of comprehensive and integrated HIV surveillance and prevention programs.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Improving Hepatitis B and C Care Cascades; Focus on Increased Testing and Diagnosis

<https://www.ruralcommunitytoolbox.org/funding/88>

Cooperative agreement to support state and local health departments, partners, and stakeholders on the prevention, care, and treatment of the hepatitis B and hepatitis C viruses.

What This Program Funds: New Program • Operating Costs and Staffing

Information

CDC Guideline for Prescribing Opioids for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/117>

Information on the safe and effective prescription of opioids to treat chronic pain in a primary care setting.

Dashboard on Drug Poisoning Mortality in the United States, 1999-2018

<https://www.ruralcommunitytoolbox.org/information/261>

Data visualizations showing national, state, and county drug poisoning mortality rates in the U.S. from 1999 to 2018.

Ending the HIV Epidemic: A Plan for America

<https://www.ruralcommunitytoolbox.org/information/382>

Information on a new ten-year U.S. Department of Health and Human Services initiative to end the HIV epidemic through cooperative national, state, and local interventions.

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Local Response to Public Health Emergencies: Focus on the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/240>

Information on a pilot project to reduce opioid overdose by strengthening collaboration among local health departments and state and local partners.

Opioid Overdose Prevention for States Microsite

<https://www.ruralcommunitytoolbox.org/information/242>

Information on how to install a free, customizable version of the Centers for Disease Control and Prevention's opioid overdose website on other websites to share information.

Overdose Response Strategy (ORS)

<https://www.ruralcommunitytoolbox.org/information/259>

Information on a program to increase data-sharing activities between agencies across eleven High Intensity Drug Trafficking Areas to reduce drug overdoses.

Rx Awareness Campaign

<https://www.ruralcommunitytoolbox.org/information/60>

Information and resources to help states and local communities building media campaigns to increase awareness and educate the public on the dangers of prescription opioids.

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Centers for Medicare & Medicaid Services (CMS)

Information

CMS Letter to State Medicaid Directors: Leveraging Medicaid Technology to Address the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/79>

Letter summarizing information and strategies for states to combat the opioid crisis using technology and potential funding opportunities for these efforts.

CMS Letter to State Medicaid Directors: Strategies to Address the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/information/76>

Letter announcing new treatment and prevention strategies to improve healthcare quality, availability, and outcomes for Medicaid recipients with opioid and substance use disorders.

CMS Opioid Prescribing Mapping Tools

<https://www.ruralcommunitytoolbox.org/information/368>

Interactive mapping tools providing current data on Medicaid and Medicare Part D opioid prescribing rates across the country.

CMS Roadmap: Strategy to Fight the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/2>

Information on Centers for Medicare & Medicaid Services activities address the opioid epidemic related to prevention, treatment, and data.

Medicare Coverage of Services in Opioid Treatment Programs

<https://www.ruralcommunitytoolbox.org/information/370>

Information about a new benefit that covers opioid use disorder treatment services provided by certified opioid treatment programs for people with Medicare Part B.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Behavioral Health Workforce Education and Training (BHWET) Program for Paraprofessionals

<https://www.ruralcommunitytoolbox.org/funding/506>

Grants to create and expand experiential training opportunities for paraprofessional behavioral health students and build behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program for Professionals

<https://www.ruralcommunitytoolbox.org/funding/452>

Grants to create and expand experiential training opportunities for professional behavioral health students and build the behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Nurse Practitioner Residency Integration Program (ANE-NPRIP)

<https://www.ruralcommunitytoolbox.org/funding/410>

Grants to expand and enhance accredited 12-month nurse practitioner (NP) residency programs to prepare new NPs for integrated, community-based work in rural and underserved areas.

What This Program Funds: Capacity Building • Training Providers

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Opioid Workforce Expansion Program (OWEP) - Professionals

<https://www.ruralcommunitytoolbox.org/funding/13>

Funding to provide advanced degree, behavioral health students with community-based training on opioid and other substance use disorder treatment, especially for rural youth.

What This Program Funds: Training Providers

Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

<https://www.ruralcommunitytoolbox.org/funding/365>

Funding to support the development, enhancement, or expansion of nurse practitioner residency programs to increase access to primary care in rural and underserved communities.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

How to Receive Medication-Assisted Treatment (MAT) Training

<https://www.ruralcommunitytoolbox.org/information/494>

Information for clinicians on how to receive free training to obtain a waiver enabling them to provide medication-assisted treatment for individuals with opioid use disorder.

HRSA Behavioral Health Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/190>

Information on grants and programs to support the development and education of the of the behavioral health workforce to meet the needs of rural and underserved populations.

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

University of Rochester Medicine Recovery Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/408>

Technical assistance to rural communities to address substance use disorder and synthetic opioids with special focus on high-need Appalachian counties.

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Health Care Services Outreach Program

<https://www.ruralcommunitytoolbox.org/funding/446>

Grants to implement community-based outreach programs to enhance the delivery of healthcare services to underserved rural populations and reduce health disparities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Lessons Learned from the Rural Opioid Overdose Reversal Program

<https://www.ruralcommunitytoolbox.org/information/270>

Information on the challenges, successes, and lessons learned from Rural Opioid Overdose Reversal Program grant recipients and related program resources.

Rural Health Research Center Publications on Substance Use and Treatment

<https://www.ruralcommunitytoolbox.org/information/278>

Research publications, findings, webinars, and resources on substance use and treatment in rural areas from federally-funded Rural Health Research Centers.

Rural Prevention and Treatment of Substance Use Disorders Toolkit

<https://www.ruralcommunitytoolbox.org/information/287>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain substance use disorders prevention and treatment programs in rural communities.

Rural Response to the Opioid Crisis Topic Guide

<https://www.ruralcommunitytoolbox.org/information/271>

Information, events, successful model program examples, and funding opportunities to support efforts to address the opioid crisis in rural areas.

Rural Tobacco Control and Prevention Toolkit

<https://www.ruralcommunitytoolbox.org/information/285>

Toolkit on evidence-based and promising models and related resources to implement, evaluate, and sustain tobacco control and prevention programs in rural communities.

HIV/AIDS Bureau (HAB)

Expert Help & Training

AIDS Education and Training Center Program: National Coordinating Resource Center (AETC-NCRC)

<https://www.ruralcommunitytoolbox.org/expert-help/366>

Training, technical assistance, and resources to support clinicians, clinics, and health systems provide high-quality HIV/AIDS care.

National Clinician Consultation Center (NCCC)

<https://www.ruralcommunitytoolbox.org/expert-help/367>

Training and consultation services for healthcare providers on HIV/AIDS-related topics, such as testing, prevention, treatment, and post-exposure prophylaxis.

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Ryan White HIV/AIDS Program (RWHAP) Part C: HIV Early Intervention Services (EIS) Program - New Geographic Service Areas

<https://www.ruralcommunitytoolbox.org/funding/315>

Grants to provide outpatient primary care and support services in new geographic service areas for low-income, uninsured, rural, and underserved individuals with HIV.

What This Program Funds: New Program • Operating Costs and Staffing

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Preventing Alcohol-Related Deaths Through Social Detoxification (PARD)

<https://www.ruralcommunitytoolbox.org/funding/159>

Cooperative agreement expanding access to treatment for American Indian individuals with alcohol use disorder or substance use disorder in the Navajo and Great Plains Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Behavioral Health Fact Sheet

<https://www.ruralcommunitytoolbox.org/information/265>

Fact sheet on Indian Health Service behavioral health services for American Indian and Alaska Native communities.

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Treatment & Services

Indian Health Service (IHS) Division of Behavioral Health (DBH) Mental Health Program

<https://www.ruralcommunitytoolbox.org/treatment-services/10>

Treatment for comprehensive mental health services for American Indian and Alaska Native individuals and families.

National Institutes of Health

National Institute on Drug Abuse (NIDA)

Information

Family Checkup: Positive Parenting Prevents Drug Abuse

<https://www.ruralcommunitytoolbox.org/information/394>

Evidence-based information focused on positive parenting skills that help prevent the onset and progression of drug use among children and youth.

Preventing Drug Use among Children and Adolescents: A Research-Based Guide for Parents, Educators, and Community Leaders

<https://www.ruralcommunitytoolbox.org/information/393>

Principles designed to help parents, educators, and community leaders learn about, plan for, and establish research-based programs to prevent substance use in children and youth.

Principles of Substance Abuse Prevention for Early Childhood: A Research-Based Guide

<https://www.ruralcommunitytoolbox.org/information/395>

Drug use prevention guide including principles, information, and research on childhood development, risk and protective factors, and early childhood interventions.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Historically Black Colleges and Universities (HBCU) C.A.R.E.S. Center for Excellence in Behavioral Health

<https://www.ruralcommunitytoolbox.org/expert-help/396>

Provides assistance to historically black colleges and universities and students to increase the number of racial and ethnic minorities entering behavioral fields.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

National Network to Eliminate Disparities in Behavioral Health (NNED)

<https://www.ruralcommunitytoolbox.org/expert-help/328>

Training and technical assistance to eliminate behavioral health disparities and reduce mental health and substance use issues for minorities.

Opioid Response Network State Targeted Response Technical Assistance (STR-TA) Consortium

<https://www.ruralcommunitytoolbox.org/expert-help/339>

Technical assistance, training, and education for communities related to evidence-based practices for opioid use disorder prevention, treatment, and recovery services.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Marriage and Family Therapy Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/170>

Fellowship for master's and doctoral students in marriage and family therapy program to build cultural competency in mental health treatment for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Building Communities of Recovery (BCOR)

<https://www.ruralcommunitytoolbox.org/funding/135>

Provides funding for the development and implementation of community and statewide recovery support services for individuals recovering from substance misuse and addiction.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Social Work Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/174>

Fellowships for master's and doctoral social work students to develop cultural competency skills in mental health and substance abuse services for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Nursing Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/171>

Fellowships for ethnic or racial minority students in master's or doctoral psychiatric, mental health, or substance abuse nursing programs.

What This Program Funds: Financial Aid for Healthcare Workforce

Psychiatry Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/172>

Fellowships for psychiatry residents to conduct innovative research projects on mental health and substance use issues for underserved ethnic and racial minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Addictions Counseling Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/176>

Fellowship for master's level addictions counseling students to develop cultural competency skills in substance use disorder counseling services for minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Strategic Prevention Framework - Partnerships for Success (SPF-PFS)

<https://www.ruralcommunitytoolbox.org/funding/121>

Funding to improve the capacity and infrastructure of communities to carry out effective strategies to prevent the misuse of substances among youth and adults.

What This Program Funds: Capacity Building • New Program

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Community Mental Health Services Block Grant (MHBG)

<https://www.ruralcommunitytoolbox.org/funding/327>

Block grant funding to provide comprehensive community mental health services for adults with serious mental illnesses and children with serious emotional disturbances.

What This Program Funds: New Program • Operating Costs and Staffing

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA Local Drug Crises Grants)

<https://www.ruralcommunitytoolbox.org/funding/113>

Provides funding to enhance established community-based coalitions working to address the abuse of opioids, methamphetamines, and prescription medications among youth ages 12-18.

What This Program Funds: Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Targeted Capacity Expansion – Peer-to-Peer (TCE-PTP)

<https://www.ruralcommunitytoolbox.org/funding/131>

Provides funding to recovery community organizations to expand and improve peer recovery support services for individuals with substance use disorder and their family members.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

Center for Behavioral Health Statistics and Quality (CBHSQ)

<https://www.ruralcommunitytoolbox.org/information/239>

Serves as the lead federal agency for behavioral health statistics in the U.S.

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

Guidance for Law Enforcement and First Responders Administering Naloxone

<https://www.ruralcommunitytoolbox.org/information/439>

Information to guide law enforcement and first responders on the safe use of naloxone to treat opioid overdose during the COVID-19 pandemic.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 1

<https://www.ruralcommunitytoolbox.org/information/472>

Interview discussing the Sober Squad Recovery Movement model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 2

<https://www.ruralcommunitytoolbox.org/information/473>

Interview discussing the recovery cafe model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 3

<https://www.ruralcommunitytoolbox.org/information/474>

Interview discussing how a peer-led, peer-run, peer-delivered recovery model can help build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 4

<https://www.ruralcommunitytoolbox.org/information/475>

Interview discussing a peer recovery housing model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 6

<https://www.ruralcommunitytoolbox.org/information/477>

Panel discussion exploring various approaches that can serve as models for building resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

National Prevention Week (NPW)

<https://www.ruralcommunitytoolbox.org/information/338>

Information on a week-long event dedicated to promoting public awareness of mental and substance use disorders.

National Recovery Month

<https://www.ruralcommunitytoolbox.org/information/337>

Information on a month-long event held every September to promote public awareness and knowledge of mental illness and substance use disorders, and celebrate those in recovery.

Office-Based Opioid Treatment Management and COVID-19

<https://www.ruralcommunitytoolbox.org/information/455>

Presentation on the challenges, best practices, and alternative methods of providing opioid and substance use disorder treatment with COVID-19 restrictions.

SAMHSA Behavioral Health Equity Program (BHEP)

<https://www.ruralcommunitytoolbox.org/information/343>

Details SAMHSA-supported services and resources to promote behavioral health equity and remove barriers to mental illness and substance use prevention and treatment services.

SAMHSA Criminal and Juvenile Justice Programs

<https://www.ruralcommunitytoolbox.org/information/309>

Information on programs and resources to address the challenges justice system-involved individuals face when seeking treatment for mental illness and substance use disorders.

SAMHSA Data and Dissemination

<https://www.ruralcommunitytoolbox.org/information/334>

Information and data on various aspects of behavioral health, including substance use and mental health treatment services.

SAMHSA Drug-Free Workplace Programs

<https://www.ruralcommunitytoolbox.org/information/345>

Information on drug-free programs, drug testing, and other resources designed to address illegal substance use by federal employees and in federally regulated industries.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Faith-Based and Community Initiatives (FBCI)

<https://www.ruralcommunitytoolbox.org/information/342>

Information to support partnerships between faith-based and community organizations and federal programs to prevent and treat substance abuse and provide mental health services.

SAMHSA Grant Awards by State

<https://www.ruralcommunitytoolbox.org/information/331>

Interactive map showing formula and discretionary funding amounts and detailed summaries for Substance Abuse and Mental Health Services Administration grants.

SAMHSA Homelessness Programs and Resources

<https://www.ruralcommunitytoolbox.org/information/341>

Information on programs and resources designed to prevent and end homelessness among men, women, youth, and families with mental or substance use disorders.

SAMHSA Medication and Counseling Treatment: Naloxone

<https://www.ruralcommunitytoolbox.org/information/323>

Information on naloxone and the medication's side effects, opioid overdoses, and efforts to expand naloxone use.

SAMHSA Medication-Assisted Treatment (MAT) Programs

<https://www.ruralcommunitytoolbox.org/information/336>

Information on medication-assisted treatment and on opioid treatment programs. Describes the SUPPORT Act and provides information and training resources.

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

Supporting Behavioral Health Programs and Personnel During COVID-19

<https://www.ruralcommunitytoolbox.org/information/471>

Presentation on efforts to support behavioral health programming and the well-being of personnel during the COVID-19 pandemic.

Treatment & Services

FindTreatment.gov

<https://www.ruralcommunitytoolbox.org/treatment-services/449>

Directory of state-licensed providers across the U.S. specializing in the treatment of substance use disorders (SUD), addiction, and mental illness.

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

SAMHSA Screening, Brief Intervention, and Referral to Treatment (SBIRT) Programs

<https://www.ruralcommunitytoolbox.org/treatment-services/306>

Services to assist with the provision of substance use disorder treatment and early intervention services for those with or at risk of developing substance use disorders.

U.S. Department of Housing and Urban Development (HUD)

Office of Public and Indian Housing (PIH)

Funding

Resident Opportunity and Self-Sufficiency Program (ROSS)

<https://www.ruralcommunitytoolbox.org/funding/457>

Grant for public and Indian housing authorities to hire a service coordinator to assist public housing residents in achieving economic and housing self-sufficiency.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Justice

Information

Controlled Substance Public Disposal Locations Search Tool

<https://www.ruralcommunitytoolbox.org/information/232>

Tool to locate public disposal locations for controlled substances.

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Second Chance Act Pay for Success Initiative

<https://www.ruralcommunitytoolbox.org/funding/502>

Grant to assist governments in providing permanent supportive housing, recovery housing, reentry services through performance/outcomes-based contracts with service providers.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Harold Rogers Prescription Drug Monitoring Program (PDMP)

<https://www.ruralcommunitytoolbox.org/funding/405>

Grants for state and local governments to implement and enhance prescription drug monitoring programs to ensure safe prescribing and prevent the misuse of prescription drugs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell program) - Competitive

<https://www.ruralcommunitytoolbox.org/funding/149>

Grants to support personnel, training, equipment, and infrastructure costs for medical examiners and forensic pathologists conducting autopsies from opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell Program) - Formula

<https://www.ruralcommunitytoolbox.org/funding/411>

Grants for states to improve the quality and efficiency of forensic science and medical examiner/coroner services in order to address increases in opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Overdose Detection Mapping Application Program (ODMAP) Statewide Expansion and Response

<https://www.ruralcommunitytoolbox.org/funding/245>

Funding for demonstration projects to support the statewide adoption of the Overdose Detection Mapping Application Program.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Information

Rural Sheriffs and Judges Workshop Highlights

<https://www.ruralcommunitytoolbox.org/information/464>

Video recording sharing highlights from a December 2018 workshop in Knoxville, Tennessee attended by rural sheriffs and judges discussing new ways to address the opioid crisis.

Office for Victims of Crimes (OVC)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Juvenile Tribal Healing to Wellness Courts - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #8

<https://www.ruralcommunitytoolbox.org/funding/19>

Cooperative agreement to develop new or expand existing juvenile healing to wellness courts to respond to substance use related issues of youth under the age of 21.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

OJJDP Mentoring Program

<https://www.ruralcommunitytoolbox.org/information/247>

Information about opportunities and resources related to youth mentoring, including relevant research, programmatic grants, training and technical assistance, and publications.

U.S. Department of Labor

Employment and Training Administration (ETA)

Funding

Workforce Opportunity for Rural Communities (WORC) Initiative

<https://www.ruralcommunitytoolbox.org/funding/415>

Grants for workforce development projects in the Appalachian and Delta regions to prepare workers for high-demand jobs and address the effects of opioid use on the workforce.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

New Federal Employees' Compensation Act (FECA) Policy on Opioid Medications

<https://www.ruralcommunitytoolbox.org/information/158>

Policy governing the prescription of opioids for federal employees receiving workers' compensation coverage.

Opioid Policy Four-Point Strategic Plan to Protect Federal Injured Workers

<https://www.ruralcommunitytoolbox.org/information/205>

Policy and strategic plan to protect injured federal workers from the risk of opioid misuse and addiction.

U.S. Department of Labor Women's Bureau

Funding

Re-Employment, Support, and Training for the Opioid Related Epidemic (RESTORE) Grant Program

<https://www.ruralcommunitytoolbox.org/funding/380>

Funding to provide employment training, career services, and supportive services to women directly or indirectly affected by the opioid crisis.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Transportation

Federal Transit Administration (FTA)

Funding

Mobility for All Pilot Program Grants

<https://www.ruralcommunitytoolbox.org/funding/300>

Grant to improve transportation services and coordinate access to essential community services for older adults, people with disabilities, and individuals with low income.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

Video recording from a September 18, 2018 workshop in Lewisburg, West Virginia on improving access to transportation to address the opioid epidemic rural communities.

U.S. Department of Veterans Affairs

Treatment & Services

Veterans Crisis Line

<https://www.ruralcommunitytoolbox.org/treatment-services/194>

Hotline for free and confidential support for veterans and others in crisis. Call 1-800-273-8255 and press 1 or text 838255 to get help. Available 24 hours a day, 7 days a week.

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for Opioid Therapy for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/215>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for chronic pain patients.

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

MyHealthVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Summary of VA Treatment Programs for Substance Use Problems

<https://www.ruralcommunitytoolbox.org/information/203>

Information on treatment options for veterans experiencing substance use issues, including opioids, alcohol, and tobacco.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

Treatment & Services

VA Substance Use Disorder Program Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/1>

Directory of substance use disorder programs available from U.S. Department of Veterans Affairs medical centers.

VHA Mental Health Care Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/241>

Tools to locate post-traumatic stress disorder programs, Veterans Affairs medical centers, suicide prevention coordinators, vet centers, and community mental health contacts.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Fentanyl and Carfentanil

<https://www.ruralcommunitytoolbox.org/information/255>

Information on fentanyl and carfentanil and the strength of these potent synthetic opioids.

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

Medications for Opioid Use Disorder (OUD)

<https://www.ruralcommunitytoolbox.org/information/198>

Information on methadone, buprenorphine, and naltrexone and how they are used to provide medication-assisted treatment for opioid use disorder.

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

Pain: New Ways to Treat a Common Problem, Patient Guide

<https://www.ruralcommunitytoolbox.org/information/199>

Information on acute and chronic pain, including pain management strategies and treatments.

VA Center for Medication Safety (VA MedSAFE)

<https://www.ruralcommunitytoolbox.org/information/228>

Information on the safe disposal of medications to prevent substance misuse and accidental poisonings for veterans and their families. Takes back unused and expired medications.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Expert Help & Training

VA Extension for Community Health Outcomes (ECHO) Expansion in Specialty Care

<https://www.ruralcommunitytoolbox.org/expert-help/161>

Training for providers on specialties relevant to providing healthcare services and treatment for veterans, especially those residing in rural communities

Treatment & Services

VA Telehealth Clinical Resource Hubs (CRH)

<https://www.ruralcommunitytoolbox.org/treatment-services/102>

Service to increase access to mental healthcare and treatment for rural, Native American, and other veteran populations in underserved communities or who face barriers to care.

Suicide and Suicide Prevention

AmeriCorps

Funding

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Agriculture

[National Institute of Food and Agriculture \(NIFA\)](#)

Funding

Farm and Ranch Stress Assistance Network (FRSAN)

<https://www.ruralcommunitytoolbox.org/funding/389>

Grant to establish four regional networks that connect individuals in farming, ranching, and other agricultural occupations to stress assistance programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Education

[Office of Elementary and Secondary Education \(OESE\)](#)

Funding

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Rural Suicide Prevention Toolkit

<https://www.ruralcommunitytoolbox.org/information/290>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain suicide prevention programs in rural communities.

Indian Health Service (IHS)

Funding

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Behavioral Health Fact Sheet

<https://www.ruralcommunitytoolbox.org/information/265>

Fact sheet on Indian Health Service behavioral health services for American Indian and Alaska Native communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Community Mental Health Services Block Grant (MHBG)

<https://www.ruralcommunitytoolbox.org/funding/327>

Block grant funding to provide comprehensive community mental health services for adults with serious mental illnesses and children with serious emotional disturbances.

What This Program Funds: New Program • Operating Costs and Staffing

Information

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

Treatment & Services

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Treatment & Services

Veterans Crisis Line

<https://www.ruralcommunitytoolbox.org/treatment-services/194>

Hotline for free and confidential support for veterans and others in crisis. Call 1-800-273-8255 and press 1 or text 838255 to get help. Available 24 hours a day, 7 days a week.

Veterans Health Administration (VHA)

Information

VHA Mental Health Care Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/241>

Tools to locate post-traumatic stress disorder programs, Veterans Affairs medical centers, suicide prevention coordinators, vet centers, and community mental health contacts.

VA Pharmacy Benefits Management (PBM) Services

Information

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Information

VA Rural Health Enterprise-Wide Initiatives

<https://www.ruralcommunitytoolbox.org/information/62>

Information on enterprise-wide initiatives currently supported by the Veterans Health Administration Office of Rural Health.

Syringe Services Programs

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Integrated Human Immunodeficiency Virus (HIV) Surveillance and Prevention Programs for Health Departments

<https://www.ruralcommunitytoolbox.org/funding/82>

Cooperative agreement to support the implementation of comprehensive and integrated HIV surveillance and prevention programs.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Information

Ending the HIV Epidemic: A Plan for America

<https://www.ruralcommunitytoolbox.org/information/382>

Information on a new ten-year U.S. Department of Health and Human Services initiative to end the HIV epidemic through cooperative national, state, and local interventions.

Evidence-Based Strategies for Preventing Opioid Overdose: What's Working in the United States

<https://www.ruralcommunitytoolbox.org/information/231>

Information on evidence-based opioid overdose prevention practices for community leaders, local and regional organizers, nonprofit groups, law enforcement, and other stakeholders.

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Funding

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Teleservices and Technology

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

Delta Regional Authority (DRA)

Expert Help & Training

Delta Region Community Health Systems Development Program

<https://www.ruralcommunitytoolbox.org/expert-help/493>

Technical assistance for healthcare providers in the Delta region to strengthen local health systems and healthcare service delivery in rural communities.

Federal Communications Commission

Universal Service Administrative Company (USAC)

Funding

The Rural Health Care Program

<https://www.ruralcommunitytoolbox.org/funding/89>

Financial assistance for healthcare facilities towards telecommunication expenses and network equipment to increase connectivity and access to broadband in rural areas.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

E-Rate Program: The Schools and Libraries Universal Service Support Mechanism

<https://www.ruralcommunitytoolbox.org/funding/209>

Financial assistance for schools and libraries towards eligible data transmission services, internet access, internal connections, and managed internal broadband services.

What This Program Funds: Equipment

High Cost Program - Connect America Fund

<https://www.ruralcommunitytoolbox.org/funding/91>

Financial assistance for telecommunications carriers in rural areas where the market alone cannot support the with infrastructure and network costs.

What This Program Funds: Operating Costs and Staffing

Lifeline Program

<https://www.ruralcommunitytoolbox.org/funding/417>

A monthly benefit for low-income households to help lower the cost of home phone, mobile phone, or high-speed broadband services.

What This Program Funds: Capacity Building

Connected Care Pilot Program

<https://www.ruralcommunitytoolbox.org/funding/470>

Funding available to healthcare providers to defray the cost of providing connected healthcare services to patients.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

State Justice Institute (SJI)

Funding

Court Pandemic Response and Recovery Grant Program

<https://www.ruralcommunitytoolbox.org/funding/453>

Grants to assist state courts in their response to and recovery from the COVID-19 pandemic, focusing on the future of state court operations.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

USDA Rural Development (USDA RD)

Funding

Community Facilities Direct Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/177>

Loans and grants to assist rural areas with the development of essential community facilities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Economic Impact Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/179>

Grants to develop essential community facilities and improve eligible facilities in rural areas facing extreme unemployment and economic decline.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Rural Business Development Grants (RBDG)

<https://www.ruralcommunitytoolbox.org/funding/183>

Grants for technical assistance, training, and other activities to develop and expand rural businesses with fewer than 50 new workers and less than \$1,000,000 in gross revenue.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Telecommunications Infrastructure Loans and Loan Guarantees

<https://www.ruralcommunitytoolbox.org/funding/189>

Loans and loan guarantees to build, enhance, and further develop telecommunication services in rural communities to improve communications and promote economic development.

What This Program Funds: Buildings and Facilities • Capacity Building

USDA Community Connect Grant Program

<https://www.ruralcommunitytoolbox.org/funding/175>

Grant to support the deployment of broadband in rural communities where private sector investments cannot due to economic and cost challenges.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing

Distance Learning and Telemedicine Grants (Traditional DLT)

<https://www.ruralcommunitytoolbox.org/funding/43>

Grants to support distance learning and telemedicine services in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

ReConnect Loan and Grant Program

<https://www.ruralcommunitytoolbox.org/funding/492>

Grants, low-interest loans, and grant-loan combinations to provide broadband service to rural communities without sufficient high-speed internet access.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program

Opioid Distance Learning and Telemedicine Grants (Opioid DLT)

<https://www.ruralcommunitytoolbox.org/funding/233>

Grants to support distance learning and telemedicine services for opioid use disorder prevention, treatment, and recovery in rural areas.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

USDA Rural Utilities Service

<https://www.ruralcommunitytoolbox.org/information/264>

Information on programs and funding to build or improve infrastructure in rural communities.

U.S. Department of Commerce

Economic Development Administration (EDA)

Funding

Economic Development Assistance Programs (EDAP): Public Works and Economic Adjustment Assistance Program (PWEAA)

<https://www.ruralcommunitytoolbox.org/funding/44>

Cooperative agreement to support economic development and revitalization projects in areas facing economic disruption and hardship, including rural and tribal communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

EDA CARES Act Recovery Assistance

<https://www.ruralcommunitytoolbox.org/funding/414>

Grants for economic development programs to help communities and regions prevent, prepare for, and respond to the COVID-19 pandemic.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Health & Human Services

Funding

Rural Health Network Development Planning Program

<https://www.ruralcommunitytoolbox.org/funding/444>

Grants to assist rural communities in planning integrated healthcare networks to expand access and improve efficiency, coordination, and quality of rural health services.

What This Program Funds: Capacity Building • Equipment • Training Providers

Centers for Medicare & Medicaid Services (CMS)

Expert Help & Training

Quality Payment Program (QPP) Support for Small, Underserved, and Rural Practices

<https://www.ruralcommunitytoolbox.org/expert-help/495>

Technical assistance to help small, underserved, and rural medical practices participate in the Support for Small, Underserved, and Rural Practices Quality Payment Program.

Information

CMS Letter to State Medicaid Directors: Leveraging Medicaid Technology to Address the Opioid Crisis

<https://www.ruralcommunitytoolbox.org/information/79>

Letter summarizing information and strategies for states to combat the opioid crisis using technology and potential funding opportunities for these efforts.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

<https://www.ruralcommunitytoolbox.org/funding/365>

Funding to support the development, enhancement, or expansion of nurse practitioner residency programs to increase access to primary care in rural and underserved communities.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Advanced Nursing Education Workforce (ANEW) Program

<https://www.ruralcommunitytoolbox.org/funding/357>

Funding to support academic clinical partnerships that help train and prepare nursing school graduates to offer healthcare services to rural and underserved communities.

What This Program Funds: Training Providers

Grants to States to Support Oral Health Workforce Activities

<https://www.ruralcommunitytoolbox.org/funding/359>

Funding for states to develop and implement programs to address the dental workforce needs and increase access to oral health services in Dental Health Professional Shortage Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Expert Help & Training

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Information

Rural Healthcare Surge Readiness

<https://www.ruralcommunitytoolbox.org/information/441>

Information, resources, tools, and trainings to assist rural healthcare systems and facilities prepare for and respond to a COVID-19 surge.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: Capacity Development Program

<https://www.ruralcommunitytoolbox.org/funding/312>

Grants for infrastructure development and capacity building to develop, improve, or expand access to primary care services for people with HIV living in rural or underserved areas.

What This Program Funds: Capacity Building • Equipment • Training Providers

Maternal and Child Health Bureau (MCHB)

Expert Help & Training

Pediatric Mental Health Care Access Program (PMHCA)

<https://www.ruralcommunitytoolbox.org/expert-help/352>

Training, tele-consultation, technical assistance, and care coordination using telehealth for primary care providers to improve behavioral healthcare for children and youth.

Funding

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Emergency Medical Services for Children State Partnership Program (EMSC SP)

<https://www.ruralcommunitytoolbox.org/funding/301>

Grant supporting demonstration projects to improve the quality of state emergency medical services systems for children.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Expert Help & Training

Indian Health Service (IHS) IT Network Operations and Support Center (NOSC)

<https://www.ruralcommunitytoolbox.org/expert-help/101>

Technical assistance for the Indian Health Service wide area network, which enables the effective use and exchange of electronic health records and information.

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Prevention Technology Transfer Center Network (PTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/480>

Technical assistance to support substance use prevention efforts by increasing knowledge and implementation of evidence-based practices and new technology.

Funding

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

Supporting Behavioral Health Programs and Personnel During COVID-19

<https://www.ruralcommunitytoolbox.org/information/471>

Presentation on efforts to support behavioral health programming and the well-being of personnel during the COVID-19 pandemic.

U.S. Department of Housing and Urban Development (HUD)

Expert Help & Training

ConnectHomeUSA

<https://www.ruralcommunitytoolbox.org/expert-help/7>

Service to increase opportunities and technology services to meet the educational, professional, and health needs of residents who receive housing assistance.

HUD Office of Policy Development and Research (PD&R)

Information

HUD EnVision Centers

<https://www.ruralcommunitytoolbox.org/information/145>

Information on projects that serve as a centralized hubs providing resources and tools to help individuals and families in assisted housing become more self-sufficient.

Office of Public and Indian Housing (PIH)

Funding

Public Housing Neighborhood Networks (NN)

<https://www.ruralcommunitytoolbox.org/funding/146>

Funds to provide computers and internet access to public housing residents by creating community technology centers within public housing buildings or developments.

What This Program Funds: Buildings and Facilities • Equipment • New Program • Operating Costs and Staffing

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Public Safety and Community Policing - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #1

<https://www.ruralcommunitytoolbox.org/funding/256>

Cooperative agreement to improve public safety in tribal communities and support tribal law enforcement agencies with crime control, prevention, and community policing.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell program) - Competitive

<https://www.ruralcommunitytoolbox.org/funding/149>

Grants to support personnel, training, equipment, and infrastructure costs for medical examiners and forensic pathologists conducting autopsies from opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Paul Coverdell Forensic Science Improvement Grants Program (Coverdell Program) - Formula

<https://www.ruralcommunitytoolbox.org/funding/411>

Grants for states to improve the quality and efficiency of forensic science and medical examiner/coroner services in order to address increases in opioid-related overdose deaths.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Transportation

Federal Transit Administration (FTA)

Funding

Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310)

<https://www.ruralcommunitytoolbox.org/funding/302>

Formula grants to enhance mobility and increase access to transportation services for seniors and people with disabilities, including suffering from drug addiction.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Mobility for All Pilot Program Grants

<https://www.ruralcommunitytoolbox.org/funding/300>

Grant to improve transportation services and coordinate access to essential community services for older adults, people with disabilities, and individuals with low income.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Expert Help & Training

VA Extension for Community Health Outcomes (ECHO) Expansion in Specialty Care

<https://www.ruralcommunitytoolbox.org/expert-help/161>

Training for providers on specialties relevant to providing healthcare services and treatment for veterans, especially those residing in rural communities

Information

VA Rural Health Enterprise-Wide Initiatives

<https://www.ruralcommunitytoolbox.org/information/62>

Information on enterprise-wide initiatives currently supported by the Veterans Health Administration Office of Rural Health.

Treatment & Services

VA Telehealth Clinical Resource Hubs (CRH)

<https://www.ruralcommunitytoolbox.org/treatment-services/102>

Service to increase access to mental healthcare and treatment for rural, Native American, and other veteran populations in underserved communities or who face barriers to care.

VA Telephone Lifestyle Coaching Program (TLC)

<https://www.ruralcommunitytoolbox.org/treatment-services/72>

Service that provides telephone-based lifestyle coaching to veterans focused on topics such as alcohol use, food consumption, weight management, stress reduction, and more.

Vets Prevail

<https://www.ruralcommunitytoolbox.org/treatment-services/67>

Service offering subscription based cognitive behavioral therapy services for veterans. Service free to veterans.

Transportation

Appalachian Regional Commission (ARC)

Funding

Partnerships for Opportunity and Workforce and Economic Revitalization (POWER) Initiative

<https://www.ruralcommunitytoolbox.org/funding/32>

Grants for economic revitalization projects to help Appalachian counties affected by employment loss in coal-mining, coal-power plants, or related supply-chain industries.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Starting a Business

U.S. Department of Agriculture

[USDA Rural Development \(USDA RD\)](#)

Funding

Rural Business Development Grants (RBDG)

<https://www.ruralcommunitytoolbox.org/funding/183>

Grants for technical assistance, training, and other activities to develop and expand rural businesses with fewer than 50 new workers and less than \$1,000,000 in gross revenue.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment

Tribal College Initiative Grants

<https://www.ruralcommunitytoolbox.org/funding/196>

Grants for tribal colleges and universities to purchase equipment and improve infrastructure for educational facilities, and develop essential community facilities.

What This Program Funds: Buildings and Facilities • Equipment

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

<https://www.ruralcommunitytoolbox.org/information/465>

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Rural Health Research Center Publications on Transportation

<https://www.ruralcommunitytoolbox.org/information/284>

Research publications, findings, and resources on transportation in rural areas from federally-funded Rural Health Research Center.

Rural Transportation Toolkit

<https://www.ruralcommunitytoolbox.org/information/291>

Toolkit on evidence-based and promising models and related resources to implement, evaluate, and sustain transportation programs in rural communities.

Transportation to Support Rural Healthcare Topic Guide

<https://www.ruralcommunitytoolbox.org/information/275>

Information, events, funding opportunities, and other resources to support transportation for rural healthcare.

Indian Health Service (IHS)

Funding

Youth Regional Treatment Centers Aftercare Pilot Project (Youth Aftercare)

<https://www.ruralcommunitytoolbox.org/funding/163>

Cooperative agreement to develop a pilot project to address the gap in support systems and services for youth leaving a regional treatment center and returning to their community.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Preventing Alcohol-Related Deaths Through Social Detoxification (PARD)

<https://www.ruralcommunitytoolbox.org/funding/159>

Cooperative agreement expanding access to treatment for American Indian individuals with alcohol use disorder or substance use disorder in the Navajo and Great Plains Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

U.S. Department of Transportation

Federal Transit Administration (FTA)

Expert Help & Training

National Rural Transit Assistance Program (National RTAP)

<https://www.ruralcommunitytoolbox.org/expert-help/230>

Technical assistance center to support state rural transit assistance programs and training for rural and tribal transit operators to ensure safe public transportation services.

Funding

Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310)

<https://www.ruralcommunitytoolbox.org/funding/302>

Formula grants to enhance mobility and increase access to transportation services for seniors and people with disabilities, including suffering from drug addiction.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Formula Grants for Rural Areas

<https://www.ruralcommunitytoolbox.org/funding/80>

Formula grants to states and tribes to assist with supporting, maintaining, and expanding upon current public transit services in rural communities.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Public Transportation COVID-19 Research Demonstration Grant Program

<https://www.ruralcommunitytoolbox.org/funding/458>

Grant to support demonstration projects for public transit agencies to develop and implement innovative solutions to address COVID-19 related transportation challenges.

What This Program Funds: Equipment • Operating Costs and Staffing

Public Transportation on Indian Reservations Program (Tribal Transit Program)

<https://www.ruralcommunitytoolbox.org/funding/416>

Grants to Native American tribes for public transit services in rural tribal areas, including planning, operating, and capital expenses to meet public transportation needs.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing

Mobility for All Pilot Program Grants

<https://www.ruralcommunitytoolbox.org/funding/300>

Grant to improve transportation services and coordinate access to essential community services for older adults, people with disabilities, and individuals with low income.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Information

Opioids Misuse: Increasing Access to Transportation in Rural Communities

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

National Health Service Corps Rural Community Loan Repayment Program (NHSC Rural Community LRP)

<https://www.ruralcommunitytoolbox.org/funding/141>

Loan repayment for primary care and behavioral/mental health professionals in exchange for service obligations in rural Primary Care and Mental Health Professional Shortage Areas.

What This Program Funds: Financial Aid for Healthcare Workforce

National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD Workforce LRP)

<https://www.ruralcommunitytoolbox.org/funding/137>

Loan repayment for substance use disorder primary care and behavioral/mental health professionals in exchange for service obligations in a Health Professional Shortage Area.

What This Program Funds: Financial Aid for Healthcare Workforce

Nurse Anesthetist Traineeship (NAT) Program

<https://www.ruralcommunitytoolbox.org/funding/358>

Funding to increase the number of certified registered nurse anesthetists providing care in rural and underserved areas.

What This Program Funds: Training Providers

Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program

<https://www.ruralcommunitytoolbox.org/funding/347>

Grants to improve existing and develop new accredited primary care residency training programs in rural and underserved areas to increase access to affordable, quality healthcare.

What This Program Funds: Capacity Building • Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program - Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/100>

Funds health centers' efforts to address needs related to mental health, substance use disorder, and opioid use disorder in rural and other medically underserved communities.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Information

How to Receive Medication-Assisted Treatment (MAT) Training

<https://www.ruralcommunitytoolbox.org/information/494>

Information for clinicians on how to receive free training to obtain a waiver enabling them to provide medication-assisted treatment for individuals with opioid use disorder.

HRSA Behavioral Health Workforce Development Grants and Programs

<https://www.ruralcommunitytoolbox.org/information/190>

Information on grants and programs to support the development and education of the of the behavioral health workforce to meet the needs of rural and underserved populations.

Bureau of Primary Health Care (BPHC)

Funding

Integrated Behavioral Health Services (IBHS) Supplemental Funding

<https://www.ruralcommunitytoolbox.org/funding/349>

Supplemental funding for health centers to support the expansion of integrated behavioral health services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH)

<https://www.ruralcommunitytoolbox.org/funding/96>

Funding to help health centers employ evidence-based strategies to address opioid use disorder and other substance use disorders.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Training Providers

Expert Help & Training

Fletcher Group Rural Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/407>

Technical assistance for recovery housing, treatment, and prevention programs for substance use disorder targeting over 100 counties in eight states.

University of Rochester Medicine Recovery Center of Excellence (RCOE)

<https://www.ruralcommunitytoolbox.org/expert-help/408>

Technical assistance to rural communities to address substance use disorder and synthetic opioids with special focus on high-need Appalachian counties.

University of Vermont Center on Rural Addiction (CORA)

<https://www.ruralcommunitytoolbox.org/expert-help/406>

Technical assistance to support providers in efforts to prevent and treat of substance use disorders in rural Vermont, Maine, and New Hampshire.

Funding

Rural Communities Opioid Response Program – Implementation (RCORP – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/392>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with opioid or substance use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Psychostimulant Support (RCORP – PS)

<https://www.ruralcommunitytoolbox.org/funding/505>

Grants to implement evidence-based prevention, treatment, and recovery activities for individuals in rural communities with psychostimulant use disorders and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural Communities Opioid Response Program – Planning (RCORP – Planning)

<https://www.ruralcommunitytoolbox.org/funding/95>

Supports rural communities' plans to engage high risk populations and build capacity for prevention, treatment, and recovery responses to opioid and other substance use disorders.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Rural HIV/AIDS Planning Program

<https://www.ruralcommunitytoolbox.org/funding/467>

Grant to support the planning and development of integrated health networks in rural communities to provide comprehensive HIV care and treatment.

What This Program Funds: Capacity Building

Rural Communities Opioid Response Program – Medication-Assisted Treatment (RCORP – MAT Expansion)

<https://www.ruralcommunitytoolbox.org/funding/362>

Grants to establish or expand medication-assisted treatment in hospitals, health clinics, or tribal organizations in high-risk rural communities.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Information

Rural Health Research Center Publications on Substance Use and Treatment

<https://www.ruralcommunitytoolbox.org/information/278>

Research publications, findings, webinars, and resources on substance use and treatment in rural areas from federally-funded Rural Health Research Centers.

Rural Prevention and Treatment of Substance Use Disorders Toolkit

<https://www.ruralcommunitytoolbox.org/information/287>

Toolkit on evidence-based and promising models and resources to implement, evaluate, and sustain substance use disorders prevention and treatment programs in rural communities.

Rural Response to the Opioid Crisis Topic Guide

<https://www.ruralcommunitytoolbox.org/information/271>

Information, events, successful model program examples, and funding opportunities to support efforts to address the opioid crisis in rural areas.

HIV/AIDS Bureau (HAB)

Funding

Ryan White HIV/AIDS Program (RWHAP) Part C: HIV Early Intervention Services (EIS) Program - New Geographic Service Areas

<https://www.ruralcommunitytoolbox.org/funding/315>

Grants to provide outpatient primary care and support services in new geographic service areas for low-income, uninsured, rural, and underserved individuals with HIV.

What This Program Funds: New Program • Operating Costs and Staffing

Maternal and Child Health Bureau (MCHB)

Funding

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Preventing Alcohol-Related Deaths Through Social Detoxification (PARD)

<https://www.ruralcommunitytoolbox.org/funding/159>

Cooperative agreement expanding access to treatment for American Indian individuals with alcohol use disorder or substance use disorder in the Navajo and Great Plains Areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Suicide Prevention (SASP)

<https://www.ruralcommunitytoolbox.org/funding/160>

Grant to address substance use and suicide among American Indian and Alaska Native populations through evidence-based, culturally-appropriate prevention and treatment models.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Indian Health Service (IHS) Opioids and the COVID-19 Pandemic: Addressing the Opioid Crisis during the COVID-19 Pandemic

<https://www.ruralcommunitytoolbox.org/information/440>

Information and resources to address the impacts of COVID-19 on the opioid crisis in Native American communities.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Addiction Technology Transfer Center Network (ATTC)

<https://www.ruralcommunitytoolbox.org/expert-help/8>

Technical assistance related to addiction treatment and recovery services. Promotes awareness and evidence-based practices of opioid use disorder and other substance use disorders.

Opioid Response Network State Targeted Response Technical Assistance (STR-TA) Consortium

<https://www.ruralcommunitytoolbox.org/expert-help/339>

Technical assistance, training, and education for communities related to evidence-based practices for opioid use disorder prevention, treatment, and recovery services.

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

<https://www.ruralcommunitytoolbox.org/expert-help/6>

Supports opioid use disorder treatment by providing healthcare professionals with evidence-based training, education, resources, and free medication-assisted treatment training.

Funding

Enhancement and Expansion of Treatment and Recovery Services for Adolescents, Transitional Aged Youth, and Their Families (Youth and Family TREE)

<https://www.ruralcommunitytoolbox.org/funding/114>

Funding to expand access to evidence-based early intervention, treatment, and recovery support services for youth with substance use disorder or co-occurring disorders.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Marriage and Family Therapy Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/170>

Fellowship for master's and doctoral students in marriage and family therapy program to build cultural competency in mental health treatment for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Tribal Opioid Response Grants (TOR)

<https://www.ruralcommunitytoolbox.org/funding/112>

Grants to help tribal communities build and strengthen a comprehensive response to the opioid epidemic by increasing access to prevention, treatment, and recovery support services.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Social Work Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/174>

Fellowships for master's and doctoral social work students to develop cultural competency skills in mental health and substance abuse services for ethnic and racial minorities.

What This Program Funds: Financial Aid for Healthcare Workforce

Nursing Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/171>

Fellowships for ethnic or racial minority students in master's or doctoral psychiatric, mental health, or substance abuse nursing programs.

What This Program Funds: Financial Aid for Healthcare Workforce

Psychiatry Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/172>

Fellowships for psychiatry residents to conduct innovative research projects on mental health and substance use issues for underserved ethnic and racial minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Addictions Counseling Minority Fellowship Program (MFP)

<https://www.ruralcommunitytoolbox.org/funding/176>

Fellowship for master's level addictions counseling students to develop cultural competency skills in substance use disorder counseling services for minority populations.

What This Program Funds: Financial Aid for Healthcare Workforce

Rural Opioids Technical Assistance Grants (ROTA)

<https://www.ruralcommunitytoolbox.org/funding/108>

Grants for existing USDA Cooperative Extension grantees to develop and offer training and technical assistance for rural communities to address opioid and stimulant use.

What This Program Funds: Capacity Building

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts (SAMHSA Treatment Drug Courts)

<https://www.ruralcommunitytoolbox.org/funding/109>

Funding to expand substance use disorder treatment services in existing Adult and Family Drug Treatment Courts and Adult Tribal Healing to Wellness Courts to reduce incarceration.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Grants for the Benefit of Homeless Individuals (GBHI)

<https://www.ruralcommunitytoolbox.org/funding/115>

Funds the implementation and expansion of local efforts to enhance community infrastructure and provide behavioral health services to individuals experiencing homelessness.

What This Program Funds: New Program • Operating Costs and Staffing

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

First Responders – Comprehensive Addiction and Recovery Act (FR-CARA)

<https://www.ruralcommunitytoolbox.org/funding/142>

Funding for training and resources for first responders and key community members to carry and administer approved drugs or devices for the emergency treatment of opioid overdoses.

What This Program Funds: Training Providers

Targeted Capacity Expansion: Medication-Assisted Treatment - Prescription Drug and Opioid Addiction (MAT-PDOA)

<https://www.ruralcommunitytoolbox.org/funding/31>

Funding to increase access to medication-assisted treatment and comprehensive psychosocial and recovery support services for individuals with opioid use disorder.

What This Program Funds: New Program • Operating Costs and Staffing

Improving Access to Overdose Treatment (OD Treatment Access)

<https://www.ruralcommunitytoolbox.org/funding/124>

Expands community access to approved drugs and devices for opioid overdose treatment by establishing best practices for prescribing overdose reversal drugs, such as naloxone.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Offender Reentry Program (ORP)

<https://www.ruralcommunitytoolbox.org/funding/110>

Funding to expand access to treatment, recovery, and reentry services for past and current adult offenders with a substance use disorder and possible co-occurring mental illness.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Recovery Community Services Program – Statewide Network (RCSP-SN)

<https://www.ruralcommunitytoolbox.org/funding/133>

Supports infrastructure development, healthcare access, and recovery support services to improve treatment and recovery services for individuals with substance use disorder.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

State Targeted Response to the Opioid Crisis Grants (Opioid STR)

<https://www.ruralcommunitytoolbox.org/funding/123>

Offers formula grants to states and territories to develop and expand opioid use disorder prevention, treatment, and recovery activities and reduce opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Cooperative Agreements for Adolescent and Transitional Aged Youth Treatment Implementation (Youth Treatment – Implementation)

<https://www.ruralcommunitytoolbox.org/funding/116>

Enhances state-wide access to treatment and recovery services for adolescents and youth with substance use disorders and/or co-occurring substance use and mental disorders.

What This Program Funds: Operating Costs and Staffing • Training Providers

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Grants to Expand Care Coordination Targeted Capacity Expansion Through the Use of Technology Assisted Care in Targeted Areas of Need (TCE-TAC)

<https://www.ruralcommunitytoolbox.org/funding/107>

Funds technology-based treatment, recovery, and service enhancements to improve the health of youth and adults with substance use disorders and co-occurring mental disorders.

What This Program Funds: Equipment • Operating Costs and Staffing

Information

COVID-19 FAQ: Resource for Addiction Treatment and Recovery Support Specialists

<https://www.ruralcommunitytoolbox.org/information/478>

Provides answers to frequently asked question related to COVID-19 and substance use treatment and recovery.

Inspire and Think Big: Recovery Communities' Role in Challenging Times, Part 5

<https://www.ruralcommunitytoolbox.org/information/476>

Interview discussing the Recovery-Oriented System of Care model and how it can build resiliency in recovery communities in times of change, such as the COVID-19 crisis.

Listening Session and Strategic Discussion Series: COVID-19 and Substance Use Prevention, Treatment, and Recovery Workforces

<https://www.ruralcommunitytoolbox.org/information/469>

A 6-part national online discussion series on issues of COVID-19, substance use, SUD workforce, and health disparities among underserved racial and ethnic minority populations.

Office-Based Opioid Treatment Management and COVID-19

<https://www.ruralcommunitytoolbox.org/information/455>

Presentation on the challenges, best practices, and alternative methods of providing opioid and substance use disorder treatment with COVID-19 restrictions.

SAMHSA Criminal and Juvenile Justice Programs

<https://www.ruralcommunitytoolbox.org/information/309>

Information on programs and resources to address the challenges justice system-involved individuals face when seeking treatment for mental illness and substance use disorders.

SAMHSA Data and Dissemination

<https://www.ruralcommunitytoolbox.org/information/334>

Information and data on various aspects of behavioral health, including substance use and mental health treatment services.

SAMHSA Evidence-Based Practices Resource Center

<https://www.ruralcommunitytoolbox.org/information/346>

Resource center for communities, healthcare professionals, policymakers, and others to implement evidence-based practices for mental illness and substance use disorders.

SAMHSA Faith-Based and Community Initiatives (FBCI)

<https://www.ruralcommunitytoolbox.org/information/342>

Information to support partnerships between faith-based and community organizations and federal programs to prevent and treat substance abuse and provide mental health services.

SAMHSA Medication-Assisted Treatment (MAT) Programs

<https://www.ruralcommunitytoolbox.org/information/336>

Information on medication-assisted treatment and on opioid treatment programs. Describes the SUPPORT Act and provides information and training resources.

SAMHSA Workforce Programs

<https://www.ruralcommunitytoolbox.org/information/308>

Information on programs and resources to increase the supply of trained, culturally aware behavioral health professionals.

Treatment & Services

FindTreatment.gov

<https://www.ruralcommunitytoolbox.org/treatment-services/449>

Directory of state-licensed providers across the U.S. specializing in the treatment of substance use disorders (SUD), addiction, and mental illness.

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

SAMHSA Screening, Brief Intervention, and Referral to Treatment (SBIRT) Programs

<https://www.ruralcommunitytoolbox.org/treatment-services/306>

Services to assist with the provision of substance use disorder treatment and early intervention services for those with or at risk of developing substance use disorders.

U.S. Department of Justice

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Funding

Residential Substance Abuse Treatment for State Prisoners Program (RSAT)

<https://www.ruralcommunitytoolbox.org/funding/143>

Grant to support the formation and execution of residential substance use treatment programs in state, local, and tribal correctional and detention centers.

What This Program Funds: Capacity Building • New Program

Adult Drug Court (ADC) and Veterans Treatment Court (VTC) Discretionary Grant Program

<https://www.ruralcommunitytoolbox.org/funding/147>

Grant for states, state and local courts, local governments, and tribal governments to support new and existing adult drug courts, veteran treatment courts, and other drug courts.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Tribal Justice Systems Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #3

<https://www.ruralcommunitytoolbox.org/funding/260>

Cooperative agreement to develop, support, and improve adult tribal justice systems through various activities and services.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Addressing Substance Use Disorders in America's Jails: Clinical Guidelines for Withdrawal Management

<https://www.ruralcommunitytoolbox.org/funding/466>

Grant to develop clinical guidelines and protocols for the medical management of substance withdrawal in jail-based settings.

What This Program Funds: New Program • Operating Costs and Staffing

Comprehensive Opioid, Stimulant, and Substance Abuse Site-Based Program (COSSAP)

<https://www.ruralcommunitytoolbox.org/funding/130>

Cooperative agreement for state, local, and tribal government entities working to decrease opioid misuse and opioid-related overdose deaths.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Justice and Mental Health Collaboration Program (JMHCP)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Improving Reentry for Adults with Substance Use Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/503>

Grant to help corrections systems provide substance use disorder treatment and recovery services for offenders during incarceration and upon reentry into society.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Rural Response to the Opioid Epidemic

<https://www.ruralcommunitytoolbox.org/funding/254>

Funding for rural communities to prevent and reduce opioid overdose deaths through collaboration between public health and public safety sectors.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Office for Victims of Crimes (OVC)

Funding

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Funding

Mentoring for Youth Affected by the Opioid Crisis and Drug Addiction

<https://www.ruralcommunitytoolbox.org/funding/157>

Grant to expand existing mentoring services and activities for youth currently or at risk of misusing or addicted to opioids, methamphetamine, or other substances.

What This Program Funds: Capacity Building • Operating Costs and Staffing • Training Providers

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Juvenile Justice and Mental Health Collaboration Program

<https://www.ruralcommunitytoolbox.org/funding/499>

Grants to increase public safety by supporting cross-system collaboration to improve responses and outcomes for youth involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Labor

Office of Workers' Compensation Programs (OWCP)

Information

Alternative Pain Management and Treatment for Opioid Use Disorder – Federal Employees' Compensation Act Bulletin NO. 18-06

<https://www.ruralcommunitytoolbox.org/information/154>

Policy guiding the authorization of alternative, non-opioid pain management treatments and treatment for opioid use disorder for federal workers receiving workers' compensation

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Summary of VA Treatment Programs for Substance Use Problems

<https://www.ruralcommunitytoolbox.org/information/203>

Information on treatment options for veterans experiencing substance use issues, including opioids, alcohol, and tobacco.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

Treatment & Services

VA Substance Use Disorder Program Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/1>

Directory of substance use disorder programs available from U.S. Department of Veterans Affairs medical centers.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Medications for Opioid Use Disorder (OUD)

<https://www.ruralcommunitytoolbox.org/information/198>

Information on methadone, buprenorphine, and naltrexone and how they are used to provide medication-assisted treatment for opioid use disorder.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

AmeriCorps

Funding

AmeriCorps VISTA for Project Sponsors

<https://www.ruralcommunitytoolbox.org/funding/234>

Program providing organizations the opportunity to engage and sponsor AmeriCorps VISTA service members to help develop or expand community anti-poverty projects.

What This Program Funds: Capacity Building

AmeriCorps State Formula Grants

<https://www.ruralcommunitytoolbox.org/funding/164>

Grants awarded by a State Service Commission to support AmeriCorps members expand services and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

AmeriCorps Seniors RSVP Program

<https://www.ruralcommunitytoolbox.org/funding/165>

Grant for organizations to engage and manage individuals aged 55 and older for service projects implementing evidence-based programs and models to strengthen communities.

What This Program Funds: Capacity Building • Operating Costs and Staffing

AmeriCorps Indian Tribes Grants

<https://www.ruralcommunitytoolbox.org/funding/24>

Grants for American Indian and Alaska Native communities to engage AmeriCorps members to strengthen tribal communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Small Business Administration (SBA)

Information

Office of Veterans Business Development (OVBD) Resources

<https://www.ruralcommunitytoolbox.org/information/399>

Information on programs and services designed to help veterans and service-disabled veterans, service members, and their spouses pursue small business ownership.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Postdoctoral Training in General, Pediatric, and Public Health Dentistry

<https://www.ruralcommunitytoolbox.org/funding/361>

Funds postdoctoral dental training programs to increase access to oral healthcare services for low-income, underserved, uninsured, rural, and other disadvantaged populations.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Predoctoral Pediatric Training in General Dentistry and Dental Hygiene

<https://www.ruralcommunitytoolbox.org/funding/364>

Funding to plan, develop, and operate predoctoral general dentistry or dental hygiene training programs to offer enhanced oral care to vulnerable, underserved, and rural children.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Cooperative Agreements to Benefit Homeless Individuals (CABHI)

<https://www.ruralcommunitytoolbox.org/funding/119>

Funds enhancements to infrastructure and treatment services for mental and substance use disorders to build communities' capacity to care for individuals experiencing homelessness.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Treatment & Services

SAMHSA Find Treatment

<https://www.ruralcommunitytoolbox.org/treatment-services/310>

Directory of behavioral health treatment locator tools, hotlines for suicide prevention, treatment referral services, assistance for veterans in crisis, and more.

U.S. Department of Housing and Urban Development (HUD)

Office of Community Planning and Development

Information

Clinical Practice Guideline for Opioid Therapy for Chronic Pain

<https://www.ruralcommunitytoolbox.org/information/215>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for chronic pain patients.

Clinical Practice Guideline for the Management of Substance Use Disorders

<https://www.ruralcommunitytoolbox.org/information/213>

Information for U.S. Department of Veterans Affairs and U.S. Department of Defense clinical providers and patients to improve treatment for patients with substance use disorder.

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

MyHealtheVet Overdose Education for Veterans: Learning to Use Naloxone

<https://www.ruralcommunitytoolbox.org/information/200>

Information and videos on how to discuss naloxone and provide training on the use of three types of naloxone kits offered by the Veterans Health Administration.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Simple Tools to Aid and Restore (STAR) Well-Kit: Tools for Healing

<https://www.ruralcommunitytoolbox.org/information/220>

Toolkit sharing educational videos on wellness practices and integrative medicine tools and techniques for veterans.

Summary of VA Treatment Programs for Substance Use Problems

<https://www.ruralcommunitytoolbox.org/information/203>

Information on treatment options for veterans experiencing substance use issues, including opioids, alcohol, and tobacco.

VA Substance Use Resources

<https://www.ruralcommunitytoolbox.org/information/218>

Information on alcohol and drug misuse, including opioid use disorder and other substance use disorders. Covers screening, treatment, and programs and services for veterans.

VA Whole Health

<https://www.ruralcommunitytoolbox.org/information/223>

Information on a patient-centered approach to healthcare that supports veterans' overall physical, mental, and emotional health and wellness.

Veterans Employment Toolkit Resources

<https://www.ruralcommunitytoolbox.org/information/206>

Toolkit resources for employers, supervisors, and human resource professionals regarding the veteran workforce, their military experiences, and the benefits of hiring veterans.

VHA Compensated Work Therapy (CWT)

<https://www.ruralcommunitytoolbox.org/information/219>

Information for veterans and employers on compensated work therapy, a clinical vocational rehabilitation program available at Veterans Health Administration medical centers.

Treatment & Services

Health Care for Re-Entry Veterans (HCRV) Services and Resources

<https://www.ruralcommunitytoolbox.org/treatment-services/248>

Service to help veterans avoid homelessness and be successful following release from incarceration. Offers outreach, assessments, case management support, and referral services.

VA Substance Use Disorder Program Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/1>

Directory of substance use disorder programs available from U.S. Department of Veterans Affairs medical centers.

Veterans Justice Outreach Program (VJO)

<https://www.ruralcommunitytoolbox.org/treatment-services/252>

Service offering veterans with outreach, assessment, and case management to prevent homelessness and criminalization due to unmet mental health needs.

VHA Mental Health Care Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/241>

Tools to locate post-traumatic stress disorder programs, Veterans Affairs medical centers, suicide prevention coordinators, vet centers, and community mental health contacts.

VA Pharmacy Benefits Management (PBM) Services

Information

Acute Pain Management - Meeting the Challenges: A VA Clinician's Guide

<https://www.ruralcommunitytoolbox.org/information/201>

Information on acute pain management and treatment for Veterans Health Administration healthcare providers.

Marijuana Use Patient Discussion Tool

<https://www.ruralcommunitytoolbox.org/information/197>

Information on the potential short and long term risks of marijuana use and how it can negatively affect memory, reaction time, mental health, and organ health and function.

Medications for Opioid Use Disorder (OUD)

<https://www.ruralcommunitytoolbox.org/information/198>

Information on methadone, buprenorphine, and naltrexone and how they are used to provide medication-assisted treatment for opioid use disorder.

Opioid Overdose Education and Naloxone Distribution Program (OEND)

<https://www.ruralcommunitytoolbox.org/information/68>

Information and videos on the U.S. Department of Veterans Affairs opioid overdose education and naloxone distribution program to reduce veteran opioid overdoses and deaths.

Pain Education Materials Catalog

<https://www.ruralcommunitytoolbox.org/information/63>

Information catalog of pain-related instructional items put together by the U.S. Department of Veterans Affairs Pharmacy Benefits Management Academic Detailing Service.

Pain: New Ways to Treat a Common Problem, Patient Guide

<https://www.ruralcommunitytoolbox.org/information/199>

Information on acute and chronic pain, including pain management strategies and treatments.

VA Center for Medication Safety (VA MedSAFE)

<https://www.ruralcommunitytoolbox.org/information/228>

Information on the safe disposal of medications to prevent substance misuse and accidental poisonings for veterans and their families. Takes back unused and expired medications.

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Expert Help & Training

VA Extension for Community Health Outcomes (ECHO) Expansion in Specialty Care

<https://www.ruralcommunitytoolbox.org/expert-help/161>

Training for providers on specialties relevant to providing healthcare services and treatment for veterans, especially those residing in rural communities

Information

VA Rural Health Enterprise-Wide Initiatives

<https://www.ruralcommunitytoolbox.org/information/62>

Information on enterprise-wide initiatives currently supported by the Veterans Health Administration Office of Rural Health.

Treatment & Services

VA Telehealth Clinical Resource Hubs (CRH)

<https://www.ruralcommunitytoolbox.org/treatment-services/102>

Service to increase access to mental healthcare and treatment for rural, Native American, and other veteran populations in underserved communities or who face barriers to care.

VA Telephone Lifestyle Coaching Program (TLC)

<https://www.ruralcommunitytoolbox.org/treatment-services/72>

Service that provides telephone-based lifestyle coaching to veterans focused on topics such as alcohol use, food consumption, weight management, stress reduction, and more.

Vets Prevail

<https://www.ruralcommunitytoolbox.org/treatment-services/67>

Service offering subscription based cognitive behavioral therapy services for veterans. Service free to veterans.

Violence, Trauma, and Abuse

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Rural Education Achievement Program (REAP)

<https://www.ruralcommunitytoolbox.org/funding/58>

Formula grants for rural school districts that may have difficulty receiving awards through competitive grants due to a lack of resources.

What This Program Funds: New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

National Center on Safe Supportive Learning Environments (NCSSLE)

<https://www.ruralcommunitytoolbox.org/expert-help/65>

Technical assistance center providing information, resources, and training for schools, colleges, and universities to implement safe and supportive learning environments.

Funding

Title IV, Part A Student Support and Academic Enrichment (SSAE) Program

<https://www.ruralcommunitytoolbox.org/funding/61>

Formula grants for state educational agencies to support access to a well-rounded education, improve learning conditions, and increase digital literacy for all students.

What This Program Funds: New Program • Operating Costs and Staffing

School Climate Transformation Grant – Local Educational Agency Grants (SCTG-LEA) Program

<https://www.ruralcommunitytoolbox.org/funding/59>

Grants for local educational agencies to promote school climate and support a safe, healthy, and engaging learning environment for students.

What This Program Funds: New Program • Operating Costs and Staffing

Project Prevent Grant Program

<https://www.ruralcommunitytoolbox.org/funding/57>

Grants for local educational agencies to create school-based programs to help students affected by exposure to violence

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Special Education and Rehabilitative Services (OSERS)

Expert Help & Training

National Center for Pyramid Model Innovations (NCPMI)

<https://www.ruralcommunitytoolbox.org/expert-help/379>

Technical assistance for state systems and local programs implementing the Pyramid Model for Supporting Social Emotional Competence in Infants and Young Children, or Pyramid Model.

Positive Behavioral Interventions and Supports (PBIS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/71>

Technical assistance center to assist schools and school districts implementing the Positive Behavioral Interventions and Supports model to create a positive learning space.

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/226>

Information and resources for schools to provide services, support, and interventions to address opioid and substance misuse for students and their families

Young Children Who Are Exposed Prenatally to Substances and Their Families

<https://www.ruralcommunitytoolbox.org/information/378>

Information for state and local early intervention systems on the prevalence of infants and toddlers prenatally exposed to substances and supports to promote positive outcomes.

U.S. Department of Health & Human Services

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Advanced Nursing Education – Sexual Assault Nurse Examiners Program (ANE-SANE)

<https://www.ruralcommunitytoolbox.org/funding/360>

Funding for local, regional, or state-level organizations to develop advanced nursing education programs to train eligible nurses as certified sexual assault nurse examiners.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Information

Rural Health Research Center Publications on Emergency Medical Services and Trauma

<https://www.ruralcommunitytoolbox.org/information/279>

Research publications, findings, webinars, and resources on emergency medical services and trauma in rural areas from federally-funded Rural Health Research Centers.

Violence and Abuse in Rural America Topic Guide

<https://www.ruralcommunitytoolbox.org/information/273>

Information, events, successful model program examples, and funding opportunities related to violence and abuse in rural areas.

Maternal and Child Health Bureau (MCHB)

Funding

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Information

National Survey of Children's Health (NSCH)

<https://www.ruralcommunitytoolbox.org/information/316>

Information on an annual national and state-level survey on the health of children in the U.S. and factors related to the well-being of children, their families, and communities.

Indian Health Service (IHS)

Information

Indian Health Service (IHS) Behavioral Health Fact Sheet

<https://www.ruralcommunitytoolbox.org/information/265>

Fact sheet on Indian Health Service behavioral health services for American Indian and Alaska Native communities.

Treatment & Services

Indian Health Service (IHS) Division of Behavioral Health (DBH) Mental Health Program

<https://www.ruralcommunitytoolbox.org/treatment-services/10>

Treatment for comprehensive mental health services for American Indian and Alaska Native individuals and families.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>

Technical assistance to support mental health services by increasing awareness and implementation of evidence-based practices and new technology.

Funding

Tribal Behavioral Health Grant Program (Native Connections)

<https://www.ruralcommunitytoolbox.org/funding/106>

Funding to prevent and reduce suicidal behavior and substance use, reduce the impact of trauma, and promote mental health among tribal youth through 24 years of age.

What This Program Funds: New Program • Operating Costs and Staffing

Resiliency in Communities After Stress and Trauma (ReCast Program)

<https://www.ruralcommunitytoolbox.org/funding/167>

Funds violence prevention and youth engagement programs and trauma-informed behavioral health services for at-risk youth and families impacted by community disruption and violence.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Illness (AOT)

<https://www.ruralcommunitytoolbox.org/funding/104>

Funds community-based efforts to implement and monitor assisted outpatient treatment programs that allow individuals to maintain living arrangements during mental health treatment.

What This Program Funds: New Program • Training Providers

Targeted Capacity Expansion - HIV Program: Substance Use Disorder Treatment for Racial/Ethnic Minority Populations at High Risk for HIV/AIDS (TCE-HIV: High Risk Populations)

<https://www.ruralcommunitytoolbox.org/funding/105>

Funding to increase access to and involvement with mental health and substance use disorder care and services for racial and ethnic minority individuals with or at risk of HIV.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Information

National Child Traumatic Stress Initiative (NCTSI)

<https://www.ruralcommunitytoolbox.org/information/340>

Information and resources to raise awareness of the impact of trauma on the behavioral health for children, adolescents, and families.

SAMHSA Criminal and Juvenile Justice Programs

<https://www.ruralcommunitytoolbox.org/information/309>

Information on programs and resources to address the challenges justice system-involved individuals face when seeking treatment for mental illness and substance use disorders.

SAMHSA Disaster Preparedness, Response, and Recovery Programs

<https://www.ruralcommunitytoolbox.org/information/305>

Information on programs and resources to meet the behavioral health needs of communities and responders while they prepare, respond, and recover from disasters.

SAMHSA School and Campus Health Programs

<https://www.ruralcommunitytoolbox.org/information/332>

Information to promote safety and prevent bullying, violence, mental health issues, suicide, and substance use in schools and on campuses.

U.S. Department of Justice

Office of Community Oriented Policing Services (COPS Office)

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Justice Programs

Bureau of Justice Assistance (BJA)

Expert Help & Training

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism

<https://www.ruralcommunitytoolbox.org/funding/500>

Grant to strengthen reentry systems and reduce recidivism through system evaluation and the implementation and expansion of reentry programs.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Second Chance Act Comprehensive Community-Based Reentry Program

<https://www.ruralcommunitytoolbox.org/funding/243>

Grants to develop or expand comprehensive, evidence-based reentry services to decrease recidivism and violence among past offenders after release from incarceration.

What This Program Funds: Equipment • Operating Costs and Staffing • Training Providers

Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Formula Solicitation

<https://www.ruralcommunitytoolbox.org/funding/451>

Noncompetitive formula grants to local governments to improve the functioning criminal justice system, including drug treatment, enforcement, prevention, and education programs.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Justice and Mental Health Collaboration Program (JMHC)

<https://www.ruralcommunitytoolbox.org/funding/144>

Grants to establish partnerships among law enforcement and behavioral health professionals to improve responses and outcomes for individuals involved in the justice system.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Innovations in Supervision Initiative: Building Capacity to Create Safer Communities

<https://www.ruralcommunitytoolbox.org/funding/501>

Grant to build capacity and enhance the quality and effectiveness of parole and probation agencies to reduce recidivism, crime, and violence.

What This Program Funds: Capacity Building

Office for Victims of Crimes (OVC)

Funding

Children's Justice Act Partnerships for Indian Communities (CJA) Program - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #6

<https://www.ruralcommunitytoolbox.org/funding/292>

Cooperative agreement for tribal communities to support and develop programs to address criminal cases of child abuse, neglect, and other violence and trauma against children.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Enhancing Community Responses to America's Addiction Crisis: Serving Our Youngest Crime Victims

<https://www.ruralcommunitytoolbox.org/funding/498>

Grant to support direct services for children and youth who are crime victims and have been impacted the current addiction crisis.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Expert Help & Training

National Gang Center (NGC)

<https://www.ruralcommunitytoolbox.org/expert-help/244>

Technical assistance and training for law enforcement, the criminal justice system, community organizations and others to reduce gang involvement and associated crime and violence.

Funding

Comprehensive Tribal Justice Systems Strategic Planning - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #2

<https://www.ruralcommunitytoolbox.org/funding/258>

Cooperative agreement to support strategic planning and development to improve tribal justice systems, public safety, and community wellness.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Tribal Youth Program (TYP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #9

<https://www.ruralcommunitytoolbox.org/funding/295>

Cooperative agreement to fund prevention, intervention, and treatment services for youth and children to reduce delinquency and promote public safety.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Youth Gang Suppression Implementation Grants Program

<https://www.ruralcommunitytoolbox.org/funding/236>

Grants to help communities and law enforcement promote public safety by preventing and reducing youth-related gang involvement, violence, crime, and victimization.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Gang Suppression: A Law Enforcement and Prosecutorial Approach to Address Gang Recruitment of Unaccompanied Alien Children

<https://www.ruralcommunitytoolbox.org/funding/153>

Cooperative agreement to increase the capacity of law enforcement agencies to reduce violence, gang-related crime, and delinquency and victimization by youth.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Opioid Safety Initiative Toolkit

<https://www.ruralcommunitytoolbox.org/information/75>

Toolkit sharing evidence-based presentations and resources concerning opioid use and prescribing to address safe and effective pain management for veterans.

Treatment & Services

VHA Mental Health Care Locator

<https://www.ruralcommunitytoolbox.org/treatment-services/241>

Tools to locate post-traumatic stress disorder programs, Veterans Affairs medical centers, suicide prevention coordinators, vet centers, and community mental health contacts.

VA Pharmacy Benefits Management (PBM) Services

Information

VA PBM: Academic Detailing Service (ADS) Resources

<https://www.ruralcommunitytoolbox.org/information/66>

Information on outreach and education materials advocating for evidence-based treatments to help providers improve the health of veterans.

VHA Office of Rural Health (ORH)

Information

VA Rural Health Enterprise-Wide Initiatives

<https://www.ruralcommunitytoolbox.org/information/62>

Information on enterprise-wide initiatives currently supported by the Veterans Health Administration Office of Rural Health.

Women

AmeriCorps

Funding

AmeriCorps State and National Competitive Grants

<https://www.ruralcommunitytoolbox.org/funding/391>

Grants for organizations to support AmeriCorps members to build capacity, expand services, and help communities address their needs through service and volunteer activities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Women and Minorities in Science, Technology, Engineering and Mathematics Fields Program (WAMS)

<https://www.ruralcommunitytoolbox.org/funding/386>

Grant to increase women and underrepresented minorities from rural areas in science, technology, engineering, and mathematics, also known as the STEM fields, in higher education.

What This Program Funds: New Program • Operating Costs and Staffing

USDA Farm Service Agency (FSA)

Funding

Minority and Women Farmers and Ranchers Loan Program

<https://www.ruralcommunitytoolbox.org/funding/436>

Loans for historically underserved minority and women farmers and ranchers to help them start and sustain successful farming and ranching operations.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • Operating Costs and Staffing • Starting a Business

U.S. Department of Health & Human Services

Health Resources and Services Administration

Federal Office of Rural Health Policy (FORHP)

Information

Rural Health Research Center Publications on Maternal Health

<https://www.ruralcommunitytoolbox.org/information/281>

Research publications, findings, webinars, and resources on maternal health in rural areas from federally-funded Rural Health Research Center.

Maternal and Child Health Bureau (MCHB)

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

Healthy Start Initiative: Eliminating Disparities in Perinatal Health

<https://www.ruralcommunitytoolbox.org/funding/314>

Grants to support programs to reduce health disparities. Works to decrease rates of infant mortality and adverse perinatal outcomes among racial/ethnic minority populations.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing • Training Providers

Screening and Treatment for Maternal Depression and Related Behavioral Disorders Program

<https://www.ruralcommunitytoolbox.org/funding/355>

Funding for states to increase screening, assessment, treatment, and referral services for maternal depression and related behavioral disorders among pregnant and postpartum women.

What This Program Funds: Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

Rural Health Integration Models for Parents and Children to Thrive (IMPACT)

<https://www.ruralcommunitytoolbox.org/funding/303>

Cooperative agreement to establish three demonstration projects to improve the social-emotional, physical and economic well-being of young rural children and families.

What This Program Funds: New Program • Operating Costs and Staffing

Information

Title V Maternal and Child Health Services Block Grant Program

<https://www.ruralcommunitytoolbox.org/information/299>

Information on the Title V Maternal Child Health Services Block Grant that works to support and improve the health and well-being of mothers, children, and families.

Treatment & Services

Maternal, Infant, and Early Childhood Home Visiting Program

<https://www.ruralcommunitytoolbox.org/treatment-services/311>

Service offering pregnant women and parents of young children with regular, planned home visits from health, social service, and child development professionals.

Indian Health Service (IHS)

Funding

Community Opioid Intervention Pilot Project (COIPP)

<https://www.ruralcommunitytoolbox.org/funding/468>

Grant to develop and expand culturally appropriate opioid prevention, treatment, recovery, and aftercare services in American Indian and Alaska Native communities.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Information

Indian Health Service (IHS) Opioid Use Disorder and Pain

<https://www.ruralcommunitytoolbox.org/information/162>

Information on prescription opioids, managing chronic pain, and opioid use disorder for American Indian and Alaska Native communities and Indian Health Service providers.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Funding

Services Grant Program for Residential Treatment for Pregnant and Postpartum Women (PPW)

<https://www.ruralcommunitytoolbox.org/funding/128>

Funding for substance use disorder prevention, treatment, and recovery assistance to improve the life outcomes of pregnant or postpartum women, their children, and their families.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Substance Abuse Prevention and Treatment Block Grant (SABG)

<https://www.ruralcommunitytoolbox.org/funding/139>

Block grant funding to design and implement activities and services to address the complex needs of individuals, families, and communities affected by substance use disorder.

What This Program Funds: Buildings and Facilities • Capacity Building • Equipment • New Program • Operating Costs and Staffing • Training Providers

U.S. Department of Justice

Office of Violence Against Women (OVW)

Funding

Tribal Governments Program (TGP) - Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area #5

<https://www.ruralcommunitytoolbox.org/funding/277>

Cooperative agreement to improve the capacity of tribal justice systems, including law enforcement, to respond to violence and crimes against Native American women.

What This Program Funds: Capacity Building • Equipment • Operating Costs and Staffing

U.S. Department of Labor

U.S. Department of Labor Women's Bureau

Funding

Re-Employment, Support, and Training for the Opioid Related Epidemic (RESTORE) Grant Program

<https://www.ruralcommunitytoolbox.org/funding/380>

Funding to provide employment training, career services, and supportive services to women directly or indirectly affected by the opioid crisis.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

U.S. Department of Veterans Affairs

Veterans Health Administration (VHA)

Information

Guide to VA Mental Health Services for Veterans and Families

<https://www.ruralcommunitytoolbox.org/information/204>

Information on the mental health services Veterans Health Administration hospitals and clinics are required to provide for veterans and their families.

Youth

AmeriCorps

Funding

AmeriCorps Seniors Foster Grandparent Program (FGP) Expansion Sponsor Competition

<https://www.ruralcommunitytoolbox.org/funding/479>

Grant for organizations to engage and manage individuals aged 55 and older to serve as experienced tutors and mentors to children and youth with special or exceptional needs.

What This Program Funds: Capacity Building • Operating Costs and Staffing

U.S. Department of Agriculture

National Institute of Food and Agriculture (NIFA)

Funding

Children, Youth, and Families at Risk (CYFAR) Sustainable Community Projects

<https://www.ruralcommunitytoolbox.org/funding/390>

Grants for land-grant colleges and universities to enhance the quality and quantity of comprehensive community-based programs for at-risk children, youth, and families.

What This Program Funds: New Program • Operating Costs and Staffing

Rural Health and Safety Education Competitive Grants Program (RHSE)

<https://www.ruralcommunitytoolbox.org/funding/4>

Grant for land-grant colleges and universities to create community-based outreach and extension services to improve health and wellness in rural areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Women and Minorities in Science, Technology, Engineering and Mathematics Fields Program (WAMS)

<https://www.ruralcommunitytoolbox.org/funding/386>

Grant to increase women and underrepresented minorities from rural areas in science, technology, engineering, and mathematics, also known as the STEM fields, in higher education.

What This Program Funds: New Program • Operating Costs and Staffing

U.S. Department of Education

Office of Elementary and Secondary Education (OESE)

Funding

Nita M. Lowey 21st Century Community Learning Centers (21st CCLC)

<https://www.ruralcommunitytoolbox.org/funding/55>

Formula grants for state educational agencies to support community learning centers that run after-school programs for students in high-poverty or low-performing schools.

What This Program Funds: Equipment • New Program • Operating Costs and Staffing

Office of Safe and Supportive Schools (OSSS)

Expert Help & Training

Readiness and Emergency Management for Schools (REMS) Technical Assistance Center

<https://www.ruralcommunitytoolbox.org/expert-help/9>

Technical assistance center to help schools, colleges, and universities emergency management planning, preparation, and readiness.

Information

An Overview of the Guide for Developing High-Quality School Emergency Operations Plans

<https://www.ruralcommunitytoolbox.org/information/210>

Webinar recording discussing an emergency operations plan guide for schools. Includes information on the principles and process of school emergency planning.

Preparing for Opioid-Related Emergencies for K-12 Schools and Institutions of Higher Education

<https://www.ruralcommunitytoolbox.org/information/207>

Fact sheet describing the six-step planning process to help schools, colleges, and universities develop or update emergency operation plans to address potential threats.

Readiness and Emergency Management for Schools (REMS) Specialized Training Packages

<https://www.ruralcommunitytoolbox.org/information/293>

Training materials on emergency management for faculty, staff, and students.

The Role of Districts in Developing High-Quality School Emergency Operations Plans: A Companion to the School Guide

<https://www.ruralcommunitytoolbox.org/information/208>

Guide to assist school districts and administrators with developing and updating school emergency operations plans.

Office of Special Education and Rehabilitative Services (OSERS)

Information

Center for Parent Information and Resources (CPIR)

<https://www.ruralcommunitytoolbox.org/information/166>

Resource center to support parent training and information centers, and community parent resource centers with the education and development of children with disabilities.

Opioid Crisis and Substance Misuse

<https://www.ruralcommunitytoolbox.org/information/226>

Information and resources for schools to provide services, support, and interventions to address opioid and substance misuse for students and their families

U.S. Department of Health & Human Services

Centers for Disease Control and Prevention (CDC)

Funding

Drug-Free Communities (DFC) Support Program - Non-Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/401>

Funding for community coalitions previously awarded a DFC grant to continue grant activities to prevent and reduce substance use among youth age 18 or younger.

What This Program Funds: Capacity Building • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - Competing Continuation

<https://www.ruralcommunitytoolbox.org/funding/400>

Funding to reestablish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing

Drug-Free Communities (DFC) Support Program - New

<https://www.ruralcommunitytoolbox.org/funding/398>

Grant to establish and maintain community coalitions to prevent substance abuse among youth 18 years of age or younger.

What This Program Funds: Capacity Building • New Program

Information

Teens Linked to Care (TLC)

<https://www.ruralcommunitytoolbox.org/information/132>

Information on a school-centered pilot project for the prevention of substance abuse and risky sexual behaviors in high-risk rural communities in Ohio, Kentucky, and Indiana.

Health Resources and Services Administration

Bureau of Health Workforce (BHW)

Funding

Behavioral Health Workforce Education and Training (BHWET) Program for Paraprofessionals

<https://www.ruralcommunitytoolbox.org/funding/506>

Grants to create and expand experiential training opportunities for paraprofessional behavioral health students and build behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Behavioral Health Workforce Education and Training (BHWET) Program for Professionals

<https://www.ruralcommunitytoolbox.org/funding/452>

Grants to create and expand experiential training opportunities for professional behavioral health students and build the behavioral health workforce in high need/demand areas.

What This Program Funds: Capacity Building • New Program • Operating Costs and Staffing • Training Providers

Opioid-Impacted Family Support Program

<https://www.ruralcommunitytoolbox.org/funding/409>

Grants to enhance training programs for behavioral health paraprofessionals focused on working with children whose parents are impacted by opioid use disorder in high-need areas.

What This Program Funds: Capacity Building • Equipment • Financial Aid for Healthcare Workforce • Operating Costs and Staffing • Training Providers

Federal Office of Rural Health Policy (FORHP)

Information

Rural Health Research Center Publications on Children and Adolescents

<https://www.ruralcommunitytoolbox.org/information/280>

Research publications, findings, webinars, and resources on children and adolescents in rural areas from federally-funded Rural Health Research Centers.

Maternal and Child Health Bureau (MCHB)

Expert Help & Training

Pediatric Mental Health Care Access Program (PMHCA)

<https://www.ruralcommunitytoolbox.org/expert-help/352>

Training, tele-consultation, technical assistance, and care coordination using telehealth for primary care providers to improve behavioral healthcare for children and youth.

Funding

Healthy Tomorrows Partnership for Children Program (HTPCP)

<https://www.ruralcommunitytoolbox.org/funding/307>

Grants for community-based healthcare projects to improve the health status of mothers, infants, children, and adolescents in rural and underserved areas.

What This Program Funds: New Program • Operating Costs and Staffing • Training Providers

National Institutes of Health

National Institute on Drug Abuse (NIDA)

Information

Family Checkup: Positive Parenting Prevents Drug Abuse

<https://www.ruralcommunitytoolbox.org/information/394>

Evidence-based information focused on positive parenting skills that help prevent the onset and progression of drug use among children and youth.

Substance Abuse and Mental Health Services Administration (SAMHSA)

Expert Help & Training

Historically Black Colleges and Universities (HBCU) C.A.R.E.S. Center for Excellence in Behavioral Health

<https://www.ruralcommunitytoolbox.org/expert-help/396>

Provides assistance to historically black colleges and universities and students to increase the number of racial and ethnic minorities entering behavioral fields.

Mental Health Technology Transfer Center Network (MHTTC)

<https://www.ruralcommunitytoolbox.org/expert-help/482>
